Don't mind being called a Harkemite, considering the job, the name's all right.  
 Octoberfest is always quite fun, some of the songs you'll sing for years to come.  
 Caroling is cold, so be sure to bundle up tight.  
 Mr. Harkema will have every other song be "Silent Night."  
 When unloading geraniums, be sure to take care, the man-eating ones are tricky — so beware!

## SPORTS

# Cross Country

The consistently strong varsity team became P.S.L. champs for the third consecutive year. During the season Dave Doig led the team in practice and was the pace setter in races. Pete Alguirre, a great team runner, responded well to the pressure at the I.H.S.A. sectionals finishing sixth and qualifying for the state meet. The fresh-soph team produced some promising runners. Highlights of the season were winning the Fenton Invitational and placing second in the P.S.L. After years of individual running the girls had a team. Led by Captain Bonnie Wieringa, they competed strongly at the Calvin Invitational and were the first girls P.S.L. champs.

The golf team had an unblemished season having been defeated in every match. John Maas, the most valuable player, shot 86 for 18 holes in the State Districts placing tenth out of 80. One of the highlights of the season was staying in a lakeside cottage before the Holland Michigan Invitational. The season was a character building experience.

## Tennis

"Except for Providence, we were overpowered by no-one," said Coach Dudt. The solid veteran team smashed their way to one of the best tennis seasons ever at Timothy. Taking a close third in P.S.L. was a great disappointment to the team. They were also nearly eliminated in first round competition at the district tournament, in spite of their good performance in both singles and doubles. Julie Zeilstra finished third in the district meet and was awarded the honor to compete downstate.

## Girls' J.V. Basketball

This year's team of dedicated girls experienced much frustration and even more, progress. They battled through the season raising shooting percentages and improving their defense. Coach Dutt praised his team for their unity in spite of a 3 win- 11 loss over-all record (2 wins, 5 losses in P.S.L. play) the girls' J.V. basketball team "gave 'em grief" the entire season and proudly represented Timothy.

# Girls' Varsity Basketball

How do you define awesome? Webster's New World Dictionary puts it this way: Inspiring or showing awe. Another way of putting it is: The Girls' Varsity Basketball Team. Proof of this awesomeness was shown throughout their season, especially, the outstanding victory over Providence, a previously undefeated team. This was the highlight of the season. The girls went into the game with confidence and poise. They held Providence's leading scorer to zero points. Through cooperation and teamwork, the girls held the lead the entire game and won 46-39. The rest of the season had its ups and downs. They lost their first game of the regional to finish their season with a final record of 11 wins and 10 losses and 3rd place in the Private School League.

## Boys' J.V. Basketball

"You can see through their scores that the boys' sophomore basketball team really improved with the season," said Coach Veldhouse. Brian Bulthuis, the teams most valuable scorer and offensive player, along with Rob Hoeks, the teams top rebounder, led the team to victory through many gruelling games. One of the more memorable times was its close win over Aurora Central after having been defeated by them once before.

## Boys' Varsity Basketball

"Timothy goes out in class" was the headline on the last article for the varsity basketball team. First place in P.S.L.'s was shared with our rival Chicago Christian. The season was one of traumatic Borer contact losses, "Nord" chants from the bleachers, and the memory of beating Providence and Chicago Christian in the same weekend. The team finished off the season at Regionals with two All-Conference Players Ron Nordman and Mark Borer.

## Wrestling

Amid the cheering of his teammates, George Pecklo stepped onto the mat to face his awaiting opponent. In unison the gym was suddenly filled with "George! George!" With extreme determination he grappled hard, twisting and winging the Geneva puppy. "Pin! Pin!" screamed the crowd as the grueling seconds ticked to the final buzzer. The entire crowd stood in appreciation as Pecklo strutted off his victory mat into the arms of his teammates and they became one. Times like these held the team together and separated the boys from the men. Although the season was dismal there were many great individual performances. Pete Jaeger broke the school record of most take downs. Other excellent performers were co-captain Erik Jeckals, David Workman, Jeff DeVries, and Dirk DiSantes.

# Girls' Varsity Softball

The 1982 Girls' Softball season began with a lot of snow. This freak weather caused the postponement of many games, making the end of the season a lot busier. Their first game against Ridgewood was called because of darkness and resulted in a tie. The girls struggled through their season with many ups and downs. The season ended up with a 4-9 record. They lost their first game against York in the districts. This dedicated team produced three all conference players, Janna Fink on the first team, and Kristy Tamminga and Jill Groenewold on the second.

## Boys' Tennis

Timothy's 1982 tennis team was one of the strongest. Every varsity starter was either PSL Champion or runner-up. The league record was 9-1 with one controversial loss to Aurora. Timothy got revenge on Aurora by dominating the PSL tournament. Extremely high team morale helped the team finish third in districts. All-conference players included Bill Pastoor, Rob Ramey, Dean Winqvist, and Ares Vanides.

## Varsity Baseball

The Varsity Baseball team opened its season with high hopes, 7 returning starters and 3 returning all conference players. Coach Jim Snoeyink admitted that on a good day the Trojans could beat any team in the league. But not all days were good days and Timothy ended with a PSL record of 6-10. The team had good hitting but lack of consistency in defense and pitching caused the loss of many close games. The season did have its bright spots which included breaking Providence's ten league game winning streak and a big victory over Nazareth in the regionals. Dan Rocco and Craig Coburn were named to the all conference team for their fine performances.

## Boys' Track

Loss of Pete Rocco, Gerrit Wieringa, and Steve Brouwer to injury made the season a little disappointing. Pete Rocco was a constant winner and school record holder in the 100, 200, and 400 meter runs. He also qualified for three individual events downstate. The school mile record was broken by Steve Brouwer. At PSL's, Dan Barak won the shot put and discus. Progress by the athletes made the season a successful one.

# Girls' Track

This year's girls' track team was much larger than in former years. With Coach Senti's dedication and six seniors, there was a lot of leadership. The teamwork and encouragement led to many achievements. Four school records were broken. Connie Overzet set the 400m record in 62.0 sec.; Bonnie Wieringa, the 800m in 2:31.59; Tricia DeBoer, the 1600m in 5:26.3; and Janet Boettcher, the 3200m in 11:44.2. Connie also set a record at Mooseheart Relays Invitational in the 400m dash. The team worked hard and was rewarded with a 5th place finish at the PSL meet. At the district meet, Janet and Tricia placed first in the 3200m and the 1600m, respectively. This entitled them to compete downstate where Janet placed 8th and Tricia, 19th.

As i (sit) in class,  
i hope i don't just  
sit  
and soak  
up  
empty-words.  
We learned how Christ lived.  
We saw Paul's faith through his journeys.  
We studied about strange Religions.  
But  
did i learn how it affects my life?  
Lord, help me  
to apply this knowledge to my everyday walk  
with you.

German is nothing at all.

or explorers sailing this flat earth.  
It's not tribal customs,  
or romance  
or pasta  
or windmills on tulip-sprinkled lawns.  
German writes music,  
has measles  
and big dogs,  
Has castles on sides of mountains,  
Makes porcelain "Hummels",  
Has beer festivals,  
grows Black Forests,  
And hangs blankets out clear-morning

# Freshmen Initiation

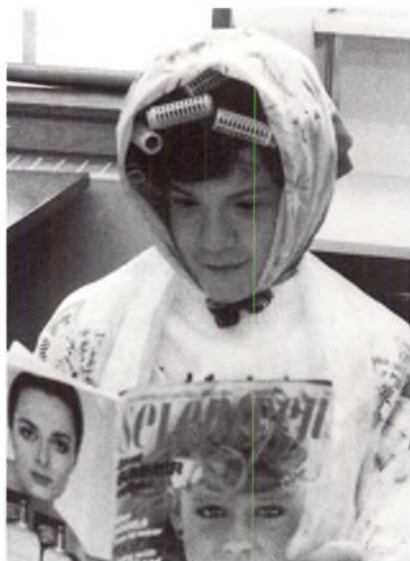

Initiation is nature exhibiting its doe-eyed dames in army greens and dangling weights or hockey helmets with overstuffed gloves bearing billboards of "I'm a very good freshy" not to mention the "Jolly Green Freshman" in his pea pod hat showing off masculine legs patting the back of his buddy hard enough to jostle rows of golf ball pearls. It's the true inhibition of mature young men in pink sponge rollers hugging Baby Alive while neighboring guys file their nails and check their lipstick or prance around in their daintly lace tu-tus. It is proof that freshmen are freshmen, like all the past freshmen who wear purple flowered dresses and cross their legs before they grow up.

1. Freshmen come in all shapes and sizes. 2. Patty shows her finished product. 3. "I just washed my hair and can't do a thing with it." 4. Freshmen stoop to new lows.

Don't worry about anything; instead, pray about everything; tell God your needs and don't forget to thank him for his answers. If you do this you will experience God's peace, which is far more wonderful than the human mind can understand. His peace will keep your thought and your hearts quiet and at rest as you trust in Christ Jesus.

I pray that you  
 being rooted and  
 established in love  
 may have power  
 together with all the saints  
 to grasp how wide and long  
 and high and deep  
 is the love of Christ  
 and to know this love  
 that surpasses knowledge  
 that you may be filled  
 to the measure  
 of all the fullness of God.
