Goodbyes

Kyle Shelton
Athletic Trainer

What was your favorite memory or memories from coaching at TC?

One of my favorite memories from TC is going down state with the boys soccer team and dressing up in a dragon costume to hype them up. Above all I enjoyed working with athletes and keeping them on the court/field. I have been able to have many cool conversations and enjoyed being a prayer warrior for some athletes.

What will you miss?

I will miss the students, faculty, and staff. I will definitely miss the friendly and encouraging environment. I am sad to say I have to leave just as I get my new training room. But most of all I will miss my golf cart.

What will you be doing next year?

I will be moving down to Springfield, Missouri to study at Southwest Baptist University to get my Doctorate in Physical Therapy.

What was your favorite memory or memories from coaching at TC?

There are so many games, practices, and team events that I will never forget but I would have to say my favorite memory was the weekend at state in 2015. More than anything else, the weekend was just a ton of fun. We had some hilarious pregame talks that I will definitely never forget and the way the boys played was just awesome. Winning the championship was just the cherry on top of an already amazing weekend.

What will you miss?

I will miss the relationships with the coaches and players most of all. With the coaches, we quickly became friends and I know these are relationships that will continue even after I leave. With players, it was great to see the boys grow as they progressed through high school and I look forward to seeing where they go in the years ahead.

What will you be doing next year?

Next year I will be moving to Uganda, Africa with my wife and teaching at a secondary school for at-risk children (The Amazima School).

Thank you to the parents, coaches, players, administrators, and everyone that made coaching at TC such an amazing experience!
