### THE MAIN WHO CAME TO DINNER

#### SUMMARY:

Confined to the small-town Stanley residence after slipping on their icy doorstep, Whiteside (Josh Bootsma) uses his celebrity status to assume control over the entire house. Plot and parody thicken as he schemes to dissolve the budding romance between his loyal secretary (Brooke McKenzie) and the local newsman (Elijah Heyboer). Perhaps their crisis of love will teach him there's more to consider than his "self-centered, paltry little life." Or perhaps not.

Harriet steals a minute with Whiteside to show him "a few mementos from the past."

Whiteside's famous friends are constantly sending him care packages, such as this crate of penguins.

Nurse Preen has "the touch of a starved cobra."

Dr. Bradley hopes the critic will review his "Forty Years an Ohio Doctor," though he's still working o a chapter about the left kidney.

Banjo sweeps Sarah back into her kitchen, perhaps for a little "rye bread."

The debonair Beverly bursts in with enough charm and wit to rival Whiteside's.

"Nice dress, Lorraine," comments Banjo. "Did your buh-buh-buh-boyfriend get it for ya?"

ocal reporter Bert thinks Maggie the biggest news in town.

Techs: James Alvarez, Tommy Vandermolen, Caleb Clark (not pictured), Leah Becvar, Cody Riordan, Josh Clark, Daniel Mattox, Daniel Kuiper. Stage: Hannah Loucks, Jessica Mattox.

Mr. Woudstra will be retiring at the end of this year after serving Timothy for the last 14 years. Besides coaching girls basketball and varsity softball, his tireless efforts as Dean and Athletic Director have not gone unnoticed and have truly been appreciated.

After marrying his college sweetheart and graduating from Northwestern College in Orange City, Iowa, Mr. Woudstra taught history, PE, and health at Denver Christian for a year. He then moved to the Netherlands for six years to play basketball for the Dutch National Team as well as other semipro teams. While there he taught at the International School of Rotterdam and the International School of the Hague. He also worked at a meat market where he learned the Dutch language from his fellow butchers. Fond memories of his time in the Netherlands include playing the Russian Olympic gold medal team and defeating the Cuban bronze medal Olympic team. Upon returning to the States he taught at Waupun HS in Wisconsin for 3 years, Dordt College for 2 years and Central Valley Christian HS in California for 2 years. He taught math, computer science, PE, and coached basketball, baseball, softball, and track. He was also assistant professor of physical education and an athletic director.

Before coming to Timothy he worked at Sterling College in Kansas for 12 years where he was an associate professor of physical education and coached the mens varsity basketball team. Fond memories of Timothy include watching his daughter Larae participate as a Lady Trojan for 3 years, working with a variety of coaches and teachers, and being able to do his job and serve the Timothy community. He enjoyed the camaraderie of the staff, the tremendous support he received, and watching coaches invest themselves in the lives of their athletes, sharing their love, knowledge and faith.

Mr. and Mrs. Woudstra are blessed to have three children and ten grandchildren. They will be moving to Colorado Springs this summer and will live near their daughter, Larae, and her family. They plan on living on a small acreage and having a couple of horses. Mr. Woudstra hopes to work part time at a local school and possibly teach, coach, or drive a school bus. They plan on spending quality time with their children and grandchildren who live in Colorado, Texas, and Iowa.

Mr. Woudstra leaves us with the following advice: "Enjoy the moment", "A true leader serves", "A mistake is a learning experience", "It's all about God's love for us and sharing that love with everyone around us", and "God's strength is revealed in our weakness."

We wish Mr. and Mrs. Woudstra the very best as they continue to serve the Lord in the mountains of Colorado.

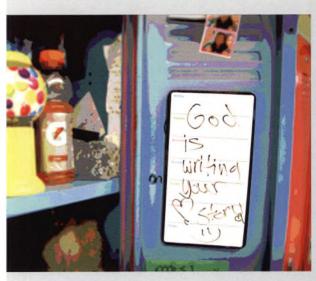

After 30 years in Christian education Mrs. VanProoyen has decided that it is time to retire. After her graduation from Trinity Christian College, Miss Bergsma taught four years of French and English at Chicago Christian High School (1975-1978) where she taught both of her sisters. She subsequently married Mr. VanProoyen and stayed home to raise their three children. In 1988, after the kids were all in school, she returned to teaching, this time at Timothy where she has taught French and all levels of Spanish. She enjoyed working in the same school as her husband and also having all three of her children as students. She has enjoyed performing in Octoberfest for

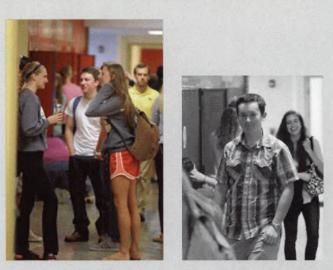

many years with her fellow teachers and traveling to Mexico five times and once to France with groups of Timothy students. Mrs. VanProoyen also enjoyed coaching the junior level of Scholastic Bowl for ten years. She is delighted that some of her six grandchildren are attending Timothy and grateful that she and her husband were able to work together at Timothy for so many years. In retirement, Mrs. VanProoyen hopes to be able to continue to use her Spanish in some way, perhaps in a bilingual Bible study. When asked what advice she would like to leave with us she said, "Life goes by quickly, so stay close to the Lord because He is faithful and never changes!" We will miss you, Mrs. VanProoyen!

And this is my prayer: that your love may abound more and more in knowledge and depth of insight, so that you may be able to discern what is best and may be pure and blameless for the day of Christ, filled with the fruit of righteousness that comes through Jesus Christ —to the glory and praise of God.
