

The image features a large, red octagon with a white border, tilted slightly to the left. Inside the octagon, the word "twenty" is written in a white, lowercase, sans-serif font, and the number "16" is written in a large, white, sans-serif font below it. The octagon is surrounded by various geometric shapes: a black triangle with white dots in the top left, a grey triangle with white lines in the top right, a black circle with white lines in the middle right, a grey triangle with white lines in the bottom right, and a red triangle with white lines in the bottom left. A series of small, grey, curved lines with dots at the end, resembling orbits or paths, curve around the right side of the octagon. There are also several small, solid red and black circles scattered in the lower right area. At the bottom left, there are several parallel diagonal lines in red, black, and grey.

# MR. VELDMAN

Mr. Veldman has worked at Timothy for two years. He attended Timothy from first grade to twelfth grade and returned in the fall of 2014 to teach Photography. Since then, he has also taught Graphic Design, Drawing, Art 1, and 7th Grade Art. Before teaching at Timothy, Mr. Veldman got his Bachelor of Science degree and Bachelor of Arts and Photography degree from Taylor University. He also taught in numerous locations prior to

teaching here at Timothy. He taught in New Buffalo for sixteen years, Lake Shore for a year, Watervlit for a year, and Blackwell for a semester.

During his time here, Mr. Veldman has formed many great memories. He enjoyed being involved in and coaching the Scholastic Bowl team. He also had a good time taking the Photography students on the field trip to downtown Chicago each semester. One of the things he says he will remember as he leaves is the weekly chapel routine here at Timothy. However, he said that his favorite part about teaching at Timothy has been interacting with the students. Mr. Veldman really enjoyed working with students who are "100% involved" in their work.

After Timothy, Mr. Veldman plans to teach at a local college in Michigan. He looks forward to teaching art, spending time with his family, and spending time on vacation. One of his favorite quotes is, "Only you can prevent forest fires," by the Smokey Bear. Mr. Veldman's favorite Bible verse is Philippians 4:13: "I can do all this through him who gives me strength." As he leaves Timothy, Mr. Veldman offers some parting words to students and teachers. He hopes that he will be remembered for the "love of his subject" and his devotion to art. But most importantly, Mr. Veldman advises us to remember that: "Rome wasn't built in a day."
