Volume 61

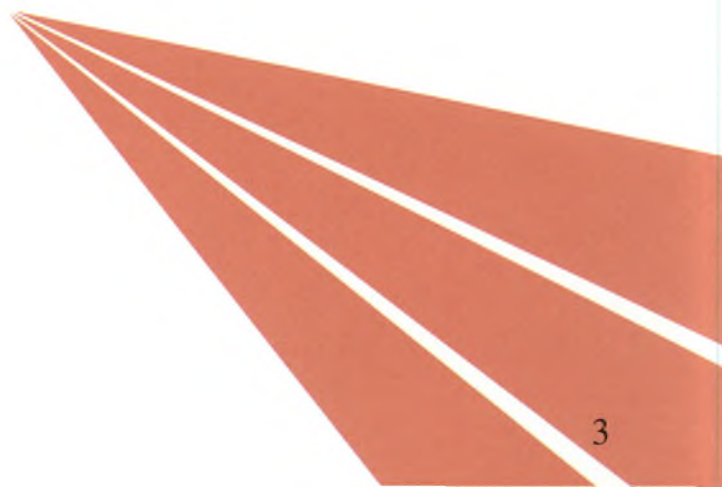

I pray that Christ will be  
more and more at home in your hearts,  
**living within you** as you trust in Him.  
May your roots go down deep  
into the soil of **God's marvelous love ...**

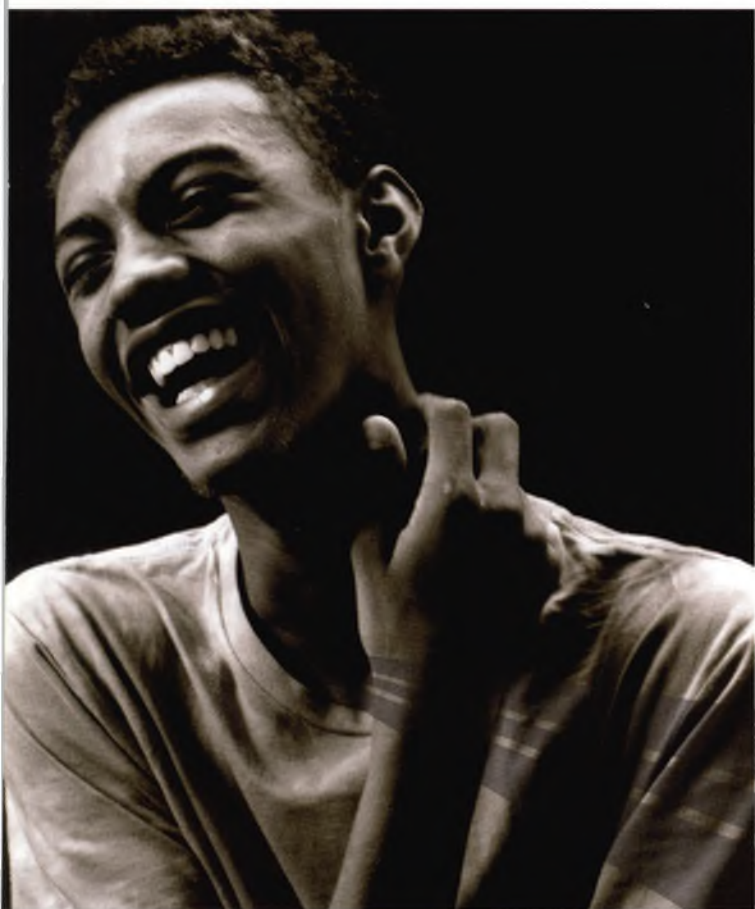

THROUGH HIM WHO GIVES ME STRENGTH · Philippians 4:13

... and may you be able to feel and understand,  
how long, how wide, how deep,  
and how high His love really is ...

... so at last  
you will be filled up  
with God himself.

## MR. BOVEN

them to apply this truth to their lives as well.

Each school day started with two prayers: that I would be a blessing to each one of my students and that I would "serve wholeheartedly, as if I were serving the Lord, not people (Ephesians 6:7)."

One of the things I've loved about teaching is seeing each of the covenant children of God I have worked with mature and develop. A particular delight has been seeing students complete one of my classes, discover they enjoy it, and then embark on a career in business right after high school or go on to major in Accounting or Marketing in college...and have solid business careers. I have also enjoyed interacting with former students outside of Timothy, in the "adult" world. Some have served on our church council with me, others have gone on to be Timothy School Board members, several have become my colleagues, and two have served as my investment advisors.

Throughout my teaching adventure, I have been blessed with a fantastic marriage to my wife, JoAnn. We are the delighted parents of three wonderful children, and now four terrific grandchildren. It's been a blessing to me and my family to be involved in God's community through my teaching.

Good stories also have good endings. If fact, the story of my life could begin and end with the same sentiment: "Thanks be to God."

Once upon a time...

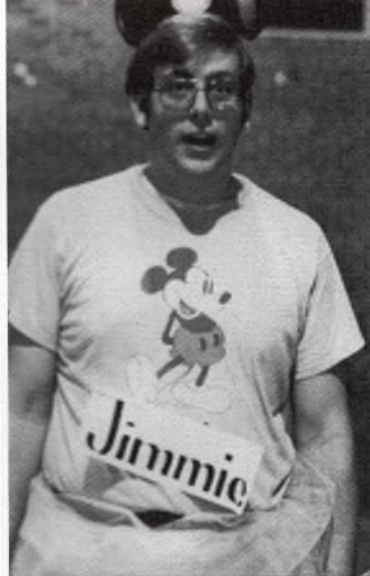

It was the best of times...

It was a bright cold day in March, 1951...

Good stories have good opening lines, and are filled with adventures. All of us, looking back, can see that the stories of our lives are indeed filled with them. My teaching adventure started at Valley Christian HS in Cerritos, California. Forty-one years later it's ending here at Timothy Christian HS in Elmhurst, Illinois. A great many chapters fit into 41 years, but I will give a summary of the key parts here.

In my first years of Business Education I taught typing, shorthand, and office practice classes. As I close the book on my teaching career, I am teaching Computer Applications and Marketing.

Through all my classes I have stressed stewardship of God's resources. Psalm 24:1 says, "The earth is the LORD'S, and all it contains, the world, and those who dwell in it." I have worked to stress this truth to my students, challenging and encouraging

faced and how her family was rebuilt by God's sovereign grace and unfailing love. She wanted students to know that there is hope when things fall apart and that life can have joy again and relationships can be renewed and made stronger. Afterward, she remembers how a faculty member thanked her for being vulnerable and reminding us of God's faithfulness. She will never forget how God encouraged her through those kind words.

In retirement Ms. Salvatori is anxious to start a new CD of Lenten music that has been on her mind for several years. It will consist of music that she has arranged for violin, string trio, and harp/piano. She also looks forward to recording it and using her arranging skills to develop music for middle school and high school age groups and playing in area orchestras. She also anticipates visiting friends and cousins in various locations around the country.

Her advice to students is to "start choosing discipleship daily in your walk. When Jesus walks through the fire with you He will never leave or abandon you. The Spirit constantly encourages you to change, to confess, teaching you all along the way and the Father gives endless compassion; His fierce love leads the way before you. You realize that truly nothing else matters. With that truth everything becomes clear and you see what really matters in this life."

## MS. SALVATORI

Ms. Salvatori has taught at Timothy for the past 15 years. During that time she has built the orchestra from a group of 6 students who lacked esteem and purpose and met in a closet under the auditorium to an outstanding orchestra composed of a respected group of musicians who are dedicated to their craft. After many years of not having a space of their own, Ms. Salvatori is very appreciative of the beautiful orchestra room that is dedicated for their use.

Ms. Salvatori has been teaching music in various capacities for 41 years. She has given private and group lessons, has taught at the Wheaton College Conservatory Suzuki School, Glen Ellyn Suzuki School, Wheaton College Conservatory of Music, COD prep dept., and Wheaton Warrenville South. She has enjoyed meeting with

the other music teachers at Timothy before school on Wednesday mornings—sharing laughter and support, wrestling with objectives, sharing dinners and hanging out as friends. She counts it a privilege to work in a Christian environment where she can teach from a Christian perspective and ask for and receive prayers and spiritual support. She has 4 grown daughters who are gracious, supportive, funny and loving. She has 14 grandchildren who she looks forward to spending more quality time with after she retires.

Besides conducting the orchestra Ms. S. has played for Oktoberfest and musicals, written scene change music, and accompanied Fine Arts Adjudications and Final Recitals. One of her favorite memories is when she talked in chapel and shared some of the difficulties and trials that her family has

## MRS. DAVID

Mrs. David has worked at Timothy for 33 years. After teaching 5th grade for five years, she took a ten year break to raise her family. She returned to Timothy as a grade school reading aide for two years and then spent twelve years teaching sixth grade. Her last fourteen years have been spent as our high school counselor.

Mrs. David has so many great memories of 5th and 6th grade that include clay boats, sex ed., fireballs, flash cards, biz buzz, 6th grade girls' basketball, Cubs baseball games, and

the annual Messiah performance at Symphony Center.

In the high school, Senior Serve elicited many memorable experiences. Playing Catch Phrase turned into Catch Mouse in the middle of the night when some mice showed up for a visit. On other Senior Serve occasions Ms. Park thought someone had stolen the jackhammer when actually another church borrowed it without telling her, and seniors cut down a tree and unintentionally took down a fence at the same time. Mrs. David can also regale students about when Mr. H. took boys on a Lawndale field trip at 2:30am, when seniors planted 22 very large trees and shrubs at Chicago West Side Christian School, or when Karen Bere' and she purchased over 100 tickets, individually, at a Lawndale El station machine so that they could take the seniors downtown the next day.

Mrs. David thoroughly enjoyed her time at Timothy and rarely considered her job to be work. The best thing about her job is the people: teachers, students, families, Timothy community and professional friendships that she has made over the years. She enjoyed leading Senior Serve, which was always a

highlight, working alongside students, teachers, and the Lawndale and Humboldt communities. She has also enjoyed the relationships that she has fostered with people at Chicago West Side Christian School, Humboldt Community Christian School, and Lawndale Community Church. Those who know Mrs. David are also aware that she is a prankster. Her favorite prank involved the former grade school principal, Mr. Tamminga. When he retired, she was responsible for playing many tricks on him. Her favorite was having the Elmhurst police stop him while he was driving away from school.

Mr. and Mrs. David have three wonderful sons, a fantastic daughter-in-law and four terrific grandchildren. In retirement she and her husband plan to have fun with their grandchildren and do some traveling. She also hopes to spend time reading and volunteering. Her advice is to try and "sit loosely in the saddle of life" - Robert Louis Stevenson - a statement which she attempts to live by but realizes is not always easy to do. Her favorite verse is from Isaiah 40:20-31: "Even youths grow tired and weary, and young men stumble and fall, but those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint."

## MR. HARTGERINK

In 1975, after graduating from Calvin College with a degree in Art Education and having married a lovely blonde coed from Washington D.C. whom he met at college, Mr. Hartgerink began his rookie year at Timothy. He taught several mechanical drawing classes and some art. Timothy did not have a shop at the time and had a rudimentary art program. The art room at that time was located in what is now the wood shop. It had a small electric kiln, a few art supplies, some folding tables and chairs, and no sink, but Mr. H was glad to be teaching and hoped to build a respectable art program. A few years later, Timothy hired a shop teacher and Mr. H was able to offer a greater variety of art classes. During this time, Mr. H earned a Master's Degree in Art from Northern Illinois University. H always enjoyed taking photos of students and in 1980 he was given the responsibility of being the yearbook advisor which he has enjoyed

doing ever since. Cameras were not digital at the time, and H spent many weekend hours in the darkroom developing and printing pictures. Computers also did not exist so layouts were drawn by hand on paper and all typing was done on typewriters. (Students ask your parents what film and typewriters are.) Along the way, the Hartgerinks were blessed with three children. When all their kids were old enough to be in school, Mrs. H began teaching third grade at Timothy - the whole family was now involved at Timothy.

Some things have improved substantially since those early days. Students have been able to enjoy an inviting and cheerful art room since 1985 when the auditorium was added, and H was able to design the new art room and dark room areas. Creating the yearbook has become much more enjoyable now that photography has gone digital and layouts are created on the computer.

The Hartgerinks have always enjoyed traveling every summer. When their children were young they would travel to places in the U.S. on camping vacations and ended up seeing most of the country this way. The highlight of their camping trips was in 2000

when they camped all over Europe for four weeks with their children. H says that "it was a lot of fun but there were definite similarities to the Chevy Chase movie." Once their kids moved out of the house, Mr. and Mrs. H were blessed to be able to travel to many places around the world for a few weeks each summer.

Mr. H counts it a privilege to have been able to teach art to hundreds of eager middle school and high school students. He has really appreciated and enjoyed the many colleagues that he has been honored to work with over the years. H says that "to have a job where you are able to teach and share what you love in a Christian setting with great kids every day is truly awesome. I can say that Psalm 16:6 has been true in my life- *The boundary lines have fallen in pleasant places; truly, I have a beautiful heritage.*"

Mr. and Mrs. H have a son and a daughter living in Colorado and another daughter living in Oregon. Since all three of their children and their six grandchildren live out West they plan to move to the Denver area after retirement. Besides spending more time with their grandchildren, Mr. H plans on spending time traveling and enjoying God's creation with his wife as well as creating art and photography. H would like to be remembered for creating a fun environment in which to learn art, but more importantly he wants to be remembered for loving the students that he was privileged to teach."

So then,  
just as you received  
Christ Jesus as Lord,  
continue to **live in him**,  
rooted and built up  
in him,  
strengthened in the faith  
as you were taught,  
and **overflowing**  
with thankfulness.
