*Our God is Faithful*

June 22, 1916, marked another event in the history of Timothy School. On that date our school was recognized by the Chicago Board of Education which meant that they recognized our school and the instruction given at our school, as being on a par with their own, and that our graduates would be accepted at any Chicago Public High School, without further examination.

The following year Miss Minkus left as teacher, to become the bride of Ralph Stoh, now Dr. Ralph Stoh, President of Calvin College. And on March 3, 1917, C. N. Vetter was appointed as teacher in her stead. Dr. Vetter, as we all know, is now a practicing physician in this community.

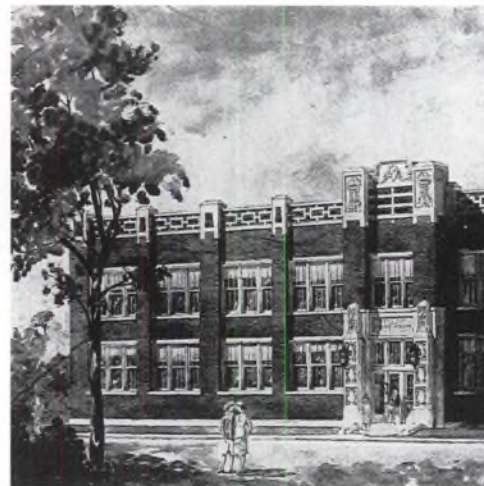

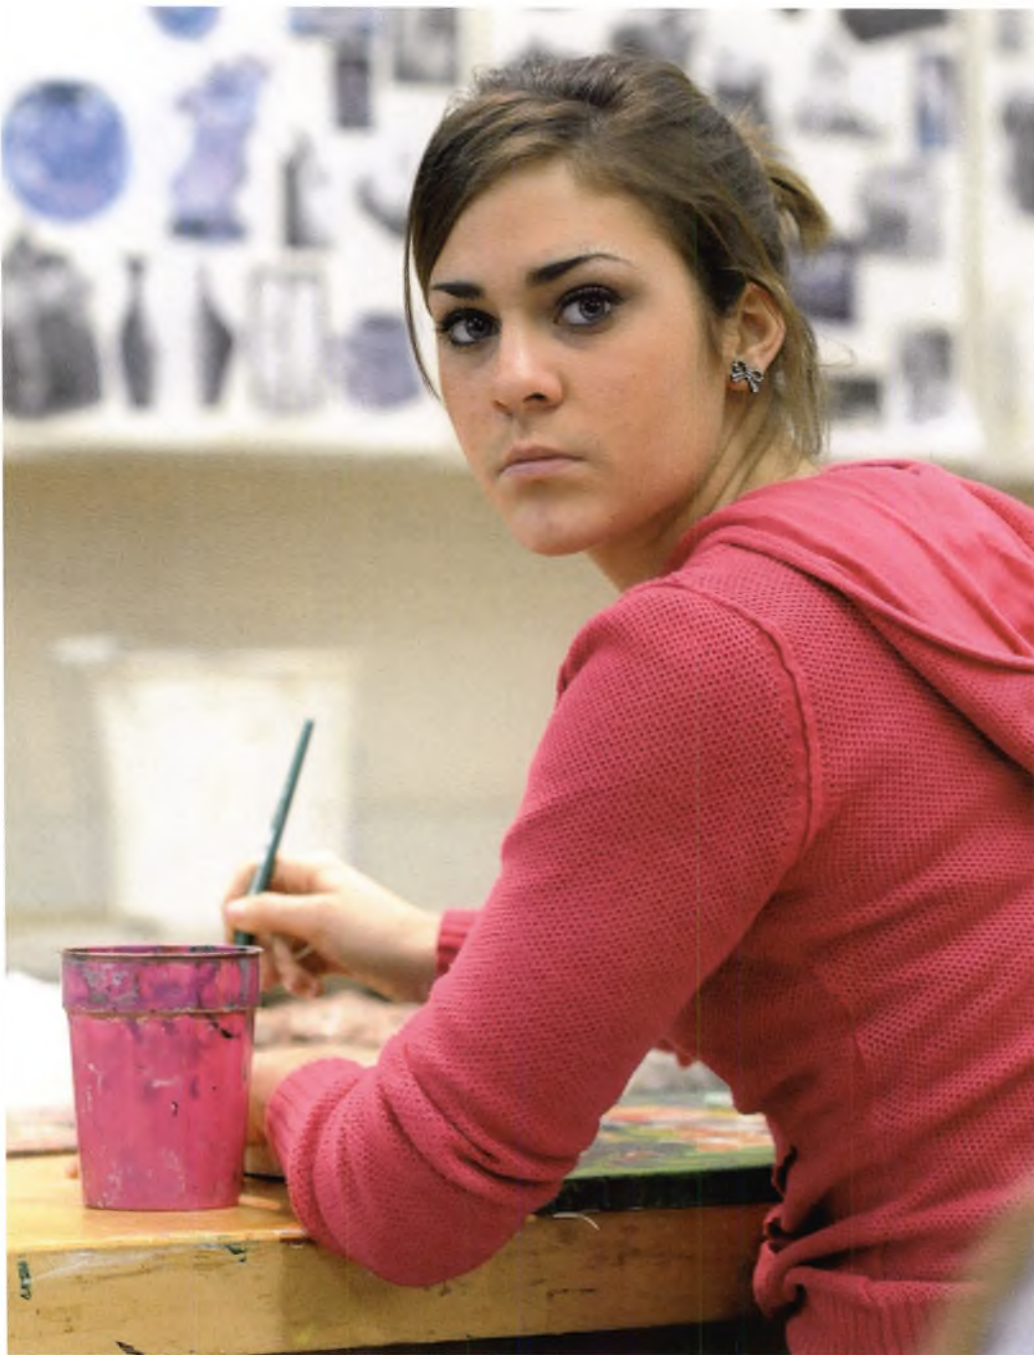

Timothy Avenue School

On April 4, 1917, Mr. E. Osterheert was appointed as janitor, and the following month, Mr. Herman Bow, who had been very active as a member of the board, as well as of the educational committee, resigned. Two new board members were now elected, namely P. Tansler and P. R. Ewens, the latter also being elected to the office of secretary, a position he held continuously till October, 1932, when he was elected to the vice presidency. At this meeting the secretary's report indicated an enrollment of 93 pupils, being instructed by a staff of three teachers.

A year later, on March 26, 1918, Mr. Vetter resigned as teacher in order to take up his studies as a medical student. Now too, the three class rooms were again overcrowded, so that building an additional floor on our school building became a necessity. So after some discussion and investigation as to the possibility of doing this, a committee was appointed, consisting of George Sliger, E. Wenzman and A. Hoffman, to arrange for the building of an additional story onto our building. This committee became active at once, having plans drawn, and receiving bids for

## MR. DAY

38 of Mr. Day's 41 years in Christian education have been right here at Timothy. His first three years of teaching were spent at the Christian school in New Holland, South Dakota. Beginning at Timothy he taught speech, drama, freshman algebra, and architectural design. About 20 years ago he was asked to teach English Lit. AP and that soon became his favorite assignment.

All of the plays that Mr. Day has directed have a special place in his heart. Some of his fondest memories include working with Mr. Wolterstorff on the musicals with *Spitfire Grill* being one of the most memorable. Also, he will always remember *To Kill a Mockingbird* fondly as it was his last directing experience at TC.

Many of Mr. Day's colleagues have become his best friends over the years, and the Timothy community will always hold a special place in his heart. His first wife, Pam, was able to work in the TC library for several years and also became part of the TC community. When she became ill, the community rallied its support around their whole family. Mr. Day especially remembers his AP class from '99; they were his support group when Pam was most ill and were there when she passed away. He will never forget the friendships that were forged with them during those difficult days.

Besides directing plays and sponsoring Drama Club, Mr. Day has coached golf for the last 19 years and plans on continuing to coach it in the near future.

Some other highlights for Mr. Day include several trips to Stratford's Shakespeare Festival, going to the Illinois High School Theater Festival with students every January, and performing *12 Angry Jurors* there in 1999. He also fondly remembers going down state with the golf team in 1998 and 2011, faculty devotions on Monday mornings, Spring Break golf trips with Mr. VanProoyen, Pam's memorial service in the auditorium, having his own children as students, seeing his grandchildren going to Timothy and taking his wife-to-be Debbie to see *Pirates of Penzance* on their second date.

Mr. Day looks forward to spending more time with his 13 grandchildren, golfing and caddying in the summer, and exploring his "dream job" of doing voice-over work.

Mr. Day has often said that he believes that teaching is an act of faith. Looking back on his career he knows that this has been true. "You don't have to see the end results of your teaching in the classroom, but you need to have faith that the Lord is using your voice, your example, your modeling of your faith. So, keep the faith!"

Of the 40 years that Mr. Rinsema has been in Christian education he has spent the last ten right here at Timothy. He started his career at Loudonville Christian School in New York where he taught history and PE. From there he went to sunny Florida where he taught history for five years and then became principal of the Bradenton Christian School. Pella, Iowa was the next stop for Mr. Rinsema, his wife Beth, and their three children. Mr. Rinsema was the principal of Pella Christian High School from 1988-2002. He has served as our principal since moving here in 2002.

Some of Mr. Rinsema's favorite things about Timothy include the balance that we have between academics, extra-curricular activities, and Fine Arts. He also appreciates our fine chapel program and our overall well-mannered and hard working students. Our quality faculty members and the sense of community within the staff were also mentioned as a definite plus.

Mr. Rinsema states, "It has been a joy to work with teachers and students for the last 40 years. I will miss the camaraderie of the faculty and the youthful energy of high school students," but he goes on to say that spending time with and "relating to his 6 grandchildren will be a wonderful way to spend time in retirement." He also plans to spend time reading books, doing projects at home, doing volunteer work, or maybe even working part time.

A verse that Mr. Rinsema would like to leave with us is "Trust in the Lord with all your heart, and lean not on your own understanding. In all your ways acknowledge Him, and He will direct your paths," Proverbs 3:5, 6.

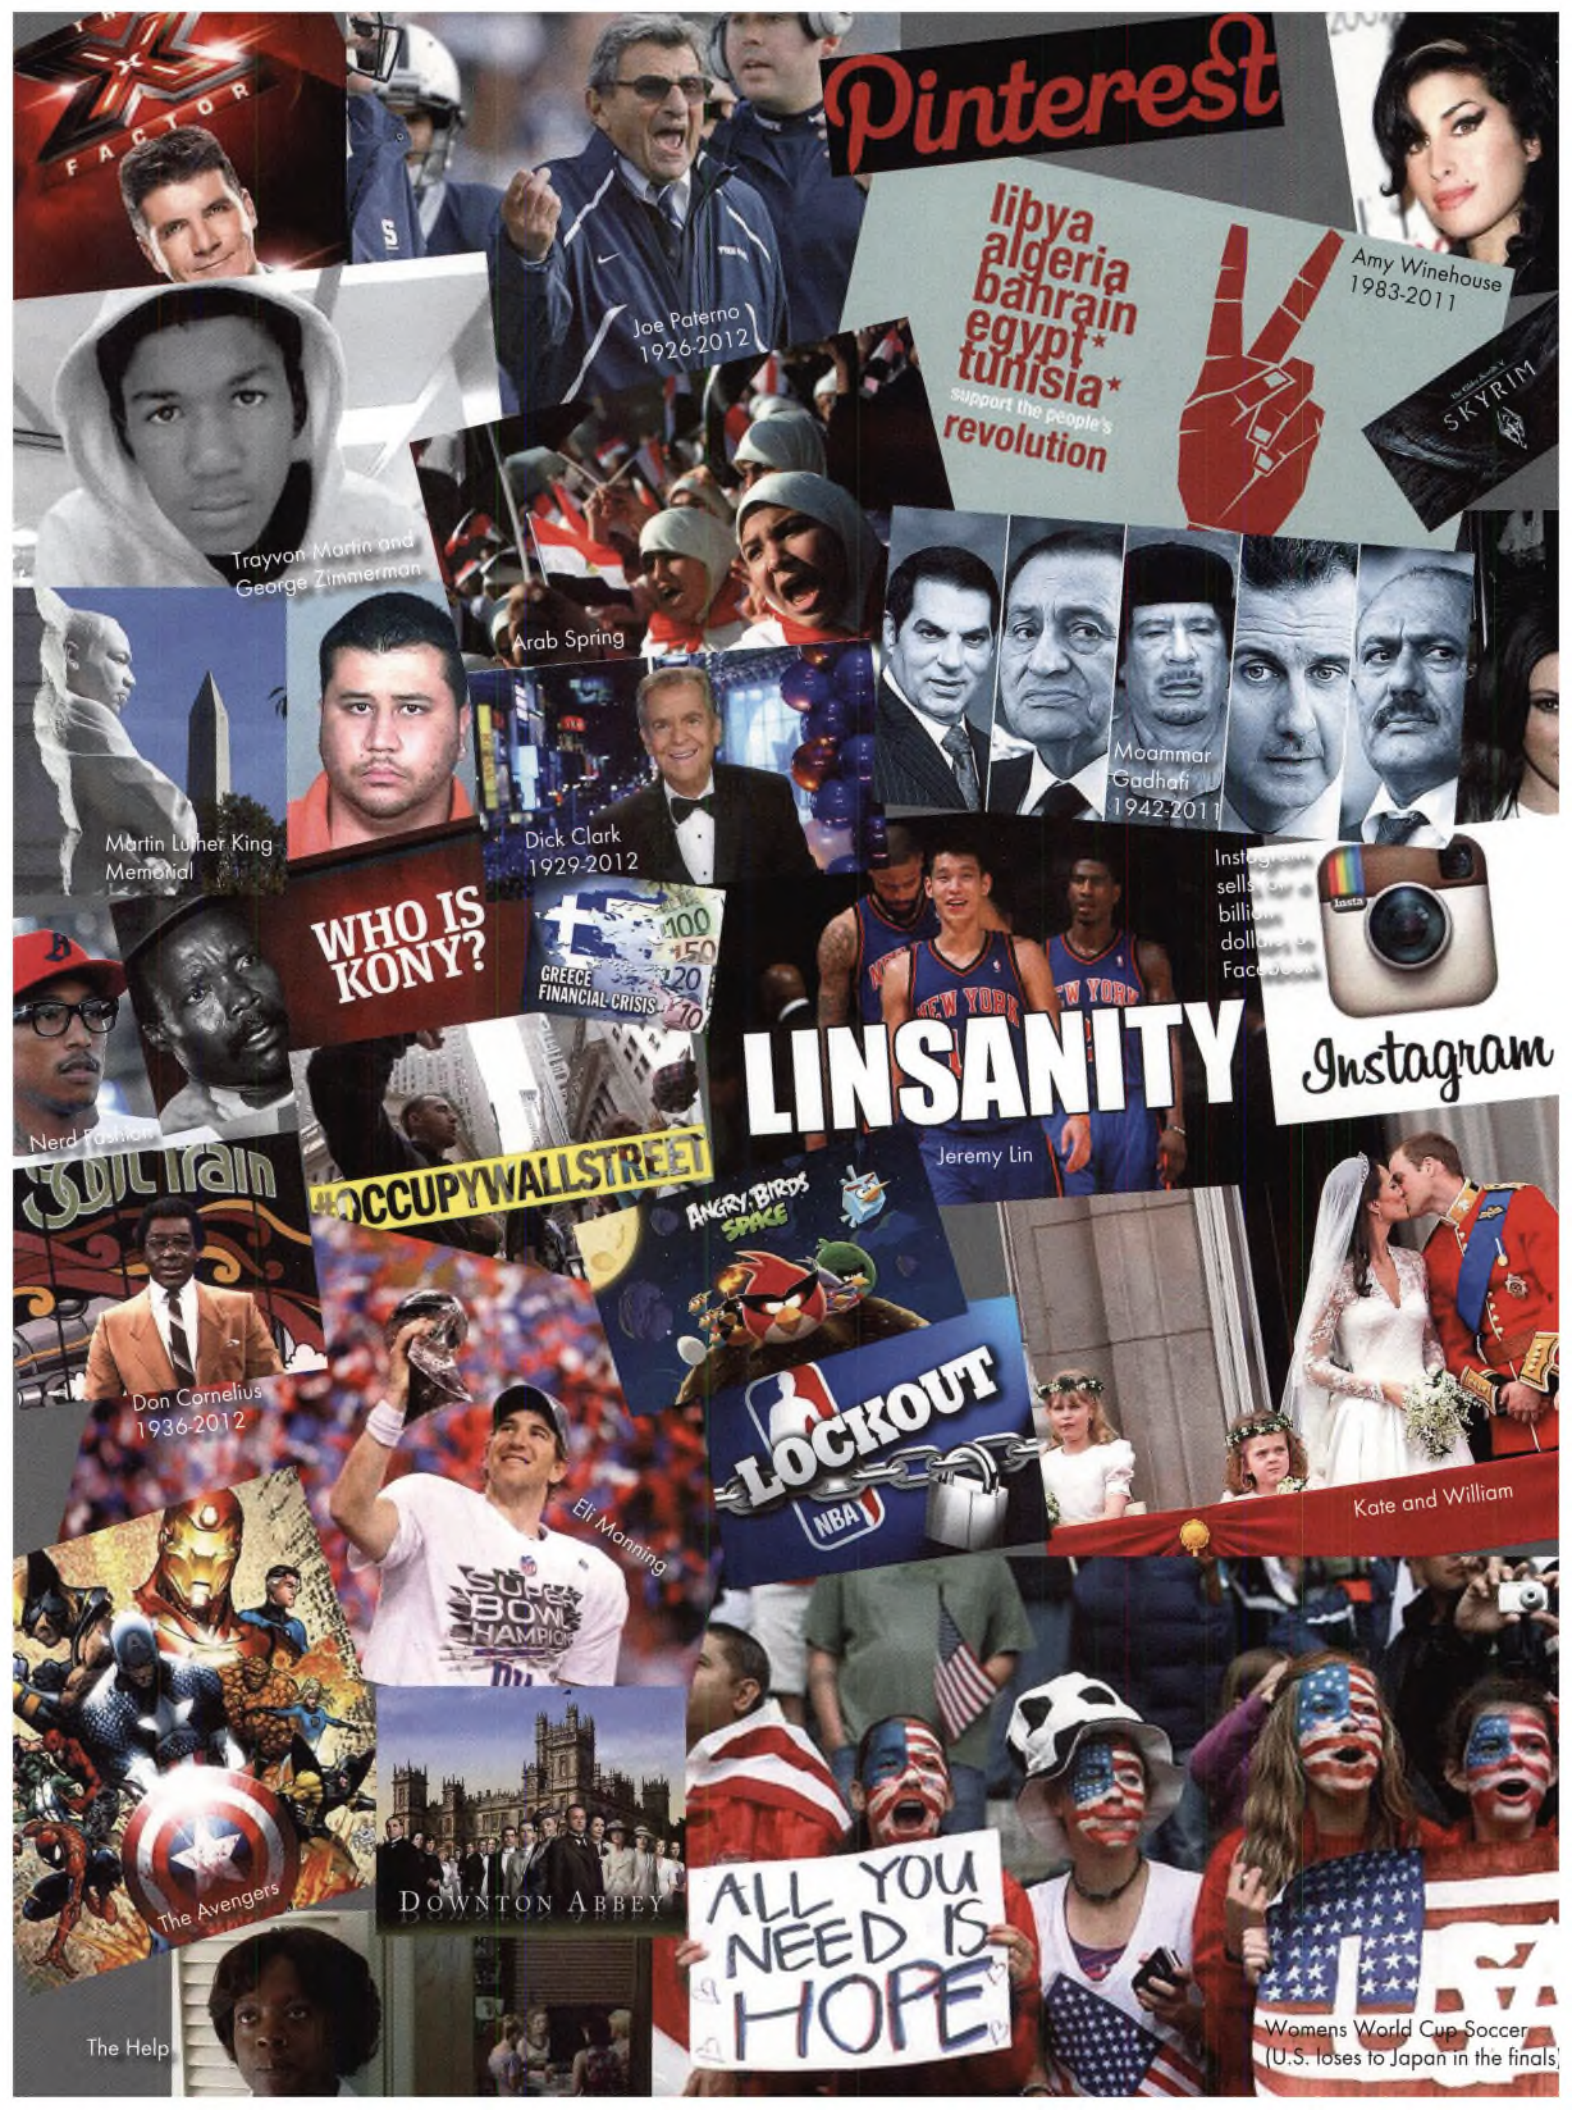

His word of advice is, "There is a God shaped vacuum in the heart of every man which cannot be filled by any created thing, but only God, the Creator, made known through Jesus." -Blaise Pascal

Mr. Rinsema would like to give thanks to the Timothy faculty, students, and community for the last ten great years of his career and give a big thanks to his wife, Beth, for supporting and encouraging him throughout the joys and challenges of his career in Christian education.
