Senior Surveys

What has been your most memorable experience at Timothy?

When me and Dave Akre duct taped Greg Baker to Mr. Pechanio's desk and Mr. Pechanio got so mad that he kicked us out and sent us to the dean.

-Joe Marshall

Being the bride in Father of the Bride. Opening night was my 18th birthday and Mr. Day had the audience sing Happy Birthday to me.

-Kristin Conboy

Should underclassmen be allowed to park in the South parking lot?

We weren't able to park there as sophomores, so they shouldn't be able to.

-Brian Pruim

No, because we couldn't when we were sophomores. Even though I couldn't drive then, it still makes me angry.

-Justin Venhousen

What is one of the funniest things that has happened at TC?

Taylor spreading the rumor that only Christian music would be played at the dance.

-Jenny Loerop

The stink bomb day.

-Steve Folkerts

What dating advice would you give to your fellow students?

Date someone from another school because you'll have a different experience and you won't have to worry about dating your cousin.

-Nicole LeBron

Date a T.C. girl, they're hot and smart!

-John Bradley

What is one T.V. show that you never would admit to watching?

Arthur, because it's a little kids show.

-Gina Geavaras

The auction show. It's for old people.

-Jenny Loerop

What is one important thing that you have learned at T.C.?

That you need to trust people and you shouldn't hold grudges against other people for doing stupid things.

-Nikki Carnes

Popularity is a figment of the imagination.

-Amy Handy

What was your most embarrassing high school moment?

I was trying to reach for a pen that fell off my desk and I fell completely out of my seat. My desk was front and center so everyone saw me.

-Jenny Zylstra

When I accidentally called the knight in Mr. Pechanio's room a skeleton. Everyone laughed and made fun of that for a long time.

-Kristin Salazar

If you could switch places with a teacher, who would it be, and why?

Mr. VanderKamp, so I could be crazy and boss Greg around.

-Matt Sterenberg

Mrs. Yeazel, because she is so down to earth and she has enough patience to deal with our senior boys.

-Anji Cole

If you could do it all over again, what would you do differently?

I would have taken more chances. Sometimes instead of just rejecting something, I wish I had given it more of a chance.

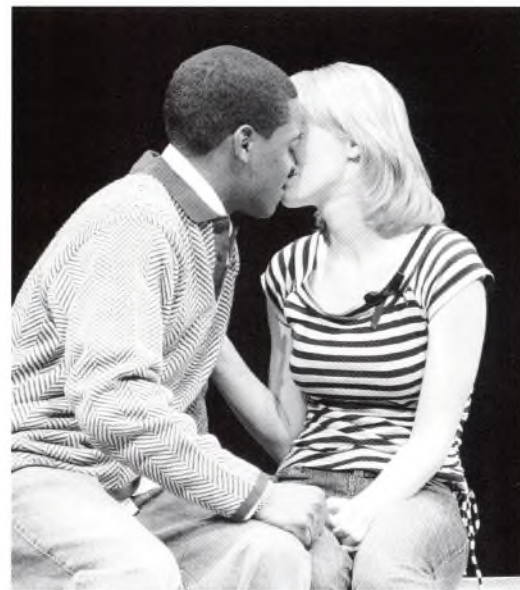

-Wendy Zigterma

I'd do it all over again, but as a girl this time.

-Brock Woldma

Love, Mom and Dad

Ryan,

You have been the best grandson anyone could ask for. From day one you have turned our lives around. We are so grateful to God for such a wonderful grandson. You have always lifted us up, even if we were down. Just being with you is enough. You have made us laugh so many times. The joy that you give us can't even be expressed. We thank God for your wonderful smile and personality.

Keep the faith and that smile that has brightened our days.

May God bless you in the years to come.

We love you so much!!

Grandpa and Grandma B.

P.S. You will always be

Grandpa's Buddy

Ryan,

You've been there for me since day one.

Everything that I ever wanted or needed, you were there to go get it or to complain to. Ryan, you have been such an influence in my life! I will never forget all the good times we have had together.

You are such a great brother to me.

I wish you the best of luck in college!

I love you so much! I will miss you.

Love, Tara

Ryan,

I just want to say congrats on all that you have done. I wish you the best of times in college and I hope you do well in all the things that you try. Ryan, you have taught me a lot about life and have always been there to watch over me through the hard times (throwing me across the hallway). We have enjoyed the good times when we could laugh and goof around. Ryan, I am going to miss you a lot and will always remember that those dunks were for me!! Have a great time and I love you and wish you the best of luck. Remember, if you ever need a girl talk, you have 3 of them waiting at home!

Love you, Brittani

Ryan,

Your father and I have always been proud of you and the way you positively approach every day no matter how easy or difficult the situations have been.

Your drive and determination can only be surpassed by your passion for life. We are honored to be your parents.

As you graduate and move on to college, remember to keep your focus, and absolutely nothing will be out of your reach.

Our wish for you is that all your dreams, desires and hopes come true.

"I can do all things through Christ who strengthens me."

We love you and will always be there for you.
