Kohls, Express, American Eagle, Target, Abercrombie and Fitch, Salvation Army Thrift Store. These, along with accompanying logos, were flaunted by students during the 2002-2003 school year. Flip flops were to be found everywhere- no matter the weather. The retro look was back in style. Flared jeans and ripped pants were worn by both girls and guys. For the girls, peasant shirts and thick belts made an outfit complete. Girl's hair was also a blast from the past- either flipped out or made straight. In either case, usually highlighted as well. For the guys, the hair and clothes were unkempt and baggy. For a majority of the students piercing and tattoos were also in style.
