let every breath and all that I am
never cease to worship you!
Shout to the Lord, all the earth let us sing
power and majesty, praise to the King
mountains bow down and the seas will roar
at the sound of your name.
I sing for joy at the work of your hands,
forever I'll love you, forever I'll stand
nothing compares to the
promise I have in you.

THE SOPRANOS

This HBO drama reinvented the Mafia genre with Tony Soprano (James Gandolfini), the frenzied, psychotomaniacal, psycho-popping capo not truly the master of his family as his family. But the show didn't stop there. Soprano's son (an episode) carries over a seamless battle. It redefined TV storytelling. Watch it weekly, and it's an addictive saga: watch several at a stretch, and its rich vocabulary of metaphors and motifs, submerges and resurfaces with movie-like grace.

Memories of your smile and how you
 cared for your sister and brother with
 love and laughter are priceless.
 Maybe there were times you felt you
 were being buried alive or were alone
 to deal with life's struggles. Your
 struggles have been a blessing.
 Through them you were given a
 second chance and learned you were
 not alone. You have been given a
 testimony to share what Christ
 has done for you.

From a child to a young man on his journey we are encouraged and thankful to Christ for you.

This graduation is another accomplishment that you completed.
