A summer in the Lord is  
building  
houses in Mexico,  
seeing visions  
in Colorado,  
and reaching out  
to your co-worker.

September creeps in.  
A school year in the Lord  
begins  
with a night of renewing  
old friendships  
and  
making new ones.

Leaves start to turn  
and shorts are not permissible.  
A fall in the Lord  
is struggling  
through new classes,  
a prayer before the game,  
comforting  
a hurting friend,  
tutoring  
the classmate who fell behind,  
and praying with friends  
to start the morning.

Thanksgiving  
is a breath of relief,  
a time to thank the Lord  
for the past,  
and a time to look forward.

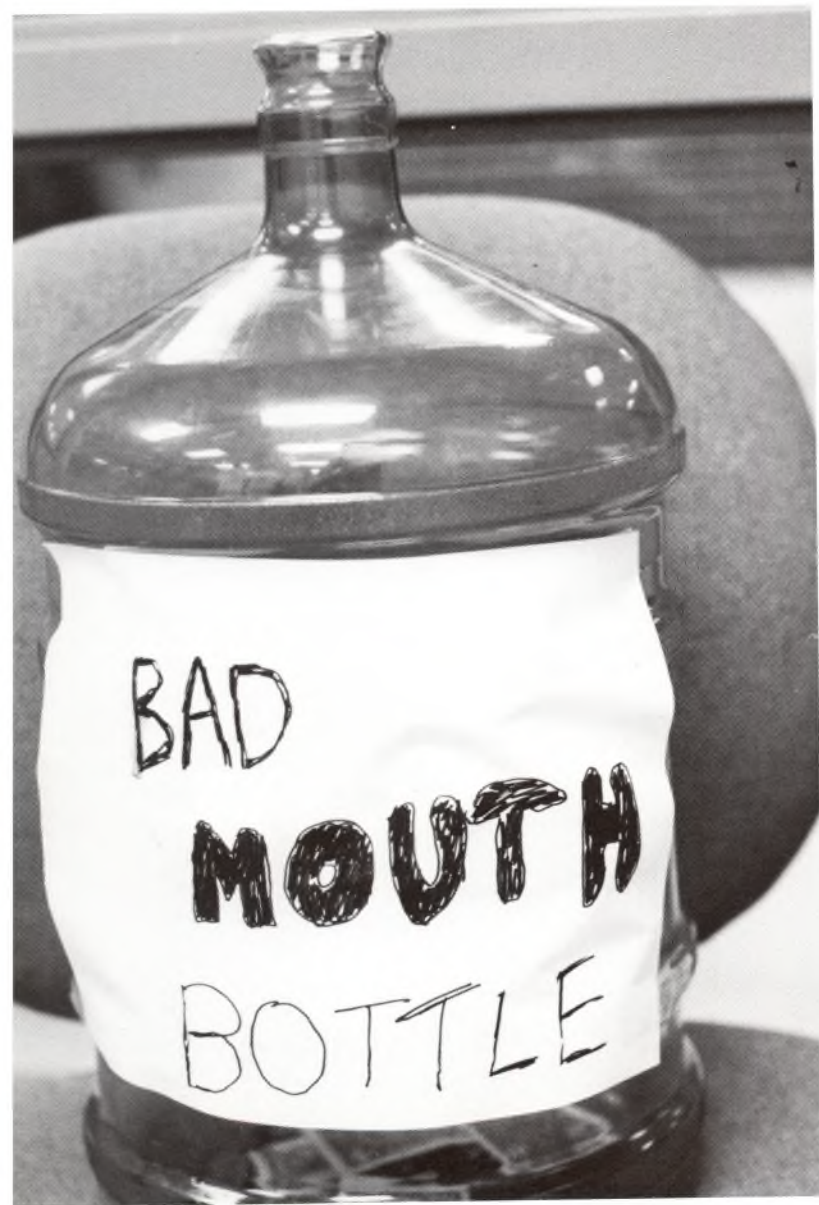

Christmas  
time in the Lord  
is giving of yourself,  
caroling  
by the Salvation Army bell ringer,  
and helping fellow Christians  
in the inner-city.

January brings  
new beginnings,  
a new year,  
and a new semester.

A winter in the Lord  
is pulling through  
the snow and gray,  
sharing talents  
in the Fine Arts Festival,  
and teamwork  
on the court.

Spring break offers  
another chance  
to serve.  
Flowers  
unfold  
reminding us of  
Easter  
and the great sacrifice  
of Jesus  
and  
his wonderful gift  
of life.

So we give in thanks,  
 ornamenting the school  
 with flowers  
 and working  
 hard to finish the year.  
 The temperatures rise  
 with spirits  
 until  
 we explode into June.

Some say good-bye  
 for the summer,  
 but others  
 march down the aisle  
 on graduation night  
 looking  
 forward  
 to new friends,  
 new schools,  
 new challenges  
 and a new life  
 in the Lord.

With us  
 we take the memories  
 of two,  
 four,  
 or twelve years  
 spent  
 growing in the Lord.

For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.

Ephesians 2:10

However, this was better than expected because only two players with varsity experience returned from last year. The team's conference record was 5-2 and 7-4 overall. With only one senior leaving, the Trojans look to be powerful again in 1994. The frosh-soph. Trojans finished with an undefeated record in the league.

# GIRL'S TRACK ROMPS!

The 1993 girl's track team enjoyed a season of many firsts!

It was a season that began with the Private School League's indoor relays where the team broke three league records. The outdoor season started with the third consecutive year winning the Riverside-Brookfield Invitational. Next came the successful defense of the Christian School Invitational hosted by Calvin College. The meet was highlighted by senior Heather Sikkenga's four first place finishes and her being named the meet's outstanding performer with a record-tying :59.4 in the 400 meter dash.

Next the team successfully defended its PSL outdoor championship in dominating style - winning 13 of 17 events and outpacing second place Nazareth by 109 points. Again three league records were set - sophomore Shannon Frigo in the 100M high hurdles (:15.5), Heather Sikkenga in the 400M dash (:57.7), and the 1600M relay team (4:13.6) composed of sophomores Stefanie Boerema, Siiri Rimpila, Lora Vandenberg, and junior Erica Smit.

The season of "firsts" took on a special meaning with the IHSA sectionals held at Lisle. Senior Heather Sikkenga (first in the 100, 200, and 400 meter dashes), junior Kathy Greenfield (first in the 1600, and 3200 meter runs), and sophomore Stefanie Boerema (first in the long jump and 300 meter low hurdles) led the team to 67 points and a first ever sectional championship in girl's track.

With 11 individuals and two relays qualifying for the State Finals, the possibility of a good showing at Eastern Illinois in the Class A competition appeared real.

It was at the state level where the line of first place awards stopped. No individual competitor took first, BUT an outstanding two-day team performance carried the Trojans to a more significant first - **a team championship in the Class A State Finals.**

The 52 point total was achieved by eight girls placing in 10 events. Senior Heather Sikkenga took third in the 200, fourth in the 400, and anchored the fourth place medley relay. Junior Kathy Greenfield narrowly missed two individual championships finishing second in the 1600 and third in the 3200 (both by .5 of a second). Erica Smit, also a junior, finished third in the 800 and led off the sixth place 1600 meter relay. Sophomore Stefanie Boerema contributed points in four events - The 100 meter high hurdles (6th), 300 meter low hurdles (4th) and both the medley and 1600 meter relays. Fellow sophomore Shannon Frigo placed fourth in the high hurdles. Finally, key relay members included sophomores Siiri Rimpila (1600 and medley), Lora Vandenberg (1600), and freshman Sheralynn Manasse, who started the medley relay.

In summary, it was a great season of dedication, effort, and accomplishment!

Timothy's 1993 Mock Trial completed an amazing year with a second place finish in the state tournament. Coach Roelofs had expected a rebuilding year with only one student returning from last year's team, and only two seniors on the squad. After a mediocre showing at the DuPage County competition, the Timothy team traveled to Springfield. Timothy, the smallest school in the competition, shocked everyone by capturing second place in the state!

# FEATURES

# OPERATION BODY BUILDING

The body is a unit,  
though it is made up of many parts;  
and though all its parts are many, they  
form one body, so that there should be  
no division in the body, but that its parts  
should have equal concern for  
each other.

If one part suffers, every part suffers  
with it; if one part is honored, every part  
is honored, every part rejoices with it.

# THE HOVING ERA

**MR. HOVING RETIRES AS SUPERINTENDENT AFTER 35 YEARS**

Upon graduating from Calvin College, Mr. Hoving began teaching at Timothy Christian Schools in 1958. He taught math and science to junior and senior high students at the building on 60th Court in Cicero. His starting salary was \$3,700 (he made more money driving a Pepsi truck during the summer than he did during the rest of the year).

He moved with the high school in 1962 to the new building in Elmhurst and began coaching freshmen and frosh-soph boys basketball as well as golf.

He was named dean of students in 1964 and coached the frosh-soph boys basketball team to Timothy's first P.S.L. championship. In 1967, Mr. Hoving coached the boys varsity basketball team to a first place championship in the P.S.L. tournament.

He became principal of the high school in 1969 and superintendent in 1978 (the same year that he began administering the Timothy Foundation). In 1975, he cheered the boys basketball team on as they went downstate and came home with the second place state trophy in class A.

In 1976, he initiated Timothy's membership into the North Central Association and in 1980 he spearheaded a \$1.5 million construction project to enlarge the grade school and build a bus maintenance facility. In 1984, he oversaw the \$3.5 million addition to the high school and grade school which added two media centers to our campus, and a fine arts wing and auditorium to the high school.

Mr. Hoving has been active on several boards including the C.S.I. Pension & Insurance Board, the Illinois High School Association Legislative Commission (of which he was the first non-public school principal to be elected) and he has also served as the C.S.I. District III board representative.

Mr. Hoving and his wife, Lois, educated their three children at Timothy and the six oldest of their nine grandchildren are now enrolled here.

Mr. Hoving will retire this year from his position as superintendent after 35 years with Timothy and 25 years in administration. He has attended almost 300 regular school board meetings as well as countless committee meetings dealing with education, finances, buildings, admissions and busing. He has taught, coached, or been principal to hundreds of students. He will surely be remembered for his many accomplishments but it may well be the little things he did for us and with us that we will remember the most.

Thank you, Mr. Hoving, for a job well done! We wish you and your wife God's richest blessings. May He continue to use both of you in powerful ways as you work in His kingdom.

■ Erica Smit and Kathy Greenfield keyed Timothy Christian's seventh-place finish with third- and fourth-place runs in the Class A girls race. All seven runners return for veteran coach Don Greenfield, who watched his team miss a trophy last year by one point. "It would've been nice to erase that memory with a trophy, but we'll be back," said the coach. "Erica did a great job of breaking the pack, and they kept the team framework while still finishing well." "We wanted to run a passing race because that helps us psychologically," said Kathy Greenfield.

The logo for Spiegel is written in a bold, black, cursive script. The letters are thick and slightly irregular, giving it a hand-drawn or stamped appearance. The 'S' is particularly large and loops around the 'p'. The 'i' has a small dot, and the 'e' is open at the top. The 'g' has a long, sweeping tail that extends to the right. The 'y' is also cursive, with a small loop at the bottom. The overall style is informal and personal.

You're Finished! Hurray!

# SAGA

*Being on Saga this year meant:*

Mr. H. and the Saga computer.

"Muscle in."

Playing H-O-R-S-E with Megan's shoes.

Chad's persistent question;

"What does the cover look like?"

Carl at every meeting?

"Nicole, go find a planet."

"What's up with you?"

The secret phone code.
