

HEAR YE!

HEAR YE!

Dear Parents,

For the health and safety of all our students, we are asking **every** student K4–6th grade to have their **own** set of headphones to use. **These headphones should remain at school and not kept in backpacks where they are easily broken and often left at home.**

Headphone Requirements:

- Standard 3.5 mm jack
- **No Bluetooth** - This doesn't work well in the tech lab or when devices are in close proximity to other devices..
- Sized to fit your child
- No microphone needed
- **4th - 6th only:** Earbuds are ok to use IF students can put them in without help.
- Foldable is ok but not required. Please note, they do tend to break more easily.

Labeling instructions:

- Completely unpack the headphones and take off any twist ties and plastic pieces that may be used in packaging.
- With a permanent marker, please write the first and last name ON the headphones.
- Place headphones in a Ziplock type bag. Please make sure the headphones can **easily** be put in and taken out by your student. **Gallon size bags** work best for headphones, while quart size bags are fine for earbuds.
- With a permanent marker, label the outside of the bag with first and last name, grade, and teacher's name.

Thank you!
