

Dear 9th Grade Students & Families,

The 9th-grade team teachers are pleased to share the following streamlined supply list for 2022-23 school year. We have developed the following list to address our goals of minimizing cost and more effectively supporting student learning and organization. Individual teachers may have specific supply requests for certain assignments throughout the year; however, students should have the following supplies for individual use. If you are having trouble finding the exact item, a comparable replacement is acceptable.

9th Grade School Supply List 2022-2023 School Year
