July 2022

Good Morning Parent(s):

The 2022-2023 school year will bring some changes to our Guidance Department at Pequannock Township High School. PTHS is excited to welcome Ms. Alexandra Blau and Mrs. Caitlin Fitzpatrick to our School Counseling Team. Ms. Blau will be taking over for Mrs. Escudero who retired at the end of the school year. We wish Mrs. Escudero all the best in her retirement. Mrs. Fitzpatrick will be replacing Mrs. Caprice who has left the district to pursue another career.

Ms. Blau joins the department having spent the last year as an intern working with all of the counselors at PTHS and PV. Ms. Blau had a well-rounded experience working with our students to assist with their social, emotional, and educational needs. Mrs. Fitzpatrick comes to Pequannock with thirteen years of experience as a school counselor, where she assisted students in achieving their goals moving into college or other post-secondary options. Both counselors will be excellent additions to the guidance team, joining Ms. Andresen, Mrs. Marshall and Mrs. Jacobs, who will continue with the responsibilities of our Student Assistance Counselor.

Over the next few weeks, our counselors will be reaching out to the students and families that they will be working with at PTHS. Please be on the lookout for introductory letters from them. Counselors will be available at various times throughout the summer. If you have any questions, don't hesitate to contact the PTHS Guidance Department or reach out to your school counselor via email.

Best Regards,

Mark Frederick

Supervisor of Student Services 6-12
