ARCHDIOCESE OF GALVESTON-HOUSTON

Safe Haven Training for Non-Archdiocesan Users

Getting Started:

1. Go to <https://galvestonhouston.cmgconnect.org/>

New to training? Create an account by completing all the boxes under **“Register for a New Account”**. This includes address, primary parish, and how you participate at your parish or school. You will need to select **Private NON Archdiocesan School Employee/Volunteer** to be assigned the correct training curriculum.

Please do not create a new account if you completed VIRTUS after 2014 - you will already have an account in the system.

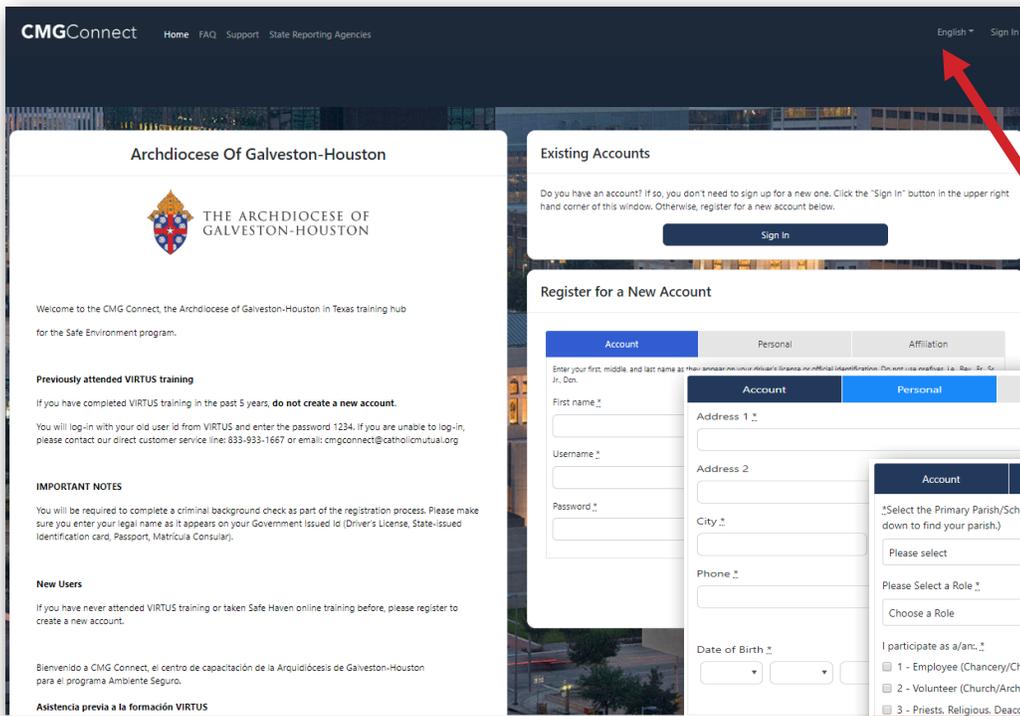

Previous VIRTUS training? Click the “Sign In” button in the upper right corner of the page and use your VIRTUS username and password: **1234**. You will be prompted to update to a more secure password. Once signed in, you can update your account information from the “Edit Profile” tab.

2. Your dashboard will show you the required and optional training curriculums that have been customized for your particular category within the Archdiocese.
3. Click **Start** for **Safe Haven Training (NON-Archdiocesan) - AGH** to begin.
4. If needed, you can download your completion certificate of the training after you are certified. To access, log in to return to your training dashboard and click the gray **Print Certificate** button underneath the completed curriculum.

For more information, please use your FAQ or Support tab at the top of the screen.
