2430 CO-CURRICULAR ACTIVITIES

The Board of Education believes that the goals and objectives of this district are best achieved by a diversity of learning experiences, some of which are more appropriately conducted outside the regular instructional program of the school. The purpose of such co-curricular activities shall be to develop leadership capacities and good organizational skills, to aid in the socialization of pupils, and to enable pupils to explore a wider range of individual interests than might be available in the regular curricular program.

The Board shall make school facilities, supplies, and equipment available and assign staff members for the support of a program of co-curricular activities for pupils in grades K through twelve. The Board shall maintain the program of co-curricular activities at no cost to participating pupils, except that pupils may be required to provide supplies in accordance with Board Policy No. 2520 on instructional supplies and pupils may be required to assume all or part of the costs of travel and attendance at co-curricular events and trips.

For purposes of this policy, co-curricular activities are those activities conducted on or off school premises by clubs, associations, and organizations of pupils sponsored by the Board and do not include athletic competitions and practices. Co-curricular activities must be related to the curriculum but are not offered for credit toward promotion or graduation and are ordinarily conducted wholly or partly outside the regular school day.

A student in any grade must maintain a satisfactory record of attendance to be eligible for participation in co-curricular activities. No student who has an unexcused absence for a school day may participate in a co-curricular activity scheduled for the afternoon or evening of that school day.

The Board expressly declines to create a limited open forum for activities initiated by pupils. Accordingly, a group of pupils who wish to meet on school premises shall apply to the building principal for permission to meet and must demonstrate to the principal the relationship of their meeting to the curriculum. The principal shall permit only those meetings that relate specifically to the curriculum.
