

Parking Lot Painting

Thursday, August 4th 5:30-10:30am, Saturday, August 6th 5:30-10:30am

Make Up Day - August 13th 5:30-10:30am

Please note the guidelines below that must be followed for the painted parking spaces:

- **It will get ridiculously hot.** You will want to be here as early as possible and be cleaned up and ready to leave at 10:30am.
- WATER-BASED EXTERIOR LATEX paint is the only type of paint that can be used.
- No Reflective paint; No Spray paint; No Fluorescent paint; No Glitter.
- You must keep a 6" unpainted border between the white parking space lines and the paint in their parking spot. (Please use blue painter's tape.)
- Paints are to be purchased by the student.
- Cleanup will be required during the days of painting. Please keep this in mind and allow for enough time to pick up after yourself. **You will need to take all the remaining paint home for proper disposal.**
- **You may only paint while a school employee is present.**
- You may purchase WATER-BASED EXTERIOR LATEX paint at retail stores like Sherwin Williams, Lowe's, or Home Depot.
- The use of stencils is highly encouraged. There are many online companies who provide this service for a reasonable fee. <https://www.stencilonline.com>, <https://www.lazerdesigns.com/custom-cut-logo-text-stencils>, <https://www.stencilease.com>
- You will need to transport all supplies from the Junior/Sophomore parking lot. Bringing a cart of some kind will simplify this process.
- The parking space is 9'X 18' with the space for painting at
- Some things that are extremely helpful to bring:
 - Wagon or cart
 - Stencils
 - Chair
 - Broom or leaf blower to clean space
 - Tape measure
 - Extender pole for paint roller
 - Paper towels/rags
 - Small table
 - Trash bags
 - Extra brushes
 - Painter's tape
