TEACHER QUALIFICATIONS AND DISCRIMINATION POLICY

TEACHERS' QUALIFICATIONS ARE AVAILABLE TO PARENTS:

As parents of a student attending school in the Conneaut School District, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers. It also requires us to provide you with this information in a timely manner if you ask for it. Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

- Whether the Pennsylvania Department of Education has licensed or qualified the teacher for the grades and subjects he or she teaches.
- Whether the Pennsylvania Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under State regulations because of special circumstances.
- The teachers' college major, whether the teacher has any advanced degrees and, if so, the subject of the degrees.
- Whether any teacher's aides or similar paraprofessionals provide services to your child and, if they do, their qualifications.

If you would like to receive any of this information, please contact Mr. Jarrin Sperry, Superintendent at 814-683-5900 or at jarrin.sperry@conneautsd.org.

DISCRIMINATION POLICY:

It is the policy of the Conneaut School District not to discriminate on the basis of sex, handicap, race, color, or national origin in its educational and vocational programs, activities, or employment as required by Title IX, Section 504, and Title VI. For information relevant to this policy contact Mr. Jarrin Sperry, 504 Coordinator, and Title IX Coordinator, 219 West School Drive, Linesville, PA 16424, 814-683-5900.

RULES FOR STUDENT CONDUCT

Policy #218.2

Adopted: April 13, 1994 Revised: July 13, 2022

Purpose:

Each student within the District has an individual responsibility to abide by all laws and rules of student conduct. Failure to assume this responsibility will result in disciplinary actions.

Guidelines:

The following rules and guidelines have been formulated to effect orderly conduct within the District buildings, grounds and vehicles. These rules of student conduct are set forth by class of offense and indicate a measure of punishment. The administration of penalties or consequences noted shall at all times be in compliance with regulations noted in:

1. Title 22 - Education; Part 1, Pennsylvania State Board of Education; Subpart A, Miscellaneous Provisions; Chapter 12, Students.
2. Conneaut School District Board Policy - 218, 218.1, 218.2, 218.3.

These guidelines refer to students' rights and due process. Parents/Guardians may be contacted at any level of infraction.

To conduct him/herself appropriately in school, the student must learn the basic discipline guidelines from both the school and the home. Discipline must be looked upon as important and necessary by the student, the parent(s)/guardian(s), and the school. Unacceptable forms of student behavior can be organized into four categories:

1st Level: Acts of misbehavior resolved by the classroom teacher and/or principal or designee.

2nd Level: Misbehaviors, which by their seriousness or frequency, require disciplinary action by the principal or designee.

3rd & 4th Level: Misbehaviors which are extremely serious, highly disruptive and/or illegal or criminal in nature and are addressed by the principal or designee.

This section identifies some unacceptable student behaviors and cites the disciplinary action(s) violators can expect. **NOTE:** This is only a listing of some violations and possible disciplinary actions. **This list is not all inclusive, nor is it in any particular order.** Final decisions regarding the type and/or pervasiveness/severity of the behavior and the disciplinary consequences to be applied are at the discretion of the administration. In all cases, disciplinary action may be accelerated for repeat offenders and/or due to the pervasiveness/severity of the offense when taking into consideration evidence uncovered during the course of investigating the incident in question. It should also be noted that administration reserves the right to revoke or deny privileges based upon student behavior.

4	*Math
1	Computer Course
+ 3	Health/Physical Education
18	<u>Total Credits</u>
+ 8	Electives - (Additional courses from among those approved for credit toward graduation by the School District, including approved career & technical courses.)
<u>26</u>	<u>Total Units of Credits</u>

*Students are required to take one (1) math credit in their junior year.

**Students attending Crawford County Career and Technical Center should take four (4) credits of mathematics to fulfill recommended course sequencing unless impossible to schedule.

*Credit will be given for remedial classes taken to pass the Keystone Exams.

GRADUATION: Graduation exercises are to be considered a privilege and not a right. Therefore, student participation can be limited due to violation of the school and District's rules, policies, and procedures. All graduation practices are mandatory, if a practice is missed, the student will be unable to participate in the graduation ceremony.

GRADE PLACEMENT:

Credits Needed to Move From:

9th to 10th grade – 6.0 credits

10th to 11th grade – 12.0 credits

11th to 12th grade – 18.0 credits

Grade placement in senior high school is determined on the basis of credits earned.

GRADING

Percentage grades are used to report individual progress of students.

Grading Scale: A (93-100); B (85-92); C (73-84); D (65-72); F (0-64)

There are two (2) grading periods during the semester. Each grading period consists of 45 instructional days. Report cards are distributed one week after the close of the grading period.

Students are assessed on a multitude of criteria such as assessments, quizzes, essays, tests, and forum discussions. Students have immediate and continuous access to grades by logging into eSchool. Grades for assessments and tests will be posted within 1 – 2 school days from the date they were submitted. Student GPA and class rank will be calculated by the school district. Report cards and progress reports will be distributed by the student's home school.

An incomplete grade may be given on the quarterly report card if the student's make-up days overlap with a quarter-end date. The student will have ten days after the end of the marking period to complete any work, or the incomplete assignment grade(s) may change to 0%. The supervisor will be notified of incompletes for semester grades and may request a conference with the student and parent/guardian.

If a student would like to retake a test, the student must request a retake for the test through the teacher. The teacher will determine if the request is appropriate and will make appropriate accommodations.

WEIGHTED GRADES - The philosophy behind weighting a course is based on the premise that a grade in a more academically challenging course should carry more point value than the same grade given in a less challenging course. The point value has been established at 1.1. The following is a list of those courses that will be considered for weighted grades:

Subjects		
Algebra II	AP Literature	Biology II
Geometry	AP Biology	Microbiology
Trigonometry	AP Comp Science	Anatomy Physiology
Pre-Calculus	AP Chemistry	Physics
Calculus	Organic Chemistry	German III, IV & V
College Prep English 9-12	Inorganic Chemistry	Spanish III, IV & V

DUAL ENROLLMENT PROGRAM: Allows high school juniors and seniors to take college courses and high school courses at the same time while earning credit for both. Student will need to speak to their School Counselor for more information.

HONOR ROLL: All subjects are considered in determining placement on the Honor Roll. Grade point averages are calculated based upon the units of credits and the student's grade in that course. Example (for one semester):

SUBJECT	CREDIT	GRADE	POINTS
English	1.0	92	92.0
Chemistry	1.0	88 (1.1)	96.8
Computer I	1.0	86	86.0
Health	0.5	98	49.0
Physical Education	0.5	99	49.5
TOTALS:	4.0	463	373.3

Quality Point Average = Quality Points/Credits

Example: $373.3 \div 4.0 = \text{QPA (Grade Point Average)}$

The overall QPA required earning placement on the Honor Roll:

95% - 100% HIGH HONORS (with no grade lower than 85%)

91% - 94% HONORS (with only one (1) grade lower than 85% but not lower than 77%)

FOR GRADUATION PURPOSES, HIGH HONORS AND HONORS ARE BASED ON THE CUMULATIVE AVERAGE OF ALL FINAL GRADES. CLASS RANK SHALL BE COMPUTED BY THE FINAL PERCENTAGE IN ALL SUBJECTS.

A student's grade percentage shall be carried out to FOUR (4) decimal places only and will not be rounded up or down. Any two (2) or more students who have computed percentage averages which are identical shall be given the same rank. The rank of the student who immediately follows a tied position will be determined by the number of students preceding him/her and not by the rank of the person preceding him/her.

Weighted grades will be used for the purpose of determining honor roll and class rank.

VALEDICTORIAN: Graduating senior who has achieved the highest grade point average in grades 9 through 12.

SALUTATORIAN: Graduating senior who has achieved the second highest grade point average in grades 9 through 12.

FINAL GRADES: The final grade in any full credit course is calculated as shown in the following example:

SENIOR HIGH	GRADE	FACTOR
First Grading Period	84	$\times 2.25 = 189$
Second Grading Period	88	$\times 2.25 = 198$
Third Grading Period	80	$\times 2.25 = 180$
Fourth Grading Period	72	$\times 2.25 = 162$
Final Exam	72	$\times 1 = 72$
TOTAL		(10) 801

Final Grade: $801 \div 10 = 80.1\%$ (or 80%)

Final exams in courses which are less than one full credit are optional.

LATE WORK POLICY

Students have one week from the close of an assignment or a quiz to complete it to receive half credit. After one week all NTIs will be calculated as zeroes. Unless you experience a once in a lifetime opportunity or tragedy, this policy will be strictly adhered to. An exception to this policy must be discussed with your teacher(s) prior to this experience occurring.

If you have missed any assignments or quizzes, you must complete the following steps to submit your missing work or to ask for a quiz to be reopened.

Late assignments:

1. For your missing work, go back into the assignment and open it up.
2. Go into your Canvas INBOX and create a message to your teacher. Use the TITLE of the lesson as the SUBJECT of the message.
3. Then write your reflection, etc. in the message. Attach any necessary files for this assignment to this message.
4. Create a NEW message for EACH missing assignment.

Late quizzes:

1. You will need to message your teacher via Canvas INBOX to politely ask for a Quiz to be reopened.
2. If the teacher allows you to make up the quiz, then the quiz will be opened only for you.
3. After you have completed the quiz, please send your teacher a message via Canvas INBOX to let me know it needs to be graded.

ASSIGNMENT POLICY

First assignments for the Cyber school year will be posted the first Monday of the school calendar. The cyber school year will finish on the last full day of the school calendar. We follow the school calendar between and including those dates. All assignments will be delivered through Canvas assignments and quizzes. The optional use of Modules and sorting the assignment page by type is allowed, but is optional and will be communicated to you from your teacher if you'll be using one of these features.

New assignments/quizzes will be posted on Wednesdays.

All assignments/quizzes will have at least 5 school days of availability for full credit.

All Canvas assignments/quizzes will have similar or even identical titles to the titles used in the eSchool gradebook.

TESTING POLICY

Mandated testing

Cyber students are required to participate in all school and state-mandated assessments. Students will communicate with their supervisor on the date and time that they are to arrive at the local school to take specified assessments.

Advanced Placement Exams

Students wishing to take AP exams must work with the school's guidance counselor to determine date, time and location. The cost of AP exams is the responsibility of the student, unless stated otherwise by the teacher.

SAT

Students wishing to take SAT exams must contact the school's guidance counselor to determine date, time and location.

PHYSICAL EDUCATION POLICY

Physical education requirements may be satisfied by participating in organized lessons, activities, and events. Students that choose to participate in physical activities must work with their supervisor and teacher to develop a fitness plan and keep a log of their activities. Typically, a fitness tracker is assigned to each student participating in the course in order to track and log their workouts.

ATHLETIC AND CLUB ELIGIBILITY

Students wishing to participate in Conneaut School District's athletic program or clubs will need to express interest to their supervisor. The supervisor, in turn, will give the student the appropriate details of the club or program including academic restrictions. The school district has the authority to enforce academic probation on any student that is participating in a club or activity. Supervisors will work with students, parents and coaches/directors to assist students that are in danger of academic probation.

CONTACTING STAFF

To contact a teacher, the preferred method is via Canvas INBOX. Only use a staff member's email if Canvas is not available. See Canvas Guide at the end of this handbook for more information about how to access Canvas INBOX.

HOME ACCESS CENTER

Parent(s)/guardian(s) are encouraged to monitor their students' academic progress by accessing the Home Access Center website located on the Conneaut School District Website; www.conneautsd.org. Students are also encouraged to monitor their academic progress. Students will be reminded of their login information at the beginning of each school year. If parents/guardians need their login information, please contact the school office. If you have questions or problems accessing the Home Access Center website, contact the school office.

CRAWFORD COUNTY CAREER & TECHNICAL CENTER

The Crawford County Career & Technical Center (CCCTC) is the major center of occupational and technical skill training for secondary students and adults in the county. Four out of five jobs in the next ten years will require some type of trade or technical training according to the U.S. Bureau of Labor Statistics.

At the Career and Technical Center, students have a chance to learn a life supporting skill, a way to "Learn To Earn." Seventeen programs spanning a variety of careers are available for high school students. People with specific job skills have an advantage when seeking jobs which offer better pay or advancement. Career-Technical skills can open many doors. Upon graduation, students can enter the work force, begin an apprentice program, go to trade/technical schools or go to college. Learning a skill is an investment in one's future.

During the fall, all Freshmen will attend a three-hour field trip to tour the Crawford County Career and Technical Center. This field trip is during the school day and chaperoned by teachers and counselors. If a student indicates an interest in any of the programs, they will then return to the CCCTC later in the year to do half-day work sessions in those programs. Freshmen will be informed by the end of the year whether they have been accepted into the program of their choice.

CRAWFORD COUNTY CAREER & TECHNICAL CENTER ENROLLMENT PROCESS

SEPTEMBER – 9TH-GRADE ORIENTATIONS

Fliers are mailed out "To the Parent/Guardians of..." all 9th-grade students prior to school starting. These explain the programs available to them through the Crawford County Career & Technical Center (CCCTC) and give a general outline of the enrollment process. As school is starting, postcards go out to all 10th-, 11th- and 12th-grade students, reminding them that CCCTC courses are an option available to them. Mailing address information is obtained from the sending districts during the summer.

The CCCTC counselor visits each sending school to give one-period orientations to 9th-grade students and distribute Program Guides, containing application forms, for them to take home and discuss with their parent/guardians. Detailed information for each program may also be found at the school website, www.crawfordctc.org, High School Programs.

OCTOBER - 9TH GRADE TOURS/APPLICATIONS

9th-grade students do a half-day tour of the programs at CCCTC. Students fill out Interest forms before leaving the Career & Technical Center, indicating up to three shops they would like to look at more closely. Postcards are mailed to the students from the instructor of their program-of-first-choice, reminding the student to fill out an application form and return it to their home-school counselor. Additional application forms can be obtained from the counselors or at www.crawfordctc.org.

OCTOBER/NOVEMBER – OPEN HOUSE

A day is chosen for Open House. Hours are during both sessions of school as well as in the evening. Postcards with the date and times are mailed to 7th- through 12th-grade students from the sending schools. Address data is provided by the districts.

NOVEMBER – INTERVIEWS & SENDING-SCHOOL INTENT

The sending-school counselors set up a schedule with the CCCTC counselor to interview applicants. A copy of transcripts for 7th- and 8th-grades as well as a copy of the 9th-grade report card for each applicant is attached to the completed Application. This will be given to the CCCTC counselor (or special populations coordinator if the applicant has an I.E.P.) on the day of interviews.

CCCTC prepares Intent letters for students who were accepted the previous year as 9th-graders to start two-year programs during the next year as 11th-graders. The purpose is to give students the opportunity to indicate if their chosen program is still their career intention. These are given to the home-school counselors for the accepted students to complete, and then are returned to CCCTC.

DECEMBER – IN-HOUSE INTENT

Any current CCCTC students who are expected to return for the next school year are given In-House Intent forms to complete. This gives students an opportunity to indicate if they wish to remain in their current program, return to a full-time schedule at their home school, or be considered for an opening in another CCCTC shop. Any student who indicates they wish to transfer to a different CCCTC program will be scheduled for a work session, if they did not previously have one for that shop.

JANUARY/FEBRUARY - WORK SESSIONS

New applicants come to CCCTC for half-day work sessions, in up to three different shops they have chosen, to determine if they want to attend CCCTC. The students complete Final Intent After Work Sessions forms to indicate if they wish to enroll in work session course(s), and order of preference.

FEBRUARY/MARCH - ACCEPTANCE PROCESS

Students are accepted into programs based on the CCCTC Student Application/Selection Policy. Accept notices are given to sending-school counselors to distribute. Each student signs their accept notice after marking whether or not he/she will attend the indicated CCCTC course. Sending-school counselors return the signed accept notices to CCCTC.

Any student not directly accepted into a program will be mailed a Parent/Guardian Conference letter (acceptance pending outcome of conference) or given a Wait List notice. Wait lists are maintained for courses with more requests than openings. If an accepted student decides not to attend, moves, etc., then another student is selected from the wait list for that program. This can happen at any time up through the beginning of the scheduled enrollment year.

MARCH/APRIL - HOME SCHOOL/CCCTC SCHEDULING & MAKE-UP WORK SESSIONS

Make-up work sessions are scheduled for applicants who were absent or applied late. Any work sessions done after the acceptances will be for programs with openings still available or for placement on program wait lists.

Sending-school counselors help students set up a half-day CCCTC, half-day sending school schedule for the appropriate school year. With careful planning, students can attend CCCTC and complete all graduation requirements.

NCAA CLEARING HOUSE INFORMATION

If you are a student athlete interested in competing in intercollegiate athletics, the National Collegiate Athletic Association (NCAA) has established criteria that must be followed. You may access additional information at NCAA.org and discuss your academic and athletic requirements and guidelines with the school's principal, school counselor and athletic director.

ATTENDANCE

State Law provides that parents/legal guardians are responsible for ensuring that their student(s) attends school. Students taking online courses are expected to follow the school calendar. Full-time online students will arrange an appropriate schedule with their assigned supervisor. Students are expected to log in to Canvas each school calendar day to communicate with their supervisor. Failure to log in and communicate with the supervisor will result in an unexcused absence. Students not attending school as mandated by the law will be considered truant. Students and their legal guardians are subject to local truancy laws and regulations.

Excused Absences

Conneaut School District recognizes that circumstances occur that will keep a student from completing daily lessons and signing into the system. These types of absences are considered excused absences and should fall into one of the categories below. Students are expected to work with their supervisor and online teachers to make up any missed work.

- **Absence due to illness, health condition, family emergency:** The parent or legal guardian is expected to notify the assigned supervisor via email before the absence unless the situation does not provide such opportunity. A doctor's note must be provided if the student misses three consecutive days due to illness.
- **Participation in school-approved activity:** In order to be granted an excused absence the activity must be authorized by the supervisor and parent/guardian. The affected online teachers must be notified before the event.
- **Parent/guardian request for temporary absence:** Upon parent/guardian request, the supervisor and appropriate school district personnel may temporarily excuse a student for agreed reasons. The request should be submitted in writing in advance and should state the reason and duration of the absence. An absence may not be approved if it is deemed to be detrimental to the student's academic progress.
- **Disciplinary actions:** Absences due to temporary suspensions are deemed excused for attendance record keeping.

Unexcused Absences

Any absence that does not fall into an excused absence category or is not adequately documented will be considered an unexcused absence. The parent or legal guardian will be notified of any unexcused absence. If two unexcused absences occur in a month a conference between the parent/guardian, supervisor, and student will occur. After three or more unexcused absences occurring in a month, an action plan will be determined to ensure student success. If a student has ten or more consecutive unexcused absences, he/she will be considered withdrawn from Conneaut School District.

STUDENT CHANGE OF ADDRESS

If you have a change of address or phone number, report it to the office immediately, so that your school records are correct. We maintain emergency information so that we are able to contact a responsible person should you become ill or are involved in an accident. Please call or stop by the office with any corrections or changes.

ACTIVITIES ATTENDANCE

Failure to be in attendance for cyber school on any given day disallows participation in the activity for that day. Students who are absent from school are not permitted to attend and/or participate in any school activity or function. Exceptions are medical excuses, family emergencies, and/or approval of the Principal or Assistant Principal.

SCHOOL CLOSING

Since we follow the school calendar for Cyber School, if school is cancelled for the day, then it is also considered cancelled for Cyber School as staff will not be working that day. We will make the day up later in the school year, typically on a Snow Day or as additional days added to the end of the school year. If you would like to continue working on a cancelled day, you may do so, but be aware there's no guarantee you will get help from staff online and the Cyber Lounges will also be closed during these closures.

ATHLETIC EXTRACURRICULAR ACTIVITIES

- **Physical Examinations** – (All Student Athletes are required to have an annual physical.) However, P.I.A.A. regulations require that the standard C.I.P.P.E. 6 section form be utilized – no exceptions. These forms are available in the office of the high school. Parents must complete Sections 1-5 prior to the physical. Section 6 will be completed by the examiner.
- **Eligibility** –
 - To conform to PIAA regulations, student athletes in Conneaut School District may compete for junior varsity or varsity competition in grades 9-12 in all sports to include cheerleading. Students in grades 7-9 must also conform to PIAA regulations and are eligible to participate on the junior high level.
 - The principal or designee is responsible for determining academic eligibility of students involved in extra-curricular activities.
 - Student scholastic eligibility shall be determined on a weekly basis during each grading period by maintaining a sixty-five percent (65%) in a minimum of six (6) out of eight (8)

courses. Students cannot fail the same course two (2) weeks in a row. Students who participate in any extracurricular activity are subject to this requirement. Students who do not meet the requirement in the preceding paragraph are given a one (1) week warning to become eligible. During this week the student athlete may practice and play in games. If the student remains ineligible the following week they are classified as ineligible. #1, which means they may practice but cannot participate in games. #2, which means they cannot practice or play in any contest. Student athletes who are ineligible three (3) consecutive weeks (not counting the warning week) OR a combination of four (4) weeks of ineligibility during the course of the season are dropped from their team roster. PIAA does require that all students must be passing four (4) full credit courses at all times to be eligible.

- Eligibility for all students involved in extra-curricular activities will be completed/determined on a week-to-week basis. Grades in each subject will be calculated as a cumulative grade across one grading period.
- At the end of the week preceding the first PIAA sanction, athletic contest or competition, eligibility will be determined for the week of the first contest. Eligibility sheets will be given out to teachers every Friday (or the last school day of that week). Students and coaches will be informed on or before the following Monday of the student's eligible status. Eligibility will continue to be determined throughout post-season play. At the end of a semester, the grade for the course (final average) will supersede the six weeks, the student will be eligible. If a student fails the six weeks, but passes the class, they will be allowed to participate.
- The Conneaut School District academic guidelines for a minimum number of credits passed per year is (6) out of (8). This translates into a student must pass 6 out of 8 credits taken in each grading period and no student may fail more than (1) credit per grading period to be eligible for extracurricular activities. If a student, at the end of a grading period, is academically ineligible, that student will be required to sit out of practices and games for (10) consecutive school days. At the end of the 10-day ineligible period, a student must be passing all subjects currently being taken to be reinstated into the extra-curricular program. The Conneaut School District requires minimum academic guidelines that are higher than that of the PIAA minimum standards. However, the 10-day exclusion from extra-curricular activity does follow PIAA guidelines. The exclusion period will begin the day after report cards are distributed.
- At the end of the school year a student cannot be failing more than two credits. If so, the student will be suspended from extra-curricular activities for the first 10 days of the next school year. This also excludes students from pre-season workouts.
- If the proper number of credits is successfully completed over the summer to correct the deficiency, the student shall be eligible for extra-curricular activities beginning immediately.
- Students participating in athletic events and/or extra-curricular activities of any type shall be in attendance at school as follows; middle school by 9:00 am and high school by 10:00 am. If a student arrives late to school on or before the designated time, a valid excuse must be presented. If a student is absent from school or arrives after the designated time, that student is automatically ineligible to participate in the practice or event for that day. Exceptions are medical excuses, family emergencies, school related activities, legal

appointments or an unusual event that is beyond the students control that must be approved by the principal.

- A student who has been absent from school during a school year for a total of 20 days or more shall not be eligible to participate in any extra-curricular practices or contest. Once a student has missed 20 or more days, he/she must be in attendance for a total of 60 school days following his/her 20th day of absence. During the 60 days the student is ineligible to participate in any extra-curricular activity. Exceptions are as follows; confining illness, quarantine, confining injury, death in the immediate family, court-issued confinement, court or legal issued absences. Absences that are out of the ordinary and do not fit any of the guidelines above could be reviewed by a special committee made up of the athletic director and principal. Attendance at summer school does not count toward the 60 days required.
- A four-member panel will be appointed at each school to deal with only the most difficult eligibility concerns, which occur between grading periods. This panel will consist of the principal, school counselor; athletic director and one teacher to be named at each school. The appointed teacher will serve for minimum of one (1) year. (This panel concept was taken from input suggested by P.I.A.A.)

ATHLETIC PRACTICES

Conneaut School District has a closed practice rule in which all athletic practices are considered closed to all individuals but team members, coaches and other related team personnel. Parent(s)/guardian(s) are permitted to enter the practice area 15 minutes prior to the announced practice ending time.

HOW ABSENCE AFFECTS ELIGIBILITY

A pupil who has been absent from school during a semester for a total of twenty (20) or more school days, shall not be able to participate in any athletic event until he has been in attendance for a total of sixty (60) school days following his twentieth day of absence, except where there is a consecutive absence of five (5) or more school days, due to continuing illness, injury, death in the immediate family as directed in Section 1154 of the Public School code of 1949, as amended, court subpoena, or quarantine, such absence may be waived from the application of this rule by the District Committee. Attendance at summer school is not included in the sixty (60) days required."

"Absence from school for an entire semester, or for several semesters, shall disqualify a pupil for the same period as stated in this section." In cases where a student's work in any preceding grading period does not meet the standards provided for in this article, said student shall be ineligible to participate in interscholastic athletics for the first twenty (20) school days of the next grading period, except as provided in Section 5.

On days of in school or out of school suspension, the student is declared ineligible for participation in practices, games, or events. Suspension of students from athletic teams must be consistent with school suspension procedures.

Rules and regulations pertaining to athletics can be found in the Conneaut School District Athletic Handbook.

STUDENT EDUCATIONAL TRIPS

The Supervisor shall approve all parent requests for students to be absent. Students who wish to go on an educational trip shall present a written request from their parent or guardian. The request will state the destination and specific dates of absence. The request must be presented to the Supervisor **one or more weeks in advance of the trip, preferably on an Education Field Trip Request form, which is available in the school office.** Students are expected to make up work missed as soon as possible. They will be given as many days to turn in work as they are out.

FIELD TRIPS AND SOCIAL ACTIVITIES

Full-time online students are encouraged to participate in school-sponsored activities. Students must comply with all school policies and not be on disciplinary action. Students wishing to attend field trips or social activities must first notify their supervisors and teacher hosting the field trip and make proper arrangements with the school district. Once arrangements are made and permission is granted, students will then notify their online teachers of their excused absence. Students are responsible for completing missed work during the field trip or social activity.

Full-time online students should remember that they are still a member of their school district and therefore should dress appropriately. School district dress code policy will be enforced, and any student found in violation of the dress code policy will not be allowed to participate in the field trip or social activity. Students also should be aware that when they attend a school district related function they are representing their local school and community. They should conduct themselves in an appropriate manner at all times as their conduct is a direct reflection on themselves, their families and their school.

EXTRACURRICULAR ACTIVITY TRIPS, SOCIAL EVENTS AND CLASS TRIPS: Policy #231

The Board recognizes the value of student social events and activity trips in enhancing and enriching the school experience for the children of the Conneaut School District. As voluntary participants in school extracurricular activities, social events and class trips, students shall be held responsible for compliance with rules set forth in advance for their conduct, and infractions of those rules will be subject to the same disciplinary measures as are applied during the regular school program.

Participation in social events and activity trips is not a right and may be denied to any student who has demonstrated disregard for the rules of the school. Rules and expectations governing all school sponsored trips are set forth in Policy #231. All misbehavior related to school sponsored trips will be governed by Policy #231 and, if applicable, the Conneaut Area Senior High Rules for Student Conduct.

Any student who violates the rules and regulations governing students' conduct while on extended field trips, in addition to any other disciplinary action taken in accordance to the rules and regulations governing student conduct, shall be prohibited from participating in any subsequent student activity, social event or class trip for the remainder of the school year.

STUDENT ASSISTANCE PROGRAM

Many students have issues which interfere with their educational performance, and may interfere with their physical, mental, social, and emotional development as well. When students are troubled, so are teachers, counselors, administrators, other school staff, as well as you, the parent/guardian. The **Student Assistance Program (SAP)** is designed to help the student, the school, and you.

The Core Team is a group of school personnel whom, along with Core Team Liaisons who represent mental health and alcohol and other drug treatment systems, motivate at-risk students into seeking appropriate help through SAP.

The **Student Assistance Program** is a systematic, professional, and realistic response to students' problems in our school. The Core Team in your student's school has been trained to:

1. Identify...Not Diagnose...students who are troubled by physical, social, emotional or chemical use problems, which are, in some way, affecting their school performance. It is the role of the SAP Team to identify concerns for students and provide the necessary assistance. We are not mental health professionals and do not diagnose. The Core Team is responsible to voice concerns and refers students to the proper professional services when necessary.
2. Intervene and refer students and families for an assessment when warranted.
3. Focus on educational concerns rather than an attempt to resolve major social problems.
4. Utilize school staff and community resources when necessary.
5. Enlist the support and involvement of parent(s)/guardian(s) in helping the student.

STUDENT RIGHTS AND RESPONSIBILITIES: Policy #235

The Board has the authority and responsibility to establish reasonable rules and regulations for the conduct and deportment of District students. At the same time, no student shall be deprived of equal treatment and equal access to the educational program, due process, a presumption of innocence, and free expression and association with these guidelines.

Attendant upon the rights established for each student are certain responsibilities, which include respect for the rights of others, obedience to properly constituted school authority and compliance with the rules and regulations of this district.

School rules are assured to be reasonable until rescinded or waived. Students are responsible to be aware of and to obey school rules, even while working, through proper channels to change school rules with which they disagree.

RELEASE OF STUDENT DIRECTORY INFORMATION: The District reserves the right to disclose directory information of a student without the prior written consent of the student's parent or guardian. Directory information includes the student's name, address, telephone number, electronic mail address, photograph, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student and other similar information. Schools regularly feature many of their events and activities in

various local publications and on the Internet. These published materials often include photographs of students engaged in school functions or other types of directory information. Some parents may not want their child(ren)'s photograph or other directory information released to any form of the media or in any publication. As a parent, if you have objections to the release of any form of directory information regarding your child (ren), you must notify your respective school in writing. **Any written objection will be honored only from the date it is received.** However, the District will require prior written consent of the parent or guardian before placing any personally identifiable information concerning a student on District social media.

NONDISCRIMINATION: Policy #103, #103.1, #104: It is the policy of the Conneaut School District to provide an equal opportunity for all students to achieve their maximum potential through programs offered in the schools without discrimination on the basis of race, color, age, creed, religion, sex, sexual orientation, ancestry, national origin, marital status, pregnancy or handicap/disability.

The District strives to maintain a safe, positive learning environment for all students free from discrimination. Discrimination is inconsistent with the educational and programmatic goals of the District and is prohibited on school grounds, at school-sponsored activities and on any conveyance providing transportation to or from a school entity or school-sponsored activity.

The District shall provide to all students, without discrimination, course offerings, counseling, assistance, services, employment, athletics and extracurricular activities. The District shall make reasonable accommodations for identified physical and mental impairments that constitute handicaps and disabilities, consistent with the requirements of federal and state laws and regulations.

The District has established complaint procedure for addressing claims of discrimination. If you believe you have been the victim of discrimination, or have witnessed discrimination, you should inform your Building Principal; or if you do not feel that you could go to your Principal, another District Administrator will inform you of the procedures and take your claim.

SEXUAL HARRASSMENT: Policy #103: It is the policy of the Conneaut School District to maintain a learning and working environment, free from sexual harassment. It shall be a violation of this policy for any staff member of the Conneaut School District to harass another staff member or student through conduct or communications of sexual nature such as, unwelcomed sexual advances, requests for sexual favors, and other inappropriate verbal, nonverbal, written, graphic or physical conduct of sexual nature when made by any member of the school staff to another staff member, when made by any member of the school staff to a student, when made by any student to another student, or when made by any student to a staff member.

UNLAWFUL HARRASSMENT: Policy #103: It is the policy of the Conneaut School District to maintain a positive learning climate for students in the school and to maintain an educational environment in which harassment in any form is not tolerated.

All CSD employees and students have a responsibility for maintaining high standards of conduct and ethical behavior. The conduct which violates these standards is prohibited. The Board prohibits all

forms of unlawful harassment of students by all District students and staff members, contracted individuals and vendors, and volunteers in the schools.

The term **harassment** includes but is not limited to slurs, jokes or other verbal, graphic or physical conduct relating to an individual's race, color, religion, ancestry, sex, national origin, age or handicap/disability.

The District has an established complaint procedure for addressing claims of unlawful harassment. If you believe you have been the victim of unlawful harassment, or have witnessed unlawful harassment, you should inform your Building Principal; or if you do not feel that you could go to your Principal, another District Administrator will inform you of the procedures and take your claim.

A substantiated charge of unlawful harassment against a student shall subject that student to disciplinary action including suspension or expulsion.

BULLYING/CYBER BULLYING/HARASSMENT AND INTIMIDATION: POLICY #249

All students have a right to a safe and healthy school environment. The District, schools and community have an obligation to promote mutual respect, tolerance, and acceptance.

Students who have been bullied or cyberbullied shall promptly report such incidents to the building administrator/School District employees.

Complaints of bullying or cyberbullying shall be investigated promptly, and corrective action shall be taken when a complaint is verified. Neither reprisals nor retaliation shall occur as a result of the submission of a complaint.

MILITARY RECRUITER INFORMATION: Conneaut School District high schools, in compliance with Act 10 of 1991, will provide eligible Armed Forces recruiters a listing of all students expected to graduate, including name, home address, and telephone number. Any student who wishes

to have their name and information excluded from the list must give written notification of that request to the school district. Lists are provided to recruiters in the summer between sophomore and junior years, so written notification must be given prior to the end of the sophomore year.

VIDEO SURVEILLANCE SYSTEMS: Video Surveillance systems are used in each school building to protect the safety and security of the individuals and their property from harm. The use of video surveillance is strictly monitored and controlled to ensure the protection of individual rights and compliance with federal and state laws addressing issues such as wiretapping/electronic surveillance and the privacy and disclosure of student records. School District Policy No 709.1 Video Camera Surveillance addresses video surveillance systems further.

STUDENT ACTIVITIES: There are a variety of activities that students can be involved in at the Conneaut Area Senior High (CASH), including band/chorus, a variety of sports, Yearbook, FFA, Student Council, Drama, Dance, Environmental, Spanish, Junior and Senior Class and Newspaper, to name a few. Students serving in school or out of school suspension shall not be permitted to participate in or attend school activities during the period of suspension.

GUIDANCE SERVICES: The Guidance Department, with its "open door" policy, provides a variety of services in an attempt to meet the needs of the student body. Services include, but are not limited to:

- Individual and group assessment
- Career awareness and planning
- Course and program scheduling
- Counseling

The Guidance Department works closely with parents, school personnel, and the community in providing these services.

MANDATED REPORTER Act 126 requires the reporting of child abuse to the Dept. of Public Welfare by school personnel, as all personnel are considered mandated reporters.

LIBRARY REGULATIONS: The library is the center of learning built around a collection of books and other communication media which are an important part of the student's academic life. The librarian will assist students in locating materials and direct students to other special services that may fit their particular needs. A HOLD will be placed on grades and other records of any student who fails to return overdue library materials. Lost or damaged materials are the responsibility of the student who signed out the material. Students are admitted to the library on presentation of a hall pass signed by a teacher and approved by the librarian.

STUDENT NEWSPAPER AND PUBLICATIONS: School newspapers and publications shall conform to the following:

1. Students have a right to report the news and to editorialize within the provisions of paragraphs (4) and (5).

2. School officials shall supervise student newspapers published with school equipment, remove obscene or libelous material, and edit other material that would cause a substantial disruption or interference with school activities.
3. School officials may not censor or restrict materials simply because it is critical of the school or the Administration.
4. Prior to approval, procedures regarding copy for school newspapers shall identify the individual to whom the material is to be submitted and shall establish a limitation on the time required to make a decision. If the prescribed time for approval lapses without a decision, the material shall be considered authorized for distribution.
5. Students who are not members of the newspaper staff shall have access to its pages. Written criteria for submission of material by non-staff members shall be developed and distributed to all students.

TEXTBOOKS/ELECTRONIC DEVICES: Students are expected to take care of all textbooks/electronic devices assigned to them. Restitution will be required for any textbook/electronic device which is lost or damaged, at the current replacement cost.

WORKING PAPERS: Working papers will be issued from the office of the Principal. Students must pick up forms and instructions from the Secretary.

INSURANCE: Student insurance is available to all students. The insurance can be purchased throughout the year by inquiring at the main office. The Conneaut School District would like to emphasize to all parents and legal guardians of students that they are responsible for medical bills incurred during the day. This does not include interscholastic athletics. The District covers all participants both in games and practice within the terms of the Policy. Parents are encouraged to purchase student insurance, either school time or 24-hour coverage for their children. This is especially important if the student is not currently covered under a family policy. Information concerning student insurance will be sent home with students at the beginning of the school term.

PARENT CONFERENCES: Parent conferences are held for all elementary and offered to middle and high school students. Information will be sent home announcing conferences. Parents may request a parent/teacher conference at any time.

HEALTH INFORMATION

The Pennsylvania School Code requires immunization for the following diseases before entry into school: diphtheria, pertussis, tetanus and polio, four doses with one being given on or after the student's 4th birthday; MMR, two doses; Hepatitis B, three doses; and varicella (chickenpox), two doses or written documentation of disease. Additionally, students entering seventh grade are required to have a Tetanus and diphtheria toxoids and acellular pertussis vaccine (Tdap), one dose; and one dose of Meningococcal Conjugate Vaccine (MCV). Entry into 12th grade requires a booster dose of MCV. Upon registering your child, please provide, in writing, all shot records with the immunization dates. If there is a medical reason why your child shall not be fully immunized, please send a certificate from

your physician stating the reason. If you object to immunizations for religious reasons, the State requires that you fill out special forms every school year.

Students who do not provide documentation of grade level required immunizations may be excluded on the 4th day of school in that school year and each succeeding school year that the child fails to obtain the required immunizations.

Acquaint school personnel, particularly the teacher and nurse, of any special health problems which your child may have.

Provide your child with good nutritious meals and follow good health habits - brushing teeth, washing hands before meals and after lavatory, covering mouth when coughing and sneezing, etc. Assure adequate sleep patterns.

Provide your child with good health care. Any illness that requires three (3) or more days of absence from school is considered serious enough to warrant a call to your family doctor and following his/her advice. A recuperating child should remain at home at least 24 hours with a normal temperature reading. Returning too soon may result in a relapse. Do NOT send a child to school that has been vomiting or running a fever the night before. **NOTE:** Do not give aspirin products for fever or chickenpox. No child may attend school with any contagious rash, sores, inflamed eyes, scabies, or live head lice. These conditions respond readily to treatment and readmission to school is permitted 24 hours after treatment by a doctor.

It is extremely rare for a child who has been immunized to contract either rubeola or rubella. In such cases, follow your physician's advice regarding returning to school. There is no exclusion period for chicken pox after the rash has stopped erupting. The child should stay home until the fever has subsided and the child feels well. He or she may return with the scabs.

Scarlet fever is in the same class as streptococcal sore throat. The child should be under a doctor's care and return only when completely well.

When a child returns to school after an absence, please send an excuse with him/her indicating the reason for the absence, and the dates of the absence.

Only first aid is given at school. In the case of serious injury or illness, the parent will be notified immediately. A second telephone number should be listed in case the parent is not at home.

Any child in kindergarten and 3rd grade, that has not returned a dental examination form, **will** be examined by the school dental hygienist. This is an examination **only**, no work will be done. Any child who has not returned a private medical form in kindergarten must provide a parent permission form to be examined by the school physician. You are invited to be present.

Hearing will be tested on all students in kindergarten, grades 1, 2, and 3. Vision will be tested every year.

SUSPENSION AND EXPULSION

The Board recognizes that exclusion from the educational program of the schools, whether by suspension or expulsion, is the most severe sanction that can be imposed on a student and one that cannot be imposed without due process. The Board shall define and publish the types of offenses that would lead to exclusion from school. Exclusions affecting students with disabilities shall also be governed by applicable state and federal law and regulations.

The board may, after a proper hearing, suspend or expel a student for such time as it deems necessary, or may permanently expel a student.

ALTERNATIVE EDUCATION PROGRAM

The Alternative Education Program is designed to bring the schools into compliance with the current Board policy and Discipline Code. It is designed in response to the on-going concern with students who continue to be a major disruption to the education process. This program is necessary to remove disruptive students from the regular classroom settings after normal interventions have been exhausted, as per the K-12 Discipline Code.

1. Students can be assigned to this program for a minimum of 15 days and a maximum of 45 days, per assignment.
2. A person holding a Teaching or Special Education Certificate is qualified to direct this program of individualized study. Dually certified teachers will be given preference.
3. All efforts will be made to keep the student current with academics happening in the regular classroom. In addition, a behavioral component will be added to address the student's disruptive conduct.
4. Alternative Education staff and the classroom teacher will keep in close contact regarding the student's educational program to keep current on those activities for transition back into the regular classroom. Exit criteria from the Alternative Education Program will be established through conferencing of all appropriate staff.
5. Transition from the Alternative Education Program back to the regular education setting will be monitored closely by the Principal.
6. Evaluation and success of the program will be measured by improved behavior in all classroom settings.
7. Forty-five (45) days of staffing will be allotted to each school at the discretion of the building Principal.
8. Location of the Program will be designated by each Principal.
9. Before a Special Education student can be placed in the Alternative Education Program, the IEP Team, including the Principal and Director of Special Education, must reconvene to determine whether the child's IEP is working, that a behavior management plan has been implemented, and if the child's behavior is a manifestation of the child's disability. If the behavior is not a manifestation of the child's disability, THE CHILD MAY BE DISCIPLINED IN THE SAME MANNER AS OTHER STUDENTS WHO VIOLATE THE SCHOOL POLICY. If the behavior is a manifestation of the child's disability, the IEP Team and the Principal must determine what modifications, if any, need to be made to the IEP. If the child's behavior involves possession of a weapon, or the illegal use, possession or distribution of drugs, a Principal may change the educational placement of the child for up to forty-five (45) days. Within the 45-

day period, the child's IEP Team is required to investigate the incident and determine an alternative placement. If the child's parent disagrees with the alternative placement, they can request a due process hearing. Before a special education student can be placed into the Alternative Education Program, the student must be unsuccessful in an IEP behavior plan for a minimum of six (6) weeks. The behavior plan of the IEP should have the Alternative Education Program specified as a consequence.

10. If the behavior plan of the IEP for the special education student is not working, and the IEP Team and Principal and Director of Special Education determine that the special education student should be placed into the Alternative Education Program, a re-evaluation must be conducted on the student as well as a new NOREP and new IEP.
11. When writing the IEP, if there is no special education teacher teaching the Alternative Education Program, then a consultative IEP should be written with a special education teacher listed on the IEP as a consultant.
12. Special Education students are not entitled to specials when placed in the Alternative Education Program. This should be indicated in the IEP. The only special a student could receive would be Adaptive Physical Education, as long as the IEP team agrees the child requires it. It would then need to be written into the IEP.

Please feel free to contact the school should you have any questions regarding this or any other components of the student discipline code.

They are as follows:

- The right to inspect and review the student's education records within 45 days of the day the Local Education Agency (LEA) receives a written request for access.

The supervisor of student records will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

- The right to request the amendment of the student's education records that the parent(s)/guardian(s) or eligible student believes are inaccurate or misleading.

The parents or eligible students should write the supervisor of student records, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the LEA decides not to amend the record as requested by the parent or eligible student, the LEA will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

NOTICE OF INTEGRATED PEST MANAGEMENT

The Conneaut School District uses an Integrated Pest Management (IPM) approach for managing insects, rodents and weeds. The District's goal is to protect every student from pesticide exposure by using an IPM approach to pest management. The District's IPM approach focuses on making the school building and grounds an unfavorable habitat for these pests by removing food and water sources and eliminating their hiding and breeding places. We accomplish this through routine cleaning

and maintenance. We routinely monitor the school building and grounds to detect any pests that are present. Pest monitoring is performed by the District's building custodial, maintenance, office, and teaching staff. Pest sightings are reported to our IPM Coordinator who evaluates the "pest problem" and determines the appropriate pest management techniques to address the problem. The techniques can include increased sanitation, modifying storage practices, sealing entry points, physically removing the pest, etc.

From time to time, it may be necessary to use chemicals to manage a pest problem. Chemicals will only be used when necessary, and will not be routinely applied. When chemicals are used, the school will try to use the least toxic product when possible. Applications will be made only after normal school hours. Notices will be posted in these areas 72 hours prior to application and for two days following the application.

Parent or guardians of students enrolled in the Conneaut School District MAY REQUEST prior notification of specific pesticide applications made at the school of their child's enrollment. To receive notification, you must be placed on that school's notification registry. If you would like to be placed on the registry, please notify, in writing, the IPM Recorder at the Central Administration Office, 219 West School Drive, Linesville, PA 16424. Please include your e-mail address if you would like to be notified electronically.

If a chemical application must be made to control an emergency pest problem (ex: stinging insects), notice will be provided by telephone to any parent or guardian who has requested such notification in writing. Exemptions to this notification include disinfectants and anti-microbial products; self-containerized bait placed in areas not accessible to students, and gel type baits placed in cracks, crevices or voids.

Notification Registries will be updated annually. To remain on the registry, you must contact the Building Principal of the school your child is enrolled in before the start of each school year.

If you have any questions, please contact your Building Principal or the IPM Coordinator. The IPM Coordinator can be reached at (814) 683-5900.

USING YOUR FITNESS TRACKER (IF APPLICABLE)

In order to use this device, you'll need an account provided by the Supervisor of Online Learning, Troy Messerall. Contact Mr. Messerall using one of the following methods:

Your fitness tracker is a Garmin Vivosmart 4. The replacement cost is 129 plus applicable taxes and fees. In order to get your fitness tracker working, you'll need to follow these steps:

Download the app and setting it up:

<https://tinyurl.com/csdcyberfitnesstracker>
- On your own personal device (smart phone, laptop with Bluetooth, etc.) go to:
 - connect.garmin.com
- Download Garmin Connect app (iOS or Google Play depending on your device) and install it.

- Tap the person figure.
- Tap run.
- Double tap the button and it'll start timing you. Start your workout now!

**THE FOLLOWING PAGES INCLUDE
FORMS AND AGREEMENTS
THAT MUST BE COMPLETED AND
RETURNED TO THE SUPERVISOR
IMMEDIATELY BEFORE BEGINNING
CLASSES.**

A student that enters our cyber academy must be diligent, responsible, and independent. They must have strong skills in reading, writing, and communication. They must have a strong understanding of technology and feel comfortable learning through technology. The following will be required and adhered to by all Conneaut Cyber Academy students and parents.

Sections 1 – 3 apply to full time cyber students only:

1. Students new to the Cyber Academy will attend a Cyber Boot Camp as follows:
 - Cyber Boot Camp can be attended in-person or virtually. In-person bootcamp occurs at the beginning of the school year (further information will be delivered regarding this). Alternatively, the student can attend the Boot Camp virtually through Canvas in the Cyber Academy Home course where attendance is taken each day. The link for the Boot Camp is featured on the Cyber Academy Home page on Canvas. The virtual Boot Camp can be completed anytime, preferably at the beginning of the Cyber Academy experience. The Boot Camp will provide the following benefits:
 - i. Equipment retrieval (fitness tracker, books, workbooks, worksheets, etc.) – *if you're not attending the in-person Boot Camp, these can be picked up at an arranged time with Mr. Messerall.*
 - ii. Learn aspects of Canvas required for classes and assignments.
 - iii. Work through and submit assignments in their classes to set a routine.
 - iv. Students will communicate any needs or concerns.
2. Students will complete an attendance survey each day of the school calendar year. This will represent their school attendance. Attendance is mandatory. Any absence will be documented with a parent or guardian excuse. The excuses must be delivered to the home building secretary in person or by mail as stated in the student handbook. Failure to log in for attendance could result in a return to their home building for in-person learning.
3. Transportation to any district building is the responsibility of parents or guardian of the cyber student. The regular bus route CAN be utilized by any cyber student in lieu of parent or guardian transportation. The bus route would be at the normal pick up and drop off time for a high school student.
4. Students must maintain a minimum of a 73% in each class. If a student drops below that percent, the student will receive a weekly warning. If a student receives 3 or more warnings, the student will be required to return to their home building for in-person learning. Students with IEPs may receive additional warnings as well as maintain a 65% average instead of a 73% average.
 - NOTE: warnings reset at the beginning of each quarter
5. Students and Parents/Guardians are financially responsible for all computer and technology equipment that is damaged or not returned.
6. If a student has violated any policy or course/classroom rule, and a disciplinary form has been filed, that student will be disciplined by the Supervisor of Online Learning and Digital Resources. Disciplinary actions include but may not be limited to:
 - Additional strikes/warnings on the quarter

Section 7 applies to parents of K-4 Cyber Academy students:

7. In order for a K-4 student to participate in the Conneaut Cyber Academy, a parent, guardian, or adult must be available to guide the student through the course work and materials during regular school hours every school calendar day.

ACADEMIC INTEGRITY/PLAGIARISM POLICY FORM

It is expected that all work submitted for the purpose of meeting online course requirements represents the original efforts of the individual student. This includes, but is not limited to exams, homework, course assignments, and the original creation of essays, compositions, term papers, and scientific research. All work submitted by a student should be a true reflection of his or her effort and ability. If such is not the case, then the student has demonstrated unacceptable academic behavior and is subject to disciplinary action. Administrators, faculty, supervisors, students, and families are all important contributors to the upholding of academic integrity in the online learning community.

Plagiarism is defined as copying/stealing and passing off as one's own the ideas or words of another, using someone else's created product without crediting the source, or committing literary theft. Examples include the following:

- Turning in a paper retrieved from an Internet source as one's own.
- Using another student's work in whole or part and handing it in as one's own.
- Using information from an encyclopedia, book, textbook, web site, database, etc., without citing the source.
- Using another person's idea, opinion, or theory without citing the source.
- Using any facts, statistics, graphs, drawings, pictures, sounds or other pieces of information which you found from any source that is not common knowledge, without citing the source.
- Using quotations of another person's actual spoken or written word without citing the source.
- Paraphrasing (putting into your own words) another person's unique ideas, spoken or written, without citing the source.

As the Internet becomes increasingly more accessible and sophisticated, the incidents of plagiarism in submitted student papers and projects have increased. Many institutions of higher (post-high school) education penalize plagiarism with student expulsion. Therefore, in the interest of the student's future education, as well as the school's part in the personal development of students, the Conneaut School District will follow the policy on plagiarism as outlined below:

Plagiarism will result in a "zero" (no credit) on the assigned paper or project.

Teachers will provide written documentation of the plagiarism and will use the following procedure:

- Discussion with the student.
- Referral to the Supervisor of Online Learning.
- Call to parents by the Supervisor of Online Learning.
- Supervisor's referral to co-curricular coaches/supervisors and National Honor Society as applicable

We have read and understand the above policy and agree to abide by the rules of this policy.
