

# Word Puzzles (Level 1)

1. Cut apart the provided letters puzzle pieces, and work with just one page at a time.
2. Scramble letter puzzle pieces face up.
3. Ask your child to complete the word puzzles by matching the letter puzzle pieces.  
As your child connects each letter puzzle piece, he or she will blend the sounds together.
4. Ask your child to read the word.
5. To be sure your child knows the meaning of the word, you may ask him or her to use the word in a sentence. Or, explain what the word means and use it in a sentence.
6. Use the blank puzzle pieces to create your own words.
