

Friendswood Independent School District

2022-2023 ONLINE VERIFICATION

Parents Guide

Friendswood ISD Online Verification opens August 5 via Skyward!

The completion of this process is required for all NEW and RETURNING students of Friendswood ISD. Parents will be able to verify and update student, family, health information and emergency contacts. In addition, parents will upload current proof of residency documents and submit the required yearly district forms for each student. As a guide, please see the instructions below on how to access and complete the Online Verification process for your student.

1. Login to [Friendswood ISD Skyward Family Access](#) by entering your login and password.

Please keep in mind...

Online Verification Portal is available to only the guardians listed under Family # 1 for each student.

*Family #1 is determined by the address where the student primarily resides.

If this is your first time to access the site and/or you need to reset your password, please use the following link:

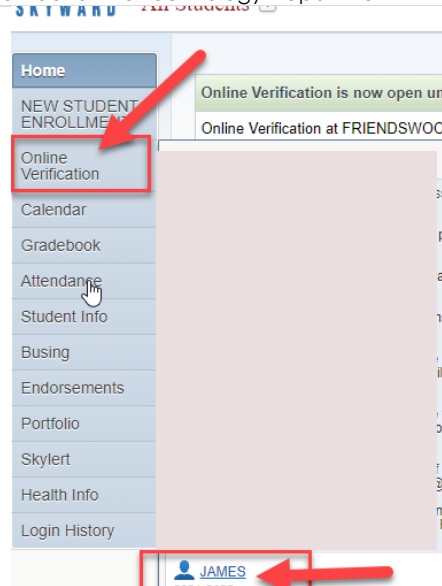

[Forgot your Login/Password?](#)

-or-

For any technical support, email us at helpdesk@fisd12.net and a member of the Technology Department will assist you.

2. To start the process, click on the **“Online Verification”** link listed on the left and click on your child's name link to access his/her registration.

NOTE: If you have multiple students in the district, the process needs to be completed for each student.

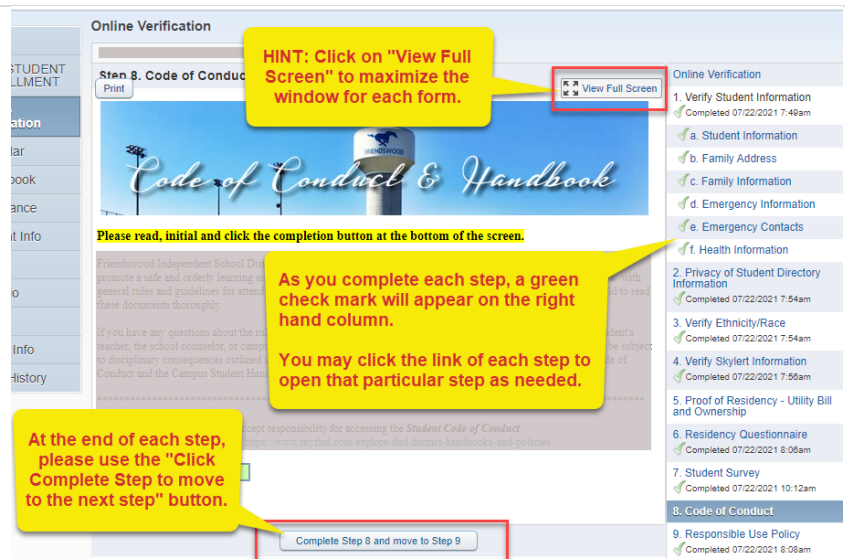

3. A list of steps will display in the right-hand column of your screen. Please **open each step to verify and submit information as indicated.**

Each step will include directions listed within the form indicating what to do for that step. Please read carefully to enter/update information as necessary.

Each step will display a button labeled “Complete Step xx and Move to Step xx”, click on the button to submit each step and continue with the process.

**The very last step will allow you to submit the online verification for your student.

At the end of the process, the **“REVIEW PAGE”** page will display all of the completed steps. Once all steps have a green checkmark, you will be able to click the **“SUBMIT ONLINE VERIFICATION”** button. Your student’s campus will receive and review the information and documents. They will contact you if there are questions or additional information is needed.
