

**ALBANY AREA SCHOOLS, ISD NO. 745**  
**PARENT/LEGAL GUARDIAN CONSENT FORM**

Parents of students are required to review the Internet Acceptable Use and Safety Policy with their child prior to access being granted to the student.

As a parent/legal guardian, I have read the Internet Acceptable Use and Safety Policy, and the Student Contract for Use signed by my child. I understand and accept the responsibilities and liabilities stated that are placed on me and my child/ward, as a result, should my child/ward violate the rules.

I understand that the Internet contains some material that is inappropriate for minors. I support the School District's position that students are individually responsible for not accessing such material. Unacceptable use of the School District's Internet access will result in possible suspension of privileges or other disciplines. I will not hold the School District liable for any inappropriate information my child may encounter by using the School District's Internet access and expressly agree to the disclaimer provisions contained in the Internet Acceptable Use and Safety Policy.

**Consent for Internet Publishing of Student Work**

I understand that from time to time my child's artwork, writing, or projects may be published on the Internet by the School District. No home address or telephone number will appear with such work. I grant the School District copyrights and privileges to reproduce, adapt, publish, and display my child's work on the Internet. Such publication is intended to further the educational mission of the School District and display students' work to an Internet audience.

**By completing your yearly update within the Infinite Campus Registration module, you agree to this policy and all its contents.**
