

# 9th/10th Grade Supply List

## Stillwater Area High School

### Systems of Organization

**9th and 10th-grade teachers are encouraging students to use a 3-Ring Binder System for the upcoming school year.** We do know that a 3-Ring Binder will not work for some students so we included a folder system supply list as well. 9th and 10th-grade students at SAHS will have access to lockers this year, however passing time is limited so all supplies should fit in their backpack -- lockers are intended more for storage of jackets, lunches, and other items which do not need to be obtained in between each class.

- Please bring your school-issued Chromebook to each class. (NOTE: Chromebooks will be assigned to students in September/October. If you need access to a device prior to delivery of your Chromebook, please contact the Technology Office.)
- All 9th and 10th-grade students will be given a SAHS Academic Planner.
- Some courses will have specific supply information shared directly by the teacher once school begins.
