Pike Preparatory Administration

Dear Pike Families, students, and proud community members,

My name is Mr. Randy Cooper, I am excited to welcome you to the 2023-24 school year as the principal at Pike Preparatory Academy here in MSD Pike Township. I am humbled and honored to have the opportunity for this role and continue to serve our district, families, and students. This is my fourteenth year in the district. My experience has mostly been at Pike High School as a math teacher, department chair, and an administrator, including most recently at the Pike Freshman Center.

Pike Preparatory Academy is a special place and serves our district in the critical role of providing a smaller environment and accelerated curriculum for our seniors to ultimately finish their graduation requirements and earn their High School diploma. That mission continues with the 2023-24 school year and will always be our first goal. We are able to accomplish this goal through structured educational experiences that directly facilitate learning for all students. Our dedicated teachers, guidance counselor, administrative professional, along with myself are committed to support the growth of our students in any situation or obstacle.

The 2023-24 Student/Parent Handbook provides an overview of our school's policies and procedures. If you have any questions about our expectations, please feel free to contact me or any of our outstanding staff. We feel strongly that you as well as our students are fully informed and communicated with at all times throughout the school year. We will always ensure a safe and supportive learning environment each day.

I want to personally thank each and every parent or guardian for the dedication and sacrifices you have made along the educational journey for our current students here at Pike Preparatory Academy. It is truly a privilege to be a part of the Metropolitan School District of Pike Township community and to provide this outstanding opportunity. Please feel free to call or email if there is anything I can do to support your PPA student this year.

Sincerely,

Mr. Randy J. Cooper, M.Ed.

Mi nombre es el Sr. Randy Cooper, me complace darle la bienvenida al año escolar 2023-24 como director de la Academia Preparatoria Pike aquí en MSD Pike Township. Me siento humilde y honrado de tener la oportunidad de desempeñar este papel y continuar sirviendo a nuestro distrito, familias y estudiantes. Este es mi decimocuarto año en el distrito. Mi experiencia ha sido principalmente en Pike High School como profesor de matemáticas, jefe de departamento y administrador, incluso más recientemente en el Pike Freshman Center.

Pike Preparatory Academy es un lugar especial y sirve a nuestro distrito en el papel crítico de proporcionar una opción más pequeña y acelerada para que nuestros estudiantes de último año finalmente terminen sus requisitos de graduación y obtengan su diploma de escuela secundaria. Esa misión continúa con el año escolar 2023-24 y siempre será nuestro primer objetivo. Podemos lograr este objetivo a través de experiencias educativas estructuradas que facilitan directamente el aprendizaje para todos los estudiantes. Nuestros dedicados maestros, consejeros de orientación, profesionales administrativos, junto conmigo estamos comprometidos a apoyar y hacer crecer a nuestros estudiantes con cualquier situación u obstáculo.

El Manual para estudiantes / padres 2023-24 proporciona una descripción general de las políticas y procedimientos de nuestra escuela. Si tiene alguna pregunta sobre nuestras expectativas, no dude en ponerse en contacto conmigo o con cualquiera de nuestro destacado personal. Pike Preparatory Academy Program Overview

Mission Statement

The mission of the Pike Preparatory Academy is to provide Pike High School seniors an alternative setting and opportunity to obtain a diploma at a pace more relevant to their individual lifestyles. These students are either behind in earned credits or face circumstances that hinder their success in the traditional school setting. Pike Preparatory Academy is an extension of Pike High School. Therefore, students remain active as Pike High School students, but they take their courses in the alternative setting until they meet the requirements necessary to earn a Pike High School Diploma.

All students who meet the graduation requirements participate in the Pike High School Graduation Ceremony at the conclusion of the school year.

Our mission is centered on three fundamental concepts of learning:

1. A flexed schedule for extended instructional time that provides students with an accelerated academic program. This program meets the individual needs of each student.
2. An enhanced relationship between teacher and student. Each high school student attending Pike Preparatory Program High School will have an Individual Service Plan (ISP) completed and followed. The classroom teacher to student ratio will be 15 students to every one teacher. This small class size allows teachers to serve as a valuable resource for students who need individual attention.
3. Empowerment opportunities, such as service learning, college readiness and career exploration prepare students to be productive members of society.

Pike Preparatory Academy Enrollment Process

The program is designed to help students due to graduate in the present year by catching up on their credits, so that they may graduate on time. Students who have challenging life situations (i.e. need to work, home life, personal matters, minor attendance), NOT major discipline matters or major attendance problems, are accepted.

- Minimum **20** credit requirement for students beginning 1st Quarter of Senior Year – (August)
- Minimum **24** credit requirement for students beginning 1st Quarter of Senior Year – (October)
- Minimum **28** credit requirement for students beginning 3rd Quarter of Senior Year – (January)
- Minimum **32** credit requirement for students beginning 4th Quarter of Senior Year – (March)
- Students are referred to Pike Preparatory Academy by their Pike High School counselor or administrator.
- Students attend informational and parent orientation meetings.

- Students and their families are notified from the PPA Principal if they are accepted into the program.

Section I - General Information

Cell Phone/ Electronic Device Usage

A student may possess a cellular telephone or other personal communication devices (PCD- personal communication device - may include but are not limited to: cell phones, iPads, and other devices designed to receive and send an electronic signal) in school, on school property, at after school activities and at school-related functions, provided that during school hours and on school vehicles the cellular telephone or other PCD remains off and out of sight. Students may not use cellular telephones or PCDs on school property or at a school-sponsored activity to gain access and/or view Internet websites that are otherwise blocked to students at school.

Also, during school activities when directed by the administrator or sponsor, cellular telephones and other PCDs shall be turned off (not just placed into vibrate or silent mode) and stored out of sight.

The requirement that cellular telephones and PCDs must be turned off will not apply if the student obtains prior approval from a teacher for educational purposes only or from the building principal. A teacher can also give permission, for an educational purpose.

The use of cellular telephones and other PCDs that contain built-in cameras is prohibited in locker rooms, classrooms, bathrooms and/or swimming pools.

Possession of a cellular telephone and other PCD by a student is a privilege, which may be forfeited by any student who fails to abide by the terms of this policy, or otherwise engages in misuse of this privilege.

Violations of this policy may result in disciplinary action and/or confiscation of the cellular telephone or PCD. If the cellular telephone or PCD is confiscated, it will be released/returned to the student's parent/guardian after the student complies with any other disciplinary consequence that is imposed. The building principal may also refer the matter to law enforcement if the violation involves an illegal activity (e.g., child pornography).

The student who possesses a cellular telephone or PCD is responsible for its care. **The Board is not responsible for preventing theft, loss, damage, or vandalism to cellular telephones or PCDs brought onto its property. The school administration is not required to and may not conduct a search for a lost or stolen communication device.**

Parents/guardians are advised that the best way to connect with their child during the school day is by calling the school office. Students may use school phones to contact parents/guardians during the school day.

Expectations

1. Cell Phones (personal communication devices) are to be powered off and remain out of sight during the school day unless you have permission by a classroom teacher or administrator.
2. Recording, creating, or sharing videos or pictures of other people while at school is strictly prohibited.

Consequences

Step 1

Step 2

Step 3

Step 4

*Depending on the severity of a cell phone violation, consequences may be accelerated at the discretion of administration.

Headphones

Large headphones are not permissible to be used during the school day.
“Ear-bud” style earpieces are allowed to be used during non-instructional time.

Communication

Communication is an important ingredient in the partnership between home and school. Information regarding various school events, lunch menus, and other pertinent information is communicated through email, E-dialer, voicemail,

newsletters, etc. You can also find information on the M.S.D. of Pike Township's website at www.pike.k12.in.us.

Curriculum Material Fee (previously Textbook Rental)

Curriculum material fees are established by the Board of Education. The fees vary each year due to the unpredictable costs of books and materials. The Metropolitan School District of Pike Township values and appreciates the promptness with which most of our families pay their curriculum material fees. It is our belief that this obligation is a responsibility all must take seriously so we can continue to provide our students with the books and materials they need in their education. Parents/guardians may complete an application for Federal assistance, which covers the expense of curriculum materials. All families are responsible for paying for Consumable Fees as these fees are not covered by the federal assistance program.

If a child's curriculum material fees are not paid or if regular payments are not made as agreed, the owed amount will be subject to collection agency procedures.

www.pike.k12.in.us

1. The distribution of any literature or material shall be prohibited which:
 - a. Is obscene as to minors,

 - c. Is productive or is likely to produce substantial and material interference with or delay normal classroom activity or normal school function due to its content or by the manner of distribution itself.
2. Literature or materials other than the kind described in item one (1) may be referred to as distributable literature. Such literature shall be subject to the following:

Nothing contained herein shall be construed as an indication that the Board of Education shall permit, without its express prior consent, the distribution of any literature or materials by any person who is not a regularly enrolled student in the specific school or schools where such is to be distributed.
4. The violation of any portion of this policy by a student regularly in the M.S.D. of Pike Township may cause a student to be suspended or expelled.
5. In the application of the foregoing policy pertaining to the distribution of literature or materials by students, school district staff shall take appropriate care to ensure that constitutional and other legal rights of such students to freedom of expression shall not be abridged. The policy shall combine a respect for the rights of students with an appropriate regard for the maintenance of the type of decorum and environment which are conducive to the accomplishment of the school district's overall purpose.
6. In the event any one or more provisions of this policy should be declared unconstitutional, such decision shall in no sense invalidate any other part of said policy.

Dress for Success

Our school philosophy emphasizes that education is to help the individual develop their potential in an atmosphere of self-discipline. The appearance and dress of any student is the primary responsibility of both the student and the parent. The careful regulation of student appearance and dress is the responsibility of the school. Student/staff health and safety, common decency, student school work,

and school and classroom order are all affected by grooming and dress. This basic dress code does not infringe on student's rights of freedom of expression, but rather encourages students to "dress for success" and come to school properly prepared to participate in the education process.

In order to reduce misunderstandings, the following examples are provided, but not limited to:

1. Cleanliness of person and apparel is required.
2. The maintenance of common decency and classroom order requires adequate coverage of the person. Any clothing which reveals undergarments or the lack of undergarments will be considered inappropriate. The length of shirts and tops must be long enough to allow them, if necessary, to be tucked into the student's pants, skirt or shorts. Shorts, skirts, and dresses must be of an appropriate length. Garments such as pajamas, tube skirts, tube tops, tops which reveal bare midriffs or backs, tops with plunging or revealing necklines, any see-through clothes are not permitted. Form fitting pants including but not limited to spandex/leotard/Yoga (flared or straight leg) type bottoms are not permitted without the appropriate length top. All leggings, tights/Yoga pants and hosiery must be covered to at least mid-thigh in the front and back.
3. Pants and shorts must be worn at the waistline allowing for no sagging pants. No unfastened or illuminated-sign belts will be allowed.
4. The maintenance of health and safety includes the wearing of shoes, sandals, or boots. No slippers are allowed.
5. Students may be required to wear special apparel items as required in classes, such as industrial technology, laboratories, family and consumer science and physical education.
6. Students will not be permitted to wear attire which advertises or promotes the use of alcohol, drugs, or other substances which, if used by a minor, would be illegal.
7. Any apparel, jewelry, cosmetic, make-up, notebook, supply materials or manner of grooming which by virtue of its color arrangement, trademark, or any other attitude denoting membership in a gang, advocating drug use of violence, or clothing bearing racially or sexually offensive messages, is unacceptable.
8. Clothing with paisley print and/or clothing which advertises, promotes, or via innuendo or double meaning, suggests inappropriate ideas or behavior not conducive to a positive school climate or is disruptive to the education environment of the school will not be permitted.
9. Attire that may cause personal injury or property damage is not to be worn, e.g. chains, studs, metal collars, etc. Grills are also not allowed.
10. All outerwear coats, jackets and gloves must be placed in lockers during the school day.
11. The wearing of hats, hoods, bandanas, bandanas with paisley print, or similar head apparel or non-prescription sunglasses is not allowed in the building; these items may not be worn or carried at any time during the school day.

12. Students are required to possess STUDENT IDENTIFICATION CARDS from 7:15 a.m. – 2:23 p.m. and at school sponsored activities. Student ID cards will be provided to all students. Students must use the ID provided by the school. No substitute ID cards will be allowed. Students will not be allowed in a classroom, media center, cafeteria, or any other school location without an official ID. Students are required to have an ID in order to leave the classroom and the ID must be out and visible while in the halls during instructional time. Students will be sent to the student services to purchase a replacement ID.

When a student or group of students varies in actions or dress from the above dress code, a determination by administrators will be made after a conference with student and/or parents.

Decisions will be based on these three points:

1. Disruptive influence for students and/or teachers
2. Health hazard
3. Safety

The following discipline guidelines will be implemented for student violations of the dress code:

First Offense: Warning

Second Offense: Guided Learning

Third Offense and subsequent offenses: Out of School Suspension

The Final determination regarding dress code issues/violations/consequences will be made and enforced by the administrators.

Early Release/Dismissal

Students are dismissed early on final exam days. Please refer to your school website for early dismissal dates and times.

Food Service

Breakfast Program

The Food Service Department is pleased to provide a free universal breakfast program that is open to all students in the district. Breakfast selections change daily, menus are available online at <http://pike.nutrislice.com/> or you can download the free Nutrislice app to any smartphone device.

Lunch Program

The Food Service Department is committed to providing a healthy and nutritious lunch to students. All students are eligible to participate in the National School Lunch Program.

Menus are planned following the guidelines set forth by the National School Lunch Program and are available online at <http://pike.nutrislice.com/> or you can download the free Nutrislice app to any smartphone device.

Methods of Payments

- Credit card payments can be made online via the www.myschoolbucks.com website. This is a great tool for parents to monitor student spending, view current balances, set spending limits, and low balance alerts.
- Students may make a payment at their school cafeteria's point of sale. School cafeterias accept check, cash, or money order.
- Checks or Money Orders should be made out to MSD of Pike Township with your child's student ID number noted on the memo line, and can only be deposited for the entire amount; no change will be given to students. Checks drawn off of a business account will not be accepted for lunch payments, and will be returned to you.
- Students who forget their money or do not have money left in their account may charge up to two school lunches. Ala Carte items may not be purchased.

Negative Balances

You must have money on your account to use your ID account, unless you receive free meal benefits. Students who forget their money or do not have money left in their account may charge up to two school lunches. You must have your student ID to make purchases if you do not have cash in hand. You will not be allowed to purchase or charge snacks or a la carte items if you have a negative balance. No charging will be permitted during the last two weeks of school. All negative balances must be paid to avoid collection action.

Meal Benefits

Our goal is to continue supporting all students and families by ensuring access to free school meals through the district's participation in the Community Eligibility Provision (CEP) of the National School Lunch Program. Students are eligible for free meal benefits upon school enrollment but must complete a free and reduced application for textbook assistance. Applications are confidential and available prior to the start of the school year. Parents or guardians can submit the application online at <http://msdpike.heartlandapps.com>. We encourage all parents to use the online method, however paper applications are also available from the Food Service Department or the school office.

The food service department will send e-mail communications regarding meal benefits and the online application link to all families in mid-July. All children (no matter which Pike

school they attend) are to be included on one application. DO NOT complete an application for each child. Incomplete applications will result in a delay of processing. Parents are financially responsible for any meals consumed prior to the application being processed.

If you have applied for free & reduced benefits and have not received a letter informing you of your benefit level, please contact the Food Service Office at (317) 387-2501 or via email at foodservice@pike.k12.in.us. In August and September, please allow up to 10 business days to process your application due to the high volume of submitted applications.

Additional Information

In an effort to model healthy eating habits, we encourage students to eat school lunches or bring in food from home that is of high nutritional value. Please do not bring in any food purchased at a restaurant. A school lunch includes your entrée, your choice of vegetable and fruit and a half pint of milk. A la carte items may be purchased for an additional cost.

To assist the lunchroom staff and supervisor in maintaining a pleasant atmosphere in the lunchroom at all times, the following suggestions are made:

1. Carryout/fast food items are not to be eaten in the school cafeterias. Use of delivery services such as (DoorDash, UberEats, etc.) is prohibited by students.
2. All food items and drinks must be consumed in the cafeteria.
3. Do not make purchases for others; buy only what will be eaten in the cafeteria.
4. To avoid confusion, keep the aisle clear for the return of empty trays and articles.
5. All spilled food should be reported immediately. The faculty supervisor or cafeteria manager will provide a mop, broom, dust pan, etc. Careless conduct by one person may cause another an accident or a cleaning bill.

Lockers

Student use of lockers owned by the school district shall adhere to IC 20-33-8-32 as enacted by the Indiana General Assembly and be subject to the following:

1. Any student using a school-owned locker shall have no expectation of privacy in such locker or its contents.
2. The school principal or their designee may search a locker and its contents at any time.
3. Other than a general search of lockers of all students, any search conducted shall be in the presence of the student to whom the locker is assigned where possible.
4. A master key or list of lock combinations shall be maintained at all times by the school principal or their designee for all lockers assigned to students.

5. Care of and/or damage to an individual locker shall be the responsibility of the student to whom it is assigned.
6. Students should not share lockers. Students must assume responsibility for locking their own lockers.
7. Students should take precautions to prevent others from observing their locker combinations.

RideShare Services (Uber/Lyft)

MSD Pike will release students for pick up only to parents/guardians and other individuals expressly authorized by a parent/guardian. It is not the practice of MSD Pike to allow students to be picked up by Uber, Lyft, and other similar individual commercial transportation services ("Rideshare Service"), and MSD Pike cannot accept a general authorization for a student to be picked up by a Rideshare Service. Any parent/guardian instructing MSD Pike to release a student to a Rideshare Service must provide the School with a signed and dated Rideshare Permission Form and Waiver of Liability each time the parent/guardian authorizes the student to be picked up by a Rideshare Service.

Selective Service

Male students must register for the Selective Service Program upon reaching their eighteenth birthday. This may be done at any post office or sss.gov.

School Calendar Information

- The Pike Preparatory Academy Program has four - 9 week quarters throughout the school year and students earn credits at the end of each quarter.
- Pike Preparatory Academy is on the MSD of Pike Township traditional calendar and will have the same breaks, holidays, and snow days/delays as Pike High School.

Student Deliveries

Deliveries to students of balloons, fast food, flowers, or other gifts are prohibited. Those items brought to school may be confiscated until the end of the school day or the student may be asked to place such items in their locker to avoid disruptions in the halls and classrooms.

Use of Video Cameras

The M. S. D. of Pike Township uses video surveillance in many parking lots, buses, and buildings for the safety and protection of individuals, property equipment, and other valuables.

Visitors

The Board welcomes the active interest of parents and citizens in the public schools, and invites the community to visit at any time. However, since schools are a place of work and learning and must be secure, certain limits must be set for visits. Visitors who violate the school visitation policy will be asked to leave the building. This action may result in future visitations to be denied by the building principal/designee. The building principal is responsible for all persons in the building and on the grounds. For these reasons, the following policy applies to visitors to the school:

- Anyone who is not a regular staff member or student of the school will be termed a “visitor.”
- Any visitor to the school must report to the office of the principal upon arrival at the school.
- If going to another part of the school other than the office, all guests are required to sign in by providing a valid ID (driver’s license) and being processed through the school’s SAFE VISITOR System.
- Parents or citizens who wish to observe a classroom while school is in session are expected to arrange such visits 48 hours in advance with the principal’s office.
- Teachers will not be expected to take class time to discuss individual matters with visitors.
- The principal has final authority on permitting/approving school/classroom visitations.
- Delivery of personal items including but not limited to money; clothing; books; fast food/carry out orders will not be permitted. The visitor delivering the item(s) will be asked to wait for the student to report to the office to collect the items(s).

Withdrawal From School

The guardian should complete a withdrawal form and provide the name of the new school. When a student withdraws from school we request that you provide a forwarding address and all outstanding fees (cafeteria, library, book rental, etc.) must be cleared with the office. School records will be forwarded to the new school when a request for records has been received. Students

choosing to withdraw from the Pike Preparatory Academy for whatever reason must schedule and attend an exit interview with the principal or his designee to discuss the withdrawal decision. Indiana Code **IC 20-30-2-28.5** mandates that this interview take place. Failure to do so can result in the withholding of student documentation and/or the invalidation of the student's driver's license and work permit. The student needs to return all curriculum materials (textbooks, Chromebook/laptop/iPad, case, and charger). The student needs to return all curriculum materials (textbooks, Chromebook/laptop/iPad, case, and charger).

Section II - Student Academics

Academic Achievement

All academic courses that are not taken online must be completed with a final grade of 75% or higher. This grade will be based on homework assignments, tests/quizzes, and presentations. Students will be working to earn a Pike High School Core 40 or General Diploma.

- Students will be expected to turn in assignments daily in order to stay on pace for course completion and graduation. Each course is taught over the course of nine weeks, but in some cases, students may work ahead to earn a credit early.
- Students may be requested by Pike Preparatory Academy staff members to spend extra time after school to ensure course completion.
- Failure to comply with the academic requests and overall lack of academic effort may result in removal from the Pike Preparatory Academy program.

Final Exams

Course final exams are given at the end of each quarter. Completing final exams early will not be granted unless the absence is documented by a medical physician, or for reasons outlined by the state of Indiana for excused absences. *(see Attendance Policies and Procedures, Classifications/Definitions - Exceptions to compulsory attendance). Please note that family vacations and family emergencies are not accepted excused absences.

Should permission be granted for a student to make-up a final exam(s), the exam(s) shall be completed within the first (2) weeks of the student's return to school after the documented absence. Students who do not complete their final(s) within the (2) weeks of the student's return to school after the documented absence may have their grade(s) for the course(s) calculated with a failing grade for the final included in the semester grade. At the end of the school year, a student who misses a final due to an excused absence may have their grade calculated without the final test grade.

Guidance

Professional guidance and counseling services are available to all students. Each student will be asked to meet with their counselor at least once each quarter. At this time records are brought up-to-date, test scores explained, questions answered and future plans discussed. However, all students are encouraged to see their counselor whenever the need arises by simply requesting a conference. Besides counseling, the school counselor offers the following services:

1. Assistance to the individual student in analyzing their needs through exploration of interests, abilities, aptitudes, and personality.
2. Information of an educational, vocational, and social nature to students and their families. This includes college requirements, other training programs, job opportunities, financial aid information, and other topics the student and their family may wish to discuss.
3. Assistance for students in selecting courses of study, training programs, and colleges are consistent with their needs and desires.
4. Research to evaluate and improve the school's current programs and services.
5. Attendance-related matters and their resolution.

Permanent Record

Per [Board Policy 8330](#) the School Board must collect, retain, and use information about individual students. Simultaneously, the Board recognizes the need to safeguard student's privacy and restrict access to student's personally identifiable information.

Pike Preparatory Academy requires that students score a minimum of 75% on all major work turned in for credit in any class. This includes homework, projects, tests, quizzes, and tests. Any work that is scored below seventy-five percent must be resubmitted.

Retaking a Class

- A student electing to retake a class to earn a higher grade must meet with the Guidance Counselor to determine if space is available in the course.
- The student will complete a form, which requires signatures from the student, parent, counselor, and principal.
- When a student retakes a course, the grade will replace the earlier grade and the original grade will not count as an attempt for credit on the student's transcript or in the GPA calculation. However, when a required course is failed and retaken, the original grade will remain on the transcript, count as an attempt for credit, and be figured into the GPA along with the retaken course grade.

Technology and Internet Acceptable Use of Policy

All technology policies can be found [here](#).

Section III - Student Conduct

Attendance Expectation

Students are expected to attend class each day as a student at Pike Preparatory Academy.

- **Each quarter, a student cannot accumulate more than five (5) unexcused absences in any one class.**
- Parents/students are expected to notify the office ahead of time if they will be late to school. If students are late more than fifteen minutes to class, it will be recorded as an absence.
- Students are expected to provide the principal with documentation for excused absences. Examples include doctor statements, court documentation, obituaries, etc.
- The principal may report a student/family to the district social worker and task force committee if a student is excessively absent without prior notice.

Attendance & Absences

A student's attendance is an essential component for a successful education as well as an important life lesson which must be mastered. Good attendance not only promotes good grades; it also supports a healthy relationship between the school and the home.

The staff at the Pike Preparatory Academy will work with its students to learn the importance of good attendance, but to obtain the amount of instruction necessary to master a course of study in a reasonable amount of time

Excessive Absences

Students who miss class excessively are jeopardizing their academic status at the Pike Preparatory Academy. Continued absences can result in withdrawal from a class and ultimately removal from Pike Preparatory Academy.

Leaving School

Though every effort should be made to honor a student's time in class; sometimes a student may need to leave school early for an appointment or unforeseeable need. In such instances, parent/guardian or student if eighteen or older should:

- Notify the office with time, date, and purpose (other documentation may be requested if necessary). Principal or his designee must grant approval.
- Approved students should sign out at main desk with name and time leaving
- Students may not leave to self-administer medication and return to school

- STUDENT LOITERING IS NOT PERMITTED OUTSIDE THE SCHOOL ENTRANCE BEFORE, DURING, OR AFTER SCHOOL.

Reporting Absences

It is the responsibility of the parent/guardian/student to call **(317) 347-8350** to report an absence. The phone system is accessible 24 hours a day, seven days a week. Voice messages for attendance should include:

- The name and relationship of the caller
- The student's name and reason for the absence
- The date(s) and/or period(s) for the absence

Tardiness

Our expectation for students and staff is to be on time to class. Habitual tardiness will have a negative impact on the student's ability to earn credits and graduate with a high school diploma.

- Students who arrive late will be marked as tardy during the first 15 minutes of each period.
- Those who arrive after that time will be counted as absent.
- Missed class time may be assigned to be made up during an independent study session with the teacher.
- Excessive and recurring tardiness shall result in a principal's conference and can ultimately lead to a student's removal from the affected class with a WF grade.

Behavior Expectation

Pike Preparatory Academy has a zero tolerance for students who are disruptive, disrespectful, or violate any other code of conduct outlined in the student handbook.

- The principal makes all decisions regarding behavior. Students who violate the MSD Pike Township Code of Conduct will be referred to the principal on an office referral (S-1). **Students may receive an out of school suspension or be completely removed from the Pike Preparatory Academy Program. Students who are removed from Pike Preparatory Academy may not return to Pike High School to attend classes.**
- Students attending Pike Preparatory Academy are expected to conduct themselves as responsible young adults. Class schedules, lunch times, and school privileges may be altered in order to help students achieve academic success and graduate with a diploma.

Social Media Guidelines for Students

Social media shall be defined as internet-based applications that turn communication into interactive dialogue between users. Popular social media tools include Facebook, Twitter, TikTok, YouTube, Instagram, Snapchat, and more. Expectations of the appropriate use of social media for school-related purposes are covered in the [Technology Acceptable Use Policy](#).

To maintain a safe and productive learning environment, the MSD of Pike Township requires all students who access or post on social networking sites abide by the following:

- **Follow the Pike Student Code of Conduct and maintain respectful and acceptable behavior online.** As a student of MSD of Pike Township, your online behavior should reflect the same standards of honesty, respect, and consideration that you use in person. Unacceptable behavior includes, but is not limited to, objectionable language or pictures (ethnic/racial slurs, offensive comments, defamatory comments, personal insults, etc.).
- **Protection of privacy.** Sharing personal information, including, but not limited to, last names, phone numbers, addresses, exact birth dates, login information, and pictures, puts you and others at risk. Do not misrepresent yourself by using someone else's identity.
 - Taking photographs or creating digital video recordings of Pike community members either on campus or at off-campus Pike events for online publication or distribution without their consent could constitute unlawful "invasion of privacy."
- **Recognize the value of open sharing, diversity of opinion, and civil debate.** Do not use social media sites to publish harassing remarks. You are responsible and will be held accountable for the content posted on social media.
- **Cyberbullying will not be tolerated.** Harassing, insulting, impersonating, outing, tricking, excluding, and cyberstalking are all examples of cyberbullying. Do not send emails or post comments with the intent of hurting or intimidating someone else. Engaging in these behaviors, or any online activities intended to harm (physically or emotionally) another person, will result in disciplinary action and loss of privileges. In some cases, cyberbullying can be a crime.
- **Students will not "friend" or "follow" staff** on personal social media prior to graduation as the line between professional and personal life becomes blurred. Students may communicate with staff through school platforms such as Canvas and school email.

Incidents of bullying should be reported to an administrator, teacher, the SAFE Schools Hotline (317-387-2227), or the online [District Bullying Report](#) form.

It is important for families to help monitor their student's use of devices. The MSD of Pike Township employs monitoring tools to help administrators spot potential misuse of district devices. Administrators try to respond to every alert; however, they may not see alerts that are generated outside of work hours.

These guidelines outline the expectations for students' behavior on social media and other online platforms. They emphasize the importance of being responsible and respectful when communicating online, avoiding the sharing of personal information, following the student code of conduct, being mindful of others' privacy, and refraining from cyberbullying. Violating these guidelines may result in disciplinary action, including suspension or expulsion. The guidelines do not intend to infringe upon any legal rights, such as freedom of expression, religion, or association.

Fire Drills/Tornado Drills

Fire Drills

State law requires that fire drills be held monthly. Specific instructions on which exit to use are posted in each room. When the alarm sounds, all students are to leave the building in a quiet, orderly manner as rapidly as possible without running.

There is to be no talking as, in any emergency, it would be important that all hear directions. Students are to proceed a safe distance from the building and will re-enter only when the signal for their return sounds.

Tornado Drills

- State law requires that tornado drills be held one time per semester. In the event the occupants should need protection from an approaching tornado, the following instructions should be followed:
- Listen carefully for instructions on the P.A. system or from the teacher(s).
- If time permits, all personnel should go to an interior hallway.
- If there is no time to leave the classroom, all should get as far as possible from the windows and should get under tables or desks.
- If outside the building, all should lie flat in the nearest depression, such as a ditch or ravine.
- PLEASE NOTE: The office monitors a National Weather Service radio throughout the school day. This radio has an alarm that alerts the office staff in the event of approaching inclement weather.

Lockdown Drills

State Law requires that one man-made occurrence drill be held each semester. There is a procedure in place to respond to an emergency in which the school needs to be locked down. This security procedure requires that every student and staff member quickly and quietly be relocated and accounted for within the building.

- When a determination is made to initiate an external lockdown the Principal will convene their Crisis Team and inform them of the decision and circumstances surrounding this decision.
- The building administrator and/or designee will ensure all exterior doors are locked and secure.
- Custodial staff will make periodic checks of exterior doors to ensure they remain locked and secure.
- All outside activities will be canceled and students will be returned to the building.
- A faculty member will be stationed at or near the main entrance where they may allow and monitor access to the building.
- Parents that request to remove their child from school must show proper photo identification and sign children out at the main office.
- All visitors to the building will sign in at the main office and wear a visitor tag while in the building.
- Parent volunteers will be required to wear visitor identification and informed of the lockdown and the procedures outlined above.

- Deliveries and vendors should be accepted on a normal basis but maintain vigilance during this period.

Immunizations

When a student enrolls in a school for the first time or any subsequent time and at any level, the parent must show that the student has been immunized or that a current medical or religious objection is on file.

Parents must provide the school corporation with complete immunization records prior to the beginning of the school year. In the event a child enrolls in school without proper immunization documentation, the school may grant a waiver for a period not exceeding 20 days.

Pest Management

The Metropolitan School District of Pike Township is committed to providing students and staff with a safe environment. It seeks to prevent children and staff from being exposed to pests and pesticides. While pesticides protect children and staff from pests that may be found in the school and its surrounding grounds, under some circumstances pesticides may pose a hazard to children and staff.

Therefore, integrated pest management practices may involve a variety of chemical and non-chemical methods that are designed to control pests effectively while minimizing potential pesticide exposure to children and staff.

The Metropolitan School District of Pike Township will:

- Contact the Director of Facilities, at 317-280-2400, for information regarding pest control.
- Provide notice of planned pesticide applications to parents and employees who have requested advance notice.
- Maintain a written record of any pesticide applications for 90 days.
- Notify families of all pesticides' use and provide such advance notice.

The Metropolitan School District of Pike Township will provide notice at least two school days prior to the date and time of pesticide application is to occur. The notice will include the date and time of the pesticide application, the general area where the pesticide is to be applied and the telephone number to contact for more importance.

In case of emergency pesticide applications because of immediate threat to public health, the school shall give written notice as soon as possible.

The Metropolitan School District of Pike Township may provide for training of school employees to become certified pest control applicators. Financial support for such training may be provided by the Metropolitan School District of Pike Township subject to budgetary constraints of the district.

The Superintendent or his designee shall prepare and disseminate regulations for the implementation of this policy.

Safe Schools

The Metropolitan School District of Pike Township believes that the safety and security of students and staff is a major priority. Safe schools require a collaborative effort of the Board of Education, administrators, teachers, students, parents and the community. A variety of prevention and intervention strategies, programs and activities must be in place to ensure students' and staff welfare.

Physical aggression, hostile behavior, intimidating acts of harassment, extortion, violent behavior, possession of weapons, or gang activity will not be tolerated. Anyone who demonstrates such behavior will be held accountable for their actions in accordance with the Student Discipline Code, employee discipline up to and including discharge, and Indiana and Federal regulations. The M.S.D. of Pike Township believes that:

1. The school district should provide the resources necessary to maintain safe schools.
2. Each school's safety and security plan, with stipulated procedures to be followed, will enhance the feeling of well-being at each school site.
3. Various safety and security measures should be implemented, including intervention and police security, as necessary.
4. Administrators, teachers, and support staff are the individuals responsible for appropriately supervising, monitoring and assisting students.
5. Parents' presence in schools, as visitors or volunteers, on a regular basis enhances school safety and security. To insure school safety all parent volunteers must complete a yearly Background Check prior to volunteering in a Pike School.

The Superintendent shall establish procedures to be followed regarding implementation of school safety and security measures.

Section VII - Rights and Laws

Indiana State Statutes and M.S.D. of Pike Township Policies

Indiana State Statutes and M.S.D. of Pike Township Policies Affecting the Conduct of Students Due Process for Students

(The M.S.D. of Pike Township has adopted the State of Indiana statutes (I.C. 20-33-8-1 et seq) as they relate to policies affecting the conduct of students.)

1. Basis for policies affecting students

The purpose of establishing rules and guidelines for student conduct shall be the promotion of learning and knowledge in an orderly and efficient educational system consistent with the statement of philosophy for the MSD of Pike Township and in accordance with the Constitution for the State of Indiana.

Student supervision and the desirable behavior of students are responsibilities shared by students, parents, and teachers subject to the control of the principal of each school and the supervisory authority of the school district's administrative staff. Standards of conduct apply in general to behavior in the classroom, on the school grounds, at all school-sponsored functions and to any behavior outside of school which causes a substantial and material disruption of the school purposes or an educational function.

Rules or guidelines pertaining to student conduct are intended as a basis for the development of positive attitudes on the part of students interacting with parents, teachers, administrators and others rather than a structure only for punitive measures.

In all matters relating to the discipline and conduct of students, school corporation personnel stand in the relation of parents and guardians to the students of the school corporation.

Therefore, school corporation personnel have the right, subject to suspension, expulsion, and student discipline, to take any disciplinary action necessary to promote student conduct that conforms to an orderly and effective educational system.

2. Delegation of Authority

In carrying out the school purposes of the school corporation, the following grants of authority are hereby made:

- Each teacher and any of the other school personnel shall, when pupils are under his charge, have the right to take any action which is then reasonably necessary to carry out or to prevent an interference with the education function of which he is then in charge.
- Each principal may take any action concerning his school or any school activity within his jurisdiction which is reasonably necessary to carry out or prevent interference with an educational function or school purpose.
- Such action may include establishing written rules and standards to govern student conduct. Similarly, the superintendent or his administrative staff, with his approval, may take any action with respect to all schools within the superintendent's jurisdiction which is reasonably necessary to carry out or prevent interference with an educational function or school purpose.
- The governing body may make written rules and establish written standards concerning student conduct which are reasonably necessary to carry out, or to prevent interference with carrying out an educational function or school purpose.
- The governing body may make such other delegations of rule-making, disciplinary and other authority, as are reasonably necessary in carrying out the school purposes of the school corporation.
- The terms "superintendent" and "principal" shall include their respective designees.

3. Limitation of Delegation

Delegation of authority shall be subject to the following limitations:

- Delegated authority shall be in conformance with applicable statutes of the State of Indiana and with the Constitution of Indiana and the United States. Rules, standards, or actions shall not discriminate against any student or class or students, but the number of schools or students to which they apply shall not be determinative of whether they discriminate.
- Any handbook or other written rule, standard or policy applying to students generally or to any group of students shall not be effective until they are reviewed and approved by the superintendent and until they shall be presented to the Board of Education.

- Revisions or additions to the policies affecting students shall not be effective until they are reviewed and approved by the superintendent and until they shall be presented to the Board of Education.
- Rules and standards of conduct shall not apply to students generally, or to any group of students, until a written copy is made available to the student or his parents, or is otherwise given general publicity within any school to which it applies. This limitation shall be satisfied in any case where a good faith effort has been made to disseminate such rules and standards of conduct to students or parents.

4. Conduct Constituting an Interference with School Purposes or an Educational Function

Conduct constituting an interference with school purposes or an educational function shall mean any conduct which causes, or which can reasonably be foreseen to cause, a substantial disruption or material interference in the carrying out of a school purpose or an educational function. Undifferentiated fear or apprehension of disturbance, disruption, or interference shall not alone constitute grounds to support a determination that such conduct exists.

5. Expulsion or Suspension

a. Expulsion (IC 20-33-8-3) shall mean a disciplinary action whereby a student:

- i. Is separated from school attendance for a period in excess of ten (10) days.
- ii. Is separated from school attendance for the balance of the current semester, balance of the school year, or first semester of the following school year or one calendar year unless said student is permitted to complete required examinations in order to receive credit for courses taken in the current semester or school year.

Expulsion may result in a loss of all credits for the current semester.

When a student is separated from school attendance the first semester, such separation shall terminate by the end of the school year. When the separation from school takes place during the second semester, said separation shall remain in effect for summer school and may remain in effect for the first semester of the following school year. When the separation is for a period of at least one (1) calendar year, the student will return at the beginning of the first semester after the end of the one (1) year period.

b. Suspension (IC 20-33-8-7) shall mean any disciplinary action whereby a student is separated from school attendance for a period of not more than ten (10) days which does not constitute an expulsion. Suspension shall not include situations in which a student is assigned a special course of study, enrolled in special classes or given homebound instruction as authorized or required by law, or removed from athletic activities, noncredit school activities, or school-provided transportation.

6. Grounds for Expulsion or Suspension (IC 20-33-8-14)

A student may be suspended or expelled for either misconduct or substantial disobedience which occurs when a student is:

1. On school grounds immediately before and immediately after school hours and at any other time when the school is being used by a school group.
2. Off the school grounds at a school activity, an educational function, any event sponsored by the school district, or when a student is traveling to or from school for said school activities, functions or events. The following are examples of conduct constituting student misconduct or substantial disobedience, but are not exclusive examples:
 - a. Use of violence, force, noise, coercion, threat, intimidation, fear, passive resistance, or other comparable conduct, constituting an interference with school purposes, or urging other students to engage in such conduct or possessing any firearm, explosive or any other instrument of offensive or defensive combat. As an alternative to expulsion in disciplinary actions involving the possession, consumption, or being under the influence of alcohol or drugs, students enrolled in the MSD of Pike Township Schools are given a one-time option of waiving the right to an expulsion meeting **where multiple charges are brought against a student or where such charges involve the delivery or transmission of alcohol or drugs.**

If the student/parent/guardian/legal custodian chooses to waive the right to an expulsion meeting by signing Form S-8A and enrolls the student in an approved alcohol and substance abuse education program, the student will return to school to continue their education on a probationary basis under the conditions of the waiver.

Should the student fail to comply with the stipulations of the waiver and not complete the alcohol and substance abuse education program, the recommended expulsion will then become effective immediately.

The cost of the approved alcohol and substance abuse education program and chemical assessment shall be paid by the student and/or his parent(s), guardian(s), or legal custodian(s).

Upon completion of the alcohol and substance abuse education program, the student and their parents/legal guardians/legal custodians shall confer with the Special Services Designee to determine the status and future recommendations for the student. THIS OPPORTUNITY MAY BE GRANTED TO A STUDENT NO MORE THAN ONE (1) TIME WHILE THEY ARE ENROLLED IN THE MSD OF PIKE TOWNSHIP.

Make-up work shall be permitted from the time that said student/parent/guardian/legal custodian signs the Form S-8A (Waiver of an Expulsion Meeting, Alcohol and Substance Abuse) formally requesting enrollment in the alcohol and substance abuse education program. Make-up work will not be permitted for days of suspension prior to the signing of Form S-8A.
