Our Mission: Missouri Military Academy empowers young men to unlock their potential through a program of academic excellence, character and social development, and leadership training within a structured environment.

A. Electronic Communication and Billing Procedures

Missouri Military Academy uses email as our primary means to send information to parents.

1. Website

The MMA website is a source for all event information, registration, and payment options. Our parent page can be found at <https://www.missourimilitaryacademy.org/parents>, you will find helpful resources, including information about the MMA Parents Committee.

2. Facebook/Newsletters

Parents can stay up to date with Academy events and see what their cadets are involved in by following the MMA Facebook page. Monthly Parent Newsletters are emailed to families which include important information regarding news stories, schedules and changes, and furlough transportation.

3. Grades Online

Parents access their cadet's grade information through Grades Online. Access requires a User ID and password, which is provided by the technology department upon enrollment. Access to Grades Online will be denied for past due account balances.

4. Finance

The business office will send notices and electronic statements related to your cadet's tuition, fees, and incidental expenses via Tuition Management. These are emailed near the 10th of each month. All payments must be made through this program and can be made by e-check, debit card, or credit card. Any credit card payment made toward tuition will incur a 2.75% convenience fee. A fee of \$50 will be charged on any payment returned because of non-sufficient funds.

B. Incidental Expenses

1. Spending Money

Families may provide their cadets with access to spending money. MMA suggests providing the cadet with a prepaid debit or credit card. Cadets can use these forms of payment in the Quartermaster Store and Canteen. The cadets also have on campus access to an ATM to withdrawn cash if needed. The business office will not issue cash or cash checks for cadets. Cadets are not authorized to have more than \$50 cash in their possession at any time.

2. Quartermaster Store (QM)

Cadets may requisition essential items through the Quartermaster Store because of loss, unserviceability, earned awards, or special items. The charges for the items will be invoiced to the parents on your monthly statement from the business office.

2. Families of cadets with out-of-Missouri State Medicare/Medicaid Insurance Plans have two options: (1) parents may transfer their out-of-state plans to the State of Missouri or (2) parents can choose to set up an MMA medical account depositing a minimum of \$300 through MMA's business department. If needed, this money will be used to pay for the costs of doctor's office visits.
