

District Policy 1110

**POLICY DEVELOPMENT, MODIFICATION, AND DELETION**

- 1.0 The responsibility and authority to determine all District policies/procedures is defined by Board Policies.
- 2.0 The District's commitment to shared decision making shall be reflected in Superintendent processes for policy development, modification and deletion.
- 3.0 Proposals for policy development, modification, or deletion by an administrator, employee, parent, student or resident of the District may be submitted for consideration to Policy Council in accordance with its bylaws.
- 4.0 With the approval of the Superintendent or designee, the District may develop guidelines to provide more detailed instructions, examples, or other information to assist in the consistent and efficient implementation of specific District Policies.
- 5.0 Forms and/or exhibits to District Policies may be revised, added, or deleted with approval of General Counsel so long as the substance of the policy remains intact.
