

Student Teachers

The school district will provide apprentice teaching opportunities for student teachers from colleges and universities. A student teacher is a teacher trainee, an observer, or an intern who is assigned to one of the district schools by his/her college or university with the approval of the Superintendent.

The Superintendent and principal shall work with the teachers involved to determine the appropriate number of student teachers that shall be placed in the schools at any one time. Care shall be taken to see that no school or teacher is overburdened.

The responsibility for assigning and coordinating the student teacher program shall be delegated to the building principal.

Any qualified tenure teacher with three years or more of teaching experience including one in this district who wishes to work with a student teacher shall apply to his/her principal.

Supervision by a teacher of a student teacher shall be voluntary and no teacher shall supervise more than one student teacher at any one time without permission of the building principal.
