

Board Committees

The Board may authorize the establishment of committees from among its membership as it finds it necessary to study operations in specific areas and to make recommendations for Board action. Committees of the Board shall be appointed by the President with the advice and consent of the Board as they are needed to meet the needs of the Board and to provide for smooth operation of the Board. The functions of committees will ordinarily be fact-finding, deliberative and advisory, and their reports will be made to the Board for discussion and action. These ad hoc committees will be dissolved as soon as the matter with which they are concerned is resolved or at the end of each fiscal year. The President will appoint a negotiations committee each year which will supervise negotiations with the recognized teacher bargaining unit. The Board President and the Superintendent will serve as ex-officio members of all committees.
