

**School Board Member Development Opportunities**

Board members will be encouraged to participate in meetings and activities of area, State, and National School Boards Associations, and of other educational groups, and to study and examine the materials received from these organizations.

Upon Board approval, travel and convention expenses will be provided individual members within budgetary limitations to advance their development as School Board members.

To help members develop understanding of the educational program, the Superintendent will request members of the professional staff to appear before the Board from time to time to present and discuss new developments in various areas of curriculum and instruction.
