

School Board Policy Review and Evaluation

In an effort to keep its written policies up to date so that they may be used consistently as a basis for Board action and administrative decision, the Board will review its policies on a continuing basis.

The Board will evaluate how the policies have been executed by the school staff and will weigh the results. It will rely on the school staff, students, and the community for providing evidence of the effect of the policies which it has adopted.

The Superintendent is given the continuing commission of calling to the Board's attention all policies that are out of date or for other reason appear to need revisions.

The Board directs the Superintendent to recall all policy and regulations manuals periodically for purposes of administrative updating and Board review.
