

**Printing and Distribution of Agreements, Documents**

Agreements between the Board and employee associations shall be printed at the expense of the Board after the agreements are signed. Copies of the applicable agreement shall be presented to all personnel now employed, hereafter employed, or considered for employment by the Board.

Employee associations may use school facilities and equipment at reasonable times when such equipment is not otherwise in use with permission of the building principal. No equipment may be removed from school property without approval of the building principal. The association will pay for any damage, loss, or theft of borrowed property.
