

Orientation

The administration is hereby directed to provide orientation and training to new or transferred employees that will maximize their chances for success in their new assignment. Appropriate in-service is to be developed for all employees that will keep them current on educational trends and issues and that will comply with the Laws and Regulations of the State of South Dakota. Whenever possible, employees should be given an opportunity to assist with the planning and development of orientation and in-service education programs. Any needed costs of orientation may be favorably considered by the Board for inclusion in each annual budget.
