

Classified Employees

Education is a cooperative enterprise in which all employees of the school district must participate intelligently and effectively for the benefit of all children served. Bon Homme School District will employ support staff members in positions that function to support the education program.

All support staff positions will be established initially by the Board. In each case, the Superintendent will submit for the Board's consideration and action a job description, or job specifications for the position.

In addition to policies found in this section, there is a classified employee handbook. That handbook is reviewed and adopted annually by the Board and is to be considered policy of the district, even though it is not published in this section.

Although positions may remain temporarily unfilled, or the number of persons holding the same type of position reduced in event of de-staffing requirements, only the Board may abolish a position it has created.
