

Summer Athletic Camps

Bon Homme School District does not sponsor summer athletic camps of any kind. The district will, however, allow its facilities to be used for summer camps provided the sponsoring organization assumes all responsibility for the program, safety, personnel, and expenses for the camp. Sponsors of summer camps who are located within Bon Homme School District, whether they be organizations or individuals, who do not profit financially from the camp may use the school facilities free of charge. If the sponsor profits financially from the camp or is not a resident of the district, the rental shall be \$25/day.
