

Student Fundraising Activities

Money drives will not be encouraged unless there is justification for purposes and the need is adequate. Justified fundraising will be permitted for school classes or groups of students under the sponsorship of a faculty member, provided they are approved by the principal and the Superintendent and that benefits derived therefore will be made available to all members of the class or group.

No project will be allowed that will involve the servitude of an individual (Slave Auction). No lottery will be permitted including Bingo. There will be no solicitation of donations of any kind from students except for a project approved by the Bon Homme School Board.

A categorical, itemized accounting of money raised at school or in connection with the school other than money deposited in the extracurricular account will be submitted by the principal to the Business Manager to be filed with the district's financial records.
