

Dress Code

The school may restrict the wearing of clothing or adornment that is hazardous to the safety of the student or other students or disruptive of school operation and discipline including that which is distracting to the opposite sex or which advertises products or behaviors which are immoral or in opposition to the school curriculum or community standards of decency. It shall be the responsibility of the building principal to determine violations of this policy and to take necessary corrective action.

Adopted: February 13, 1989

Revised: May 12, 1997; July 12, 2010
