

**Independent Education Evaluations**

The Bon Homme School District will be financially responsible for one Independent Educational Evaluation (IEE) requested by a parent for their eligible child.

Parents requesting an IEE for their child must submit their request in writing to the superintendent. Their request must:

1. State the reason they are seeking the outside evaluation
2. Identify what areas of need they feel must be addressed in this evaluation

Within 10 working days of the receipt of the request for the IEE, the district will provide the parent with contact information regarding individuals or agencies that could provide the IEE. The parent may choose any provider on the list, but understands if they choose someone not on the list, the district will not be financially responsible for any costs generated by this provider.

Parents must sign a waiver to release, to the district, all reports and other forms for documentation resulting from this evaluation. Payment for the evaluation will be done by direct payment to the provider once a bill has been submitted to the district by the individual or agency who provided the service.
