

# Los Alamitos High School Chromebook Insurance Plan

## Chromebook Insurance Coverage

Los Alamitos High School (LAHS) offers an optional annual purchase to cover the replacement and service of your Chromebook in the event of reasonable accidental damage that occurs from regular use. **LAHS Chromebook Insurance does not cover (California Education Code 48904):**

- Theft or loss of the Chromebook outside of the school campus.

The LAHS Chromebook Insurance Plan will cover up to the replacement cost of the Chromebook for the current school year. Chromebook manufacturer defects will be covered at no additional cost.
