mentioned the NOA and/or NTP would be in March. Can you confirm the anticipated NOA & NTP for this project? This is important as it could determine the lead time for ordering the mechanical equipment and it establishes the start date of the physical work.

- The contract for this project will be on the board date 2/24/2022 for approval. The Notice of Award will be issue after the board approves the contract. The issuance date of the Notice of Proceed will strictly depends on when the awarded contractor submits the required documents.

Also, per conversations during the bid walk. We assume some physical work can be performed during the School year prior to the summer session begins. Is that correct?
