Superintendent Message

Dear Gull Lake Families and School Community,

Engaging and inspiring learners continues to be a top priority for Gull Lake Community Schools. We have heard from so many of you how our comprehensive elective course offerings help keep your student focused and engaged beyond the 3

R's. Our student growth is accelerated and enhanced by an exceptional set of elective offerings throughout all grade levels that encourage students to apply their learning to real-world challenges. We continue to grow our teaching and learning opportunities through the following offerings:

- Project Lead The Way courses
- Gull Lake Center for the Fine Arts electives including performing and visual arts learning spaces
- Additional STEM/STEAM curriculum K-12
- Gull Lake Virtual Partnership with weekly applications
- Early Middle College
- Dream Career Mentor program

These are just a few of the courses and program offerings available to our students. If you dive deeper into our comprehensive course catalog, you might find a few additional surprises you and your student have not considered before! I encourage you to talk with your student about what best engages them as they build literacy skills and Career and College Readiness. Talking with your student about potential career pathways and experiences that motivate them is a great way to help them dial in their optimal course choices and explorations.

Our dedicated team of educators continues to build and develop meaningful learning experiences so that you and your family have the very best choices available. Each year, our team works hard to make sure learning is dynamic, relevant, and adaptive to change. We look forward to serving you and your student in the coming school year. Thank you for supporting your child and our team as we partner together for an engaging and excellent learning experience.

Best regards,

Raphael Rittenhouse/Superintendent

Ryan Intermediate Receives National Recognition for Commitment to Empowering Students

Ryan Intermediate School announced that it has been recognized as a 2021-22 Project Lead The Way (PLTW) Distinguished School. It is one of just 282 schools across the U.S. to receive this honor for providing broad access to transformative learning opportunities for students through PLTW Launch.

This year Ryan Intermediate students learned through exploration and discovery in the Science, Technology, Engineering, Arts, and Math (STEAM) Lab by becoming hands-on problem solvers while collaborating with classmates. Through Programming and Patterns, students and staff explored control structures with coding such as events, loops, and conditional block-based programming. They were able to expand their computational thinking about how programs work and their applications within a computer.

The PLTW Distinguished School recognition honors schools committed to increasing student access, engagement, and achievement in their PLTW programs. To be eligible for the designation, Ryan Intermediate had to have at least 75 percent of the student body participating in at least one PLTW Launch module and had to offer at least one PLTW Launch module in each grade (K-5) during the 2021-22 school year.

"We are honored to recognize Ryan Intermediate for their unwavering commitment to provide students with an excellent educational experience despite the last two years having been some of the most challenging in recent history for students and educators across the U.S. due to the COVID-19 pandemic," said Dr. David Dimmett, Interim President and CEO of PLTW. "Ryan Intermediate should be very proud of their achievements in unlocking their students' potential and equipping them with the knowledge and skills necessary to thrive in life beyond the classroom no matter what career path they choose."

PLTW also honored Gull Lake Middle School for its fourth consecutive year of Distinguished School Status, one of only 134 schools in the nation.

Save the date for the Richland Art Fair

The annual Richland Art Fair will be held on Saturday July 16th. Please join us at Gull Meadow Farms, as over 90 artists will be selling their amazing photography, jewelry, paintings, pottery, and so much more. A raffle drawing will be held for pieces of art donated by the artists themselves and the Gull Meadow Farms market will be open for delicious goodies as well. Spend a few hours browsing through the booths and chatting with the artists. The Richland Art Fair provides a wonderful opportunity for you to purchase unique items for yourself or to give as gifts for others.

Congratulations to our Scholarship Winners

After reviewing many scholarship applications, the Gull Lake Area Community Volunteers, in conjunction with the Gull Lake Community Schools Foundation, are pleased to announce that High School seniors Austin Boucher and Johanna VanLandegent have each received a \$1000 Gull Lake Area Community Volunteers scholarship. These two students wrote excellent personal essays and have demonstrated exemplary volunteerism. Thank you, Austin and Johanna, for helping to make our community a better place. Congratulations to our two scholarship winners!

SPECIAL RECOGNITIONS

Mrs. Snead was nominated by her student, Carley, for the WVGU Cool Teacher Award. The WVGU crew brought donuts and interviewed Mrs. Snead, and Carley, and took pictures and video of the class.

Ms. Prowse was nominated by one of her student's families for the Excellence in Special Education Award.

FIELD TRIP EXCITEMENT

Students were so excited for field trips or special visitors which were made possible through funding from the Kellogg PTO. The Alligator Sanctuary visited Y5 classes. Kindergarten went to Binder Park Zoo. 1st grade visited Mooville. 2nd grade walked to the Kellogg Bird Sanctuary, and then had a class picnic which families were invited to join.

GULL LAKE HIGH SCHOOL NATIONAL HONOR SOCIETY

NHS Induction

The 2022 National Honor Society Induction ceremony took place May 20th in our new Gull Lake Center for the Fine Arts. We welcomed the 2022 inductees and honored the graduating seniors. We want to thank the seniors for their service and hard work, especially our graduating officers: Aiden Crowley President, AJ Boucher Treasurer and Jack Markillie Secretary. Amanda Meinert will be taking over next as our incoming President. Mr. Christopher Tracy was our guest speaker for the night.

GLHS NHS Supports Roof Sit - Tips for Kids Drive

Community Healing Centers, May 19, 20, and 21, held their annual drive to support its nonprofit programs. There were 6 shifts of GLHS National Honor Society students that collected over \$2,000.00 in donations at the Shell Gas Station on Gull Rd. The goal of the campaign is to prevent and treat child abuse and neglect in Kalamazoo County. Thank you to the NHS students who helped with collecting and community members who donated to a worthy cause.

KIDS HEART

Richland Elementary students celebrated meeting their Kids Heart Challenge goal by sliming Mrs. Buckmaster and Mr. Lecceadone! The students raised over \$22,000 for the American Heart Association!

FIELD DAY WAS A SUCCESS!

Thanks to all of the parent volunteers and our Richland PTO for making it possible.

BUTTERFLIES

Mrs. Koet's first grade class released their butterflies and worked on a fun science project of phases of the moon using Oreo cookies.

BUBBLES

Bubble Man came to Richland Elementary to show the first graders all the amazing things bubbles can do.

MIDDLE SCHOOL

Dr. Carmen Maring – GLMS Principal – cmaring@gulllakers.org

Mrs. Eddy's Flight & Space class had the pleasure to join Mr. Bohr's 4th grade class for an exciting lesson in rocket science. The lesson used balloons and air pressure to model forward propulsion of rockets and show how air pressure can make a balloon zoom down a string race track. Mrs. Eddy's middle schoolers took the lead and helped the 4th graders explore this lesson!

Spring Sports Recap

Once again our spring sport athletes had an amazing spring season and are finishing the season with many successes. Our boys golf team won the Regional Championship and came in second place at the MHSAA Division Two State Finals! Our girls soccer team won districts defeating the number one ranked team in the state, Marshall! They went on to win again and are now Regional Champions!! Haidyn Garrison qualified for the MHSAA Track/Field State finals in the shot put. Our softball teams, while very young this year, showed great improvement and perseverance throughout the season as did our Blue Devil baseball teams. Girls tennis made a fantastic showing at MHSAA Regionals, narrowly missing qualifying for the state finals by ONE POINT!

Congratulations to all of our teams on an outstanding spring season!

Get Prepared for the 2022-2023 School Year

The 22-23 school year will be here before we know it! Make sure you have your student ready to participate in athletics. All students entering grades 6-12 next school year are required to have a valid sports physical on file with our athletic office. A valid sports physical is one that is done on or after April 15, 2022.

In order to participate in any school athletic program, the student MUST be registered through PlanetHS.com. If your student participated in a school sport this year, they already have an account. Simply log in to their account, select the sports they would like to participate in next year and then upload their new physical form....it's that easy! Registering on PlanetHS.com and selecting their desired sports is how you sign them up for each sport. Once signed up they will begin to receive information regarding that sport.

Listed below are the fall sport start dates and coach contact information. Access all of this information and stay up to date at www.GoGLBlueDevils.com.

Gull Lake High School
Class of '97

Jason Klein served as class secretary during his time at Gull Lake. Additionally, he participated on the Gull Lake Snow Court in 1997. He participated in the football program and Performing Arts Company. He is a proud graduate of Gull Lake High School Class of '97.

2022

Jason is now a Financial Advisor and Managing Partner of OsborneKlein, a private wealth advisory practice of Ameriprise Financial Services, LLC. He is also a third generation business owner. Additionally, Jason, along with his wife Laurie and two children, are proud residents of the Gull Lake community.

This ranking was developed by SHOOK Research and is based on in-person and telephone due diligence meetings to evaluate each advisor qualitatively, a major component of a ranking algorithm that includes client retention, industry experience, review of compliance records, and firm nominations; as well as a quantitative review that includes assets under management and revenue generated for their firms. Investment performance is not a criterion because client objectives and risk tolerances vary, and advisors rarely have audited performance reports. Rankings are based on the opinions of SHOOK Research, LLC and not indicative of future performance or representative of any one client's experience. Neither Forbes nor SHOOK Research receive compensation in exchange for placement on the ranking. For more information: www.SHOOKResearch.com
