4433 VACATIONS

The Board of Education believes that it is beneficial to the school district that persons employed to work twelve months a year be given periodic relief from the responsibilities of their position without loss of compensation.

The Board reserves the right to determine the conditions under which vacation time may be taken when not otherwise covered by the terms of a negotiated agreement.

Vacation time will be granted as approved annually by the Board.

Vacations will be granted only at times of the year when they will not interfere with the regular operations of the school.

Payment of salary in lieu of vacation is permitted only upon approval of the Board of Education.
