

How to Enroll in Waunakee 4K for the 2022-23 School Year

If your child will be four years old on or before September 1, 2022, you may enroll your child in the district's Four-Year-Old Kindergarten (4K) program.

Our enrollment process is now online, and begins with enrolling in the Waunakee Community School District (WCSD).

⇒ **Step 1: Online Enrollment in the District**

If your family is **new** to WCSD, please complete our online enrollment form available at this [link](#) on our website. Please scroll down to the New Student Online Registration link at the bottom of that webpage to begin.

- Please be sure to select the year as 2022-23.
- You will need information, such as:
 - Household information - address and phone numbers
 - Parent information - work and cell numbers, email addresses
 - Student information - demographic and health/medication information
 - Emergency contact - phone number, address

If your family has other students already enrolled in the district, you may enroll your 4K-eligible student using the Campus Parent portal beginning on January 10, 2022.

⇒ **Step 2: 4K Interest Form**

After you complete the online enrollment form, it will be processed by our registrar. Next, you will receive an email with information about our community-based 4K program. This will typically be sent within a couple of days, but could be longer based on volume of online enrollments. **This email will contain the link to the 4K Interest Form.** Please complete this form to indicate your preferences for 4K placement including class time, class location, and need for busing. Information about our 4K program can be found on our [website](#).
