

# WELCOME TO TEAM M!

## WE ARE SO GLAD YOU ARE HERE!

**Summer 2022:** We hope you had a wonderful summer exploring, thinking, reading, and spending time doing what you love. We can't wait to meet you. Get ready for a great 7th grade year!

### Supply list to get you started: (subject to change):

- ★ independent reading book
- ★ scientific calculator
- ★ pencils
- ★ highlighters
- ★ sticky notes
- ★ earbuds
- ★ charged Chromebook
- ★ two 1" binders for class notes

## Meet the teachers!

Mrs Formato teaches LA on Team M. In her class, you will read many types of books as a class, independently, and in book groups. You'll have the chance to write creatively and to sharpen your analytical skills! She tells great jokes and reads over 100 books a year! When she's not reading, she's spending time with her husband and two daughters traveling the world!

Mr. Sorbello teaches SCIENCE on Team M. In this class you will study life from microorganisms to the human body. Get ready to have some in-depth conversations about the way things work! Mr. Sorbello likes to spend time with his wife and their two boys, ages, 15 and 8. He loves the beach, especially Cape May, NJ. Mr. Sorbello also coaches track and field throughout the year.

Mr. Mangieri teaches SOCIAL STUDIES on Team M. He will take you all over the world as you study physical and human geography, history, cultures, and economics. Mr. Man loves going on hikes with his 6 month old son, Mickey, and his Great Dane, Morty.

Mr. Fusco teaches MATH on Team M. In math this year, you will continue your work on fractions, decimals, percents, and word problems. You'll love learning about math in this classroom! Mr. Fusco loves animals of all kinds and enjoys spending time with family and friends.
