

## **Community Day School 2022-23 COVID Policy**

COVID-19-specific communication will be sent to families within the classroom of a confirmed COVID-19 positive individual. Symptomatic individuals will be restricted from school in accordance with our existing illness policy. Classrooms will not be quarantined. Each family of a student attending the affected classroom will have discretion to act in a manner consistent with their comfort level relative to illness management (i.e., keep a child home, wear a mask, etc.). Please contact [Health@communityday.org](mailto:Health@communityday.org) with questions.
