

BLAIR ACADEMY

Tips for Blair Parents
2022-2023

WELCOME TO BLAIR

Welcome to Blair! As a new Blair parent, we know this is a very exciting and busy time, and you probably have many questions as you prepare for your child to arrive at Blair this fall. This guide contains a great deal of useful information, but there are likely questions we have not anticipated, as well as questions that a booklet cannot answer. We welcome your direct outreach...always.

We are grateful that you have decided to share your child with us. We view our role as that of partner in the work of “raising” them. As you will hopefully come to expect, we very much wish to keep communication lines open and well traveled. This booklet is merely the beginning of that relationship, and we hope it is a helpful first step.

Warmest regards,

Ryan M. Pagotto '97
Associate Head of School

Susan Long
*Assistant Director of Advancement
for Parent Relations*

What would you say to your “first-year self?”

As shared by seniors during their Senior Exit Interviews in the weeks preceding graduation:

- Make good choices. Talk to teachers more; take advantage of every single moment because these four years fly by!
- Don't worry, take it in stride. As long as you're trying, everything will work out.
- Don't be afraid of making mistakes and don't fear failure. Have more confidence in yourself.
- Enjoy it more! Don't wish that the time will go by faster; it's gone before you know it.
- Prioritize your work; focus on time management before everything else.
- Don't be shy; step out of your comfort zone because Blair doesn't judge. Be silly and zany...just be you! Don't be afraid to try new things.
- Sleep! Staying up until 2 a.m. is not worth it. Put yourself out there because this is a place where you can do that.
- Get out of the dorm more; reach out to the prefects more often.
- Ask for help if you need it.
- Set a tone for success early; don't wait until junior year.
- Don't just work for the grades. Get as much as you can out of your classes and soak in as much as you can from your best teachers.
- Find teachers you trust, to whom you can talk and open up.
- Make the most of whatever you're doing and go in giving 100 percent.
- Be yourself. Don't get caught up in what others think of you.
- Do the things that make you happy...be creative...take an art class earlier!
- Don't sweat the small stuff.

STAYING CONNECTED

In addition to regular communications from Head of School Peter G. Curran, there are many ways to stay connected to Blair throughout the year.

The Blair website, **www.blair.edu**, is the primary source of information about campus news and events, student life, the academic calendar and more. With your parent login, you are also able to access the parent section of the website that will provide access to grades, billing, directories and other important information.

The *Parents' Post*, a monthly e-newsletter sent to all parents, keeps you up-to-date on all the most important news. Expect to receive these newsletters in the middle of the month.

From Hilltop to Home is a monthly letter sent to all Blair parents by Associate Head of School Ryan Pagotto. The goal of this monthly communication is to keep parents abreast of what's happening in the Blair community and, hopefully, set their minds at ease during times of the year that can be challenging.

Blair maintains an active presence on numerous social media platforms. We invite you to follow Blair on Facebook, Twitter, Instagram, LinkedIn, Vimeo and YouTube (you can find links to each channel in the #BLAIRACADEMY drop-down menu at the top right of **www.blair.edu**). Additionally, Blair regularly posts photos of campus events, sports and activities to PhotoShelter, which all parents can access and where they can download high-resolution images at no cost. Several athletic contests and campus events are also viewable on Livestream.com or LocalLive.com.

STUDENT HANDBOOK

The Blair Academy Student Handbook is a guide and source of necessary information, including student life policies, the academic program, health-and-counseling services and athletics. The handbook is available online by mid-summer, and hard copies are distributed to all students at registration.

BLAIR FACEBOOK/DIRECTORIES

The hard copy Blair “facebook” is published each fall and distributed during Family Weekend. It features photos of every student, faculty and staff member. Additionally, parents can access an online directory in the password-protected parent portal of the website. Here, parents can also find contact information for other Blair parents, as well as faculty and staff.

COMMUNICATION WITH YOUR CHILD

Students bring a personal mobile phone to Blair as there are no landline phones in dorm rooms. Additionally, should the need arise, students will be alerted by text of any emergencies on campus. Students must abide by the community standard regarding cell phones. This includes no cell phone usage in the dining hall or while walking between buildings on campus. Freshmen must turn in their cell phones nightly during study hall and before lights out. Parents may contact dorm heads for any after-hours emergencies that may arise. AT&T and Sprint coverage is better than Verizon in Blairstown.

An online community directory with contact information for other parents, as well as Blair faculty and staff, can be found on the password-protected section of the Blair website.

WHOM DO I CONTACT?

It is not unusual for parents to have questions and be uncertain of the right person to call for answers. All of us at Blair are always more than happy to help guide you to the right person, but for a comprehensive list of people to contact for a variety of questions, as well as dorm head contact information, check the parent portal on the Blair website under FAQs and Contact Us.

ADVISORS & MONITORS

From the start, your child will be surrounded by adults who are looking out for them, including dorm heads, coaches and teachers. Students are asked to select a faculty advisor by the first week of October. This is a faculty member with whom they feel comfortable discussing various school and personal issues and who focuses on life beyond academics. The advisor becomes the primary contact for parents in matters that have to do with all aspects of the student's life at Blair—academic, athletic, social and otherwise. Each advisor sends a letter to parents of their advisees at the end of each semester, sharing insights into the student's life at Blair.

Class monitors work to facilitate communication among faculty, students, parents and advisors. Monitors have direct responsibility for everyday academic matters such as course changes and the arrangement of parent-student-faculty meetings, if necessary. Monitors oversee the review of a student's record at the end of the semester and work with advisors to develop improvement strategies when necessary. Students are assigned their monitor at registration. Formal communication from the monitor comes with the mid-semester grades in the fall. Additional communication will come as needed, but parents are welcome to contact monitors at any time with questions regarding students' academic progress.

SCHOOL MEETING

We gather as a community twice each week for School Meeting. Monday's meeting is run by Mr. Pagotto and Friday's meeting is run by the Senior Class Council (SCC). The purpose of School Meeting is to provide information that is important for the community to hear in person; to celebrate various achievements by teams, groups and individuals; to provide opportunities for students to exercise public speaking skills in front of a large audience; and, in the case of Friday's meeting, to offer a lighthearted (and sometimes entertaining) conclusion to the week by way of a video or skit by the SCC.

FAMILY-STYLE DINNER

Boarding students gather for family-style dinner on Tuesday and Thursday evenings in the fall. Following our return from December vacation, family-style dinner is held only on Tuesday evenings. Unlike buffet dinners, where students, faculty and their families can attend when they wish and sit wherever they choose, family-style dinner is a more formal "sit-down" dinner with assigned seating. Faculty members serve as the "heads" of each table with the support of a senior leader known as the "table foot." The goal is to provide an opportunity for students to meet other students and faculty they may not otherwise connect with and foster conversation at each table. The dinner begins with a blessing of the food or a poem and a reading of the menu by a student. Dinners conclude on Tuesday evenings with our Society of Skeptics speakers introducing their talk for the evening, and on Thursdays following dinner we have art receptions or current events forums.

GRADES, COMMENTS, SCHEDULES & SUMMER READING

Grades and comments, as well as the monitor and advisor letters, which come out twice a year, are available online through the parent portal on Blair's website. In May, parents receive a proposed schedule from the academic office so that their child(ren) can begin the course scheduling process. Students receive their final course schedule when they arrive on campus in the fall.

Required summer reading and coursework is posted on the Blair website in early June.

DAY STUDENTS

Day students are very much a part of the Blair community, and we encourage them to take full advantage of the School's programs, facilities and resources. Classes begin each day at 8:30 a.m. and, once they arrive on campus, day students are required to remain here at least until the end of the academic day. Generally speaking, day students are expected to leave campus by 8 p.m. each school night. There are certain occasions during the year when day students are required to remain on campus for an evening program, such as Convocation, the Fall and Spring Concerts, Christmas Vespers or Winter Gathering. Blair's policy remains that day students are not to reside overnight in the dormitories. Exceptions can be made in cases where inclement weather makes it difficult for day students to commute.

INTERNATIONAL STUDENTS

Blair Academy has long welcomed international students to campus. We support these students by securing passports and travel documents, coordinating school breaks and vacation travel, and helping them adjust to campus life and U.S. culture. We offer a special international student registration day at the beginning of the school year, which includes time for families to meet individually with the Head of School. If you have questions or need assistance, please contact the student life office or assistant director of advancement for parent relations.

PREFECTS

Prefects are select seniors who serve as mentors and live alongside younger students in the dorms. Prefects play an important role, working to help alleviate students' homesickness, shorten their academic and social adjustment period, and help students "learn the ropes" faster than they would on their own. Prefects communicate regularly with dorm heads about how students are adjusting to life at Blair, discuss concerns, and share feedback and ideas.

ROOMMATES

Students are not permitted to choose roommates their first year at Blair. The student life and admission offices put careful thought into pairing new students. Students will receive instruction from the student life office in late August about how they can obtain information about their dorm and roommate. After the first year, students can decide with whom they would like to share a room. There are a limited number of singles on campus, and those are granted using a lottery system.

SCHOOL SUPPLIES

Students should plan to bring general supplies that are commonly needed, such as binders, notebooks, pens, pencils, highlighters, scissors, tape and paper clips. Teachers who require specific materials will give students ample time to obtain any additional supplies at the beginning of the year. The School Store stocks all required classroom supplies, including scientific and graphing calculators and other regularly used items.

TEXTBOOKS

Your child's course schedule will be viewable through the parent portal on Blair's website in mid-August. This schedule should be used as a guide for ordering textbooks, which can be purchased through the Blair website beginning in August.

COMPUTERS

It is strongly recommended that students bring their own computers to Blair. Students use laptops due to their flexibility and limited dorm space. Both PCs and Macs are suitable choices. Students may also use the computers located in campus buildings, including the Chiang-Elghanayan Center, Timken Library and dorm common rooms. High-speed wireless Internet is available in every campus building. For more information, please contact the technology office at **tech@blair.edu**.

SUGGESTED PACKING LIST

General Needs:

2 sets of sheets
(standard twin size)

Blanket/comforter

Pillow

Foam mattress topper

Mattress pad

Towels

Hangers

Window fan

Mirror

Desk lamp

Laundry bag, detergent and
dryer sheets

Command™ hooks

Alarm clock

Mobile phone charger

Power strips/surge protectors

Storage crates/bins

School supplies (see page 10)

Computer (Mac or PC)

Backpack

Toiletries:

Shower tote

Band-Aids

Antiseptic cream

Shower shoes/flip-flops

Clothing:

Class-day attire
(see page 14)

Formal attire for dinners,
some school events

Athletic wear, including
equipment for sports

Casual wear

Winter coat, hat and gloves

Boots

Note: *No prescription
or over-the-counter
medications are allowed
in students' rooms*

BIKES, SCOOTERS, SKATEBOARDS, ETC.

Bicycles, non-motorized scooters and skateboards are permitted at Blair Academy. Helmets are required. The School does not permit hoverboards on campus.

APPLIANCES IN DORMS

With the exception of hair dryers, fans and irons, no electrical appliances are allowed. All cooking, heating and cooling devices, and aromatherapy diffusers are prohibited. Irons must have automatic shut-off capability. Each room may have one compact refrigerator (with a maximum capacity of 3.2 cubic feet), and a monthly \$10 usage fee is charged. Please be aware that no extension cords are allowed, only power strips with fuses. Examples are provided, and we ensure that an ample supply of approved cords is available in the School Store.

SHIPPING TO CAMPUS

Students are permitted to have items shipped directly to Blair at any time throughout the school year beginning August 15. They receive email and text notification when their packages arrive on campus.

Physical Address & Private Carrier (UPS, FedEx, DHL)

Shipping Address:

Student Name
Blair Academy
2 Park Street
Blairtown, NJ 07825-0600

POST OFFICE

Students are assigned a school post office box when they arrive on campus.

Student U.S. Postal Service Mail & Shipping Address:

Student Name
Blair Academy
Post Office Box 600
Blairtown, NJ 07825-0600

STORAGE

Limited summer storage space is available in each dorm for students who travel long distances to Blair. Please note that all summer storage items must be labeled clearly.

DRESS CODE

The Blair Academy dress code is not formal, but students are expected to dress in a way that respects the standards and academic purposes of the School. Clothing must be neat, clean and in good repair. Footwear is required at all times. The School may make exceptions to the dress code in accordance with sincerely held religious tenets.

Class Dress—During hours when classes are in session, including lunch and School meetings, the following dress code applies:

- Shirts/Tops: collared shirts, tailored blouses, turtlenecks or sweaters that cover the midriff and chest. Sweatshirts can be worn with another approved article of clothing.
- Pants: khakis, denim jeans, trousers (leggings or jeggings may only be worn under long tops or skirts or dresses).
- Shorts: tailored with pockets and must be fingertip length or longer. (Shorts are permitted up until Oct. 1 and after May 1.)
- Dresses and skirts: tailored and must be fingertip-length or longer.
- Sleeveless blouses are acceptable provided the straps are one inch or wider.
- Team members may wear parts of their game uniforms to classes on game days with the approval of their coaches.

Formal Dress—For family-style dinners and other formal School functions, the following formal dress applies:

- Sports coat or suit, dress shirt with tie and long trousers.
- More formal dresses, fingertip-length or longer.
- Skirt or dress pants, a blouse, and a sweater or blazer.
- Dress shoes, clean sneakers or dress sandals—no flip-flops.
- Any comparable ethnic attire.

HAIRCUTS

There are numerous hair salons and barbers nearby where students may get a simple trim or a more complicated cut. Faculty advisors offer weekend trips or students can request to be driven on an individual basis.

LAUNDRY

Free laundry machines are available in every dorm. All-Prep Laundry is an outside service that offers wash and fold, as well as dry cleaning. Pickup and drop-off days are Mondays and Thursdays. Information regarding this service is sent to families over the summer.

SCHOOL STORE

The School Store offers a variety of school supplies, Blair-wear and gifts. Your child can use his or her student ID as a debit card to make academic purchases, which will be charged to his or her account. Parents may set spending limits for the purchase of Blair-wear and gifts if they choose. Students must have an available balance on their student debit account to make these purchases. The School Store is open Monday-Friday from 10 a.m. to 5 p.m., and Saturday from 10 a.m. to 1 p.m. (when school is in session). You may also shop online at **www.shop.blair.edu**.

SPENDING MONEY

Blair Academy debit/ID cards give students the ability to purchase items in the School Store, The Black Canteen and the athletic supply store without the need for cash. Students may also use this card to withdraw cash from the Student Bank (located in the School Store). There is an online process through **mykidsspending.com**, a third-party administrator, that allows parents to deposit funds into their child's debit card account either with a debit/credit card or an electronic check. Parents may also put money in a student's account by contacting Lori Rybicki in the business office at **rybicl@blair.edu** or (908) 362-6121 ext. 5709. Parents can limit how much a student may spend per week, month or term. Information on **mykidsspending.com** is sent to parents over the summer.

ATHLETICS

Blair Academy firmly believes that athletics are an integral part of a student's education and that regular physical activity is essential to healthy development. Accordingly, every student at Blair is required to be physically active, either on a team sport or as part of a physical activity, during all three seasons of the year. Freshmen and new sophomores must play a team sport (or its equivalent) during the fall. Juniors are strongly encouraged to play a team sport (or its equivalent) during the fall. Seniors have no interscholastic (team) sport requirement, but are strongly encouraged to participate. As an alternative to the interscholastic (team) sport requirement, a student may receive credit for participation in drama, robotics, debate, dance, yearbook or *The Oracle*, the School's e-newspaper.

Students may be invited by the varsity coach of fall sports to come to Blair prior to the start of the academic year for preseason training. These invitations will be extended before the start of the summer break. Additionally, most spring athletic teams travel to warmer climates during the last week of spring break for preseason training.

Spring preseason trips are an additional cost for students. Some teams also charge an additional fee for team apparel or equipment.

Parents are welcome to attend all athletic events. Team schedules and scores are available on Blair's website at www.blair.edu/athletics. Many games are livestreamed through our School's partnership with LocalLive and can be viewed at no cost through the links on our website.

COLLEGE COUNSELING

At Blair, formal college counseling begins in your child's junior year. Our process—rooted firmly in a “fit-first” philosophy where we help students find the best-matched list of colleges for their individual interests, personalities, passions, and talents—grows out of students' explorations of Blair offerings from their first day on campus. We find January of junior year marks an ideal time to begin to engage students in conversations about their past choices and about their continued development to aid them in reflecting on who they are becoming and projecting where they want to go. With small caseloads of students, our counselors pair these personalized sessions with group college counseling classes to prepare students to enroll in future homes where they will thrive as they challenge themselves to grow.

The college counseling office remains available to help students or parents at any time, and we encourage open lines of communication about the college process, especially during junior and senior year. Counselors are available by phone, email or appointment at any time you wish to ask a question. The college counseling office hosts programming for parents of all grades on Family Weekend and partners with industry experts to offer guidance on a variety of college-related topics such as preparing for standardized testing, paying for college, developing healthy mindsets and understanding how admissions decisions are made. Counselors share information about upcoming events and pertinent information via email, and you can follow them on Instagram @Blair_College_Counseling to keep track of upcoming offerings.

DINING SERVICES

Blair students eat breakfast, lunch and dinner in the Romano Dining Hall, which features an abundance of healthful options, including a robust salad bar, hot, home-style entrées, homemade soups and sauces, a wide range of deli choices, and freshly baked breads and desserts. Breakfast, lunch and some evening meals are served buffet-style; on other weeknights, students and faculty families sit down together at family-style dinners. The dining services staff is more than happy to work with individual students to accommodate personal allergy/dietary needs. For more information about dining at Blair, please visit www.blair.edu/student-life/dining-services.

Students can also eat in The Black Canteen, better known on campus as “The Can.” Located in Hardwick Hall’s Blair Commons, The Can is a popular place to socialize, study and relax between classes and in the evenings.

CARE PACKAGES FOR STUDENTS

Blair Academy’s dining services can make cakes, cookies and other treats to be delivered to your child. At various times throughout the year, “treat bags” may be offered for sale for occasions such as exam time or Valentine’s Day and are a nice surprise for the students. To order, send an email to catering@blair.edu.

HEALTH CENTER & COUNSELING SERVICES

Led by Blair's Director of Health Services and staffed by registered and licensed practical nurses, the ***J. Brooks Hoffman '36*** Health Center provides emergency and ongoing care, health education and counseling.

Nurses staff the Health Center seven days a week, 24 hours a day. The school physician, Jeffrey Merkle, MD, or one of his associates, holds clinics on Monday, Wednesday, Thursday and Friday mornings (though students can come at any time for evaluation by the nursing staff). The local hospital provides more advanced care if needed.

Blair also provides confidential, short-term and solutions-focused counseling services to all students, addressing issues such as stress management, peer relations, family issues and academic struggles.

The School counselors and other Health Center staff members can assist with arranging appointments with clinical psychologists and psychiatrists who contract independently with families and provide safe, private space for these meetings to occur.

SPIRITUAL LIFE

Blair was founded by local Presbyterian elders in the spring of 1848. While continuing to respect the Judeo-Christian values of its founding, Blair welcomes students of all faiths and embraces a wider, inclusive view of religious life and is a member of the Center for Spiritual and Ethical Education.

Chapels are an important part of Blair life, bringing together the entire Blair community to hear a student, faculty or guest speaker on a topic of moral importance, an individual issue of faith or a personal story. Faculty members and student leaders provide additional opportunities to nurture the spiritual lives of community members through reading prayers and mindful meditation. The annual Christmas Vespers is a traditional lessons and carols service for the entire School community.

For students who wish to attend weekend services, Presbyterian and Methodist churches are located a short walk from campus; transportation to other places of worship can be arranged through the Student Life office or another faculty member. Blair also maintains active Christian Fellowship, Jewish Union and other interfaith groups on campus.

CHRISTMAS VESPERS & WINTER GATHERING

Christmas Vespers and Winter Gathering are all-school events that take place in December before winter break. Students are invited to attend one of these two holiday celebrations. Christmas Vespers includes two one-hour services, one for underclassmen and one for upperclassmen, held at the First Presbyterian Church on Main Street in Blirstown. Winter Gathering is an event elevating messages of hope, togetherness and seasonal spirit with activities and readings by students in the Chiang-Elghanayan Center for Innovation and Collaboration. Between the two services, a formal holiday dinner is scheduled for faculty and students. Formal attire is required.

COMMUNITY SERVICE

At Blair, leadership and service are woven into every curricular and cocurricular experience. More than half of Blair's student body serves our community in formal leadership roles. Blair students are engaged in service projects addressing educational disparities, environmental challenges and disaster recovery. In recent years, volunteers have tutored at local elementary schools, raised money for regional shelters for abused women and worked to solve real-world problems with large organizations such as Habitat for Humanity and Presbyterian Disaster Assistance.

On our annual Day of Service, our students, faculty and staff fan out to assist various nonprofits across the region, many of which already know Blair students from working with the sophomore Blair LEADS classes throughout the school year. In addition, the Blair community regularly holds fundraisers for meaningful causes, including the American Cancer Society's Relay for Life, local charities and families in need.

BLAIR TRAVEL

Blair encourages students to interact with people of other cultures and countries through meaningful travel opportunities. In recent years, students and teachers have explored Eastern and Western Europe, Africa, Asia, Central America and the Caribbean. Faculty members lead immersion trips during winter, spring and summer breaks. These transformative experiences raise students' cultural awareness and help Blair students become global citizens who are committed to serving others and contributing to the good of their communities.

Travel opportunities vary by year and an information session is offered to parents during Family Weekend. Students are also informed of upcoming trips at School Meetings.

BLAIR FUND

Blair parents, alumni and friends are asked to support our annual fund each year. Current parents have answered that call generously, with typically about 85% choosing to make a gift each year.

Donations to the Blair Fund go directly to the School's operating budget, helping to enhance the Blair experience for all students. Extracurricular programs, service and leadership opportunities, and scholarship aid are among the everyday, critical needs supported by the Blair Fund. A member of the advancement team or a fellow Blair parent will be in touch to ask for your support during the year, and we ask you to consider a meaningful gift at whatever level is comfortable for your family. Participation in the fund is so important—a gift of any amount will help make a difference.

PARENT VOLUNTEERING

Blair offers many different ways for parents to volunteer, both on and off campus. It's a great way to become better acquainted with the Blair community while connecting and building relationships with other Blair families. Every volunteer plays an essential part in the overall success of the School. To learn more about volunteering at Blair, visit the parent portal of our website or contact Susan Long, assistant director of advancement for parent relations, at **longs@blair.edu** or (908) 362-2033.

WEEKEND ACTIVITIES

Blair strongly believes that much of the boarding school experience has to do with positive involvement in the community after the academic day has ended. Students find an array of organized activities on campus—athletic events, “grill-and-chills” on the turf, dances, movies and more—or they may take part in off-campus excursions, including mall trips, visits to New York City, the San Gennaro festival, fast-food loops, Blair “Uber,” and lunch and dinner outings for various types of cuisine. Weekend activities are announced at Friday School Meeting and are posted in the parent portal on Blair’s website.

DANCES

The Winter Ball, a semiformal dance, is held in January at Blair. Tickets can be purchased in the student life office. Each year has a different theme, and the event is decorated by dedicated and hardworking parent volunteers. Past themes have included “A Night in Paris,” “Enchanted Forest” and “Hooray for Hollywood.”

The junior/senior prom, held in May, is for upperclassmen only. This is a formal event held off campus at a venue within an hour’s drive of Blairstown. Students are transported to and from prom via buses chartered by the School. We offer tuxedo rentals and flower orders on campus prior to prom. You will receive more information well in advance of both events.

WEEKENDS OFF CAMPUS/“COMMUNITY WEEKENDS”

We know it’s nice for students to be able to get away from campus now and then. With the exception of the “Community Weekends,” which are “closed” weekends, students may request to leave campus for weekends with parental permission. Community Weekends are designed to bring the community together and, although parents are welcome to visit campus at those times, they are asked not to request permission for their child to leave campus. Please refer to the Student Handbook for guidelines on how many weekends students are permitted to leave campus per semester. Students must complete a REACH request by noon on Friday to depart for the weekend. Parents receive an email through the REACH system requiring them to approve each request to leave campus for a weekend.

FAMILY WEEKEND

Every October, Blair’s annual Family Weekend provides a wonderful opportunity for families to visit campus and experience their child’s life at the School. Family Weekend begins with a Thursday-night reception for parents, a chance to connect with other Blair parents from near and far. Friday highlights include teacher meet-and-greets, dinner in the Romano Dining Hall, “Blair on Stage” performances and more. Visit your child’s classes and enjoy an afternoon of athletic contests on Saturday. Of course, there is also plenty of time for parents and students to reconnect after the first busy weeks of the fall semester. Students are welcome to go home with their parents after their last obligation on Saturday. There are no classes on the Monday following Family Weekend. Students are expected back on campus by 7 p.m. on Monday and classes resume on Tuesday.

PEDDIE DAY

Each November, Blair's fall sports teams face off against the Peddie School Falcons in one of the School's most beloved traditions: Peddie Day! What began in 1903 and is now New Jersey's oldest prep school football rivalry has evolved into a week-long celebration of school spirit culminating in a "Peddie Day Eve" bonfire and pep rally.

Peddie Day includes a full day of athletic competitions. The entire School, as well as many parents and alumni, come out in force to cheer the Buccaneers to victory, and the school that achieves the most wins takes home the coveted Kelley-Potter Cup.

Don't let your student tell you not to come or that you would be the only parent there! We welcome all parents and alumni to campus for both the Friday night pep rally and bonfire, always held at Blair, and the Saturday Peddie Day events, alternating each year between the Blair and Peddie campuses. Please join us on Saturday in the Blair parent and alumni hospitality tent to connect with friends and enjoy great food.

GRADUATION WEEK

Blair's commencement takes place on Sharpe House lawn the Thursday morning prior to Memorial Day each year. The days leading up to graduation are filled with many activities that celebrate the Blair experience. While parents and family members are welcome to attend many of the festivities during the preceding week, almost all parents typically attend Wednesday evening's Senior Prize Assembly and Baccalaureate service and senior dinner, in addition to Thursday's commencement ceremony and luncheon. For more detailed information, please visit the parent portal of Blair's website.

AREA HOTELS, RESTAURANTS & SHOPPING

There are several popular places to dine in or near Blairstown, ranging from fast food to fine dining, including some that are within walking distance from campus and others that will deliver to campus. When parents are in town, students enjoy the opportunity to go out to eat.

Students are permitted to walk down the hill to Blairstown's Main Street, where there are restaurants, a small market and a handful of shops.

While visiting Blair, please remember that most area hotels are a 10- to 25-minute drive from campus. For Family Weekend, Blair blocks rooms at several area hotels; this information is included in the Family Weekend invitation. For a comprehensive list of hotels, visit **www.blair.edu/accommodations**. For area dining, shopping and attractions, please visit **www.blair.edu/places-to-dine**.

PLANNING FOR TRAVEL

If your child will be flying to and from Blair Academy, please review the school calendar so that you can book flights on a schedule that matches set departure and return times. You should also check your child's athletic schedule to make sure travel does not interfere with practices or games. Absences due to travel arrangements should be avoided.

AIRPORTS

Transportation is available to and from all area airports. See below for approximate driving times to and from the airports closest to Blair Academy:

- Newark Airport: 1 hour, 15 minutes
- JFK Airport: 1 hour, 45 minutes
- LaGuardia Airport: 1 hour, 30 minutes
- Philadelphia Airport: 2 hours, 15 minutes
- Lehigh Valley Airport: 1 hour

BUS & TRAIN

During major school breaks, the School offers charter bus service to Newark Airport and to New York City (Port Authority). Students may sign up for the bus a couple of weeks before the break. The closest Amtrak stations are located at Newark Airport and Newark Penn Station. Contact the student life office at **dejesj@blair.edu** or (908) 362-3120 for additional information. Charter bus and car shuttle services are billed to your school account.

AD HOC TRANSPORTATION

Blair Academy works with State Shuttle (24-hour shuttle/private car service) to schedule drivers for special travel arrangements. Please contact the student life office at (908) 362-3120 or **dejesj@blair.edu** for additional information.

SCHOOL BREAKS

Dormitories are closed for the following school vacations: Thanksgiving break, holiday break, winter long weekend, spring break and summer break. Check the school calendar for dates and times students may leave and when they are due back on campus. Remember to allow additional time for travel to and from airports. Parents are asked to respect the integrity of the academic year and not to request early departure or late return from weekends or vacations. Transportation to and from local airports, train stations and New York City (Port Authority) can be arranged through the student life office.

IMPORTANT CONTACTS
