Deductive Alternate: Contractor recommended cost savings deductive Alternate. Attach description. (money savings option) LS\$ _____

Deductive Alternate – Reuse Existing Base if in Acceptable Condition LS\$ _____

Alternate Descriptions (add additional sheets if necessary):

BASE BID

The bidder acknowledges and agrees that the Base Bid Unit Prices represent the base bid for the repair, replace and/or new play structure surface, including demo of existing surface, grading, and drainage (Unit Price X SF = lump sum). This will represent the Total line-item Lump Sum. Deductive Alternates will only be accepted after the selection of low bidder based on "Total Bid Lump Sum" referenced above.

After selection of the low bid, at the district's discretion, work area may be increased or decreased based on the needs of each school. The unit prices included above will be utilized to increase or decrease the base bid with the quantity actually installed at the school site. A Change Order will be processed to ratify the actual quantities and price at each school. The winning bid will be the lowest Total Bid Lump Sum
