Multimedia Curriculum Development (\$400,000)

The district plans to develop a new educational track for WR students in the area of technology. This new curriculum will focus on generating digital media and programming. It will support the research, collection, and production of information loops which will be constantly updated to provide current and dynamic information.

Warrior Run Athletic Field House (\$150,000)

- A. **Celebration Gallery** - will include 6 interactive screens showcasing information created by students telling the stories of achievements in academics, athletics, and the arts.
- B. **Showcases** - will display projects, photos, trophies, & significant WR memorabilia.
- C. **Legacy Plaza** - will include permanent tables and seating for fans and spectators, as well as a commemorative brick surface.

Future Enhancements (\$950,000)

The First Century Fund will continue to impact WR students by designating funds to be used for future improvements and enhancements to school facilities, the academic curriculum, and emerging innovative programs.
