

Adult Meals

Food Service offers adult meal accounts to all members of staff employed at Trigg County Schools.

If you are in need of an adult meal account please contact Kalie Taylor at kalie.taylor@trigg.kyschools.us, or call her at phone ext. 2921.

Due to state and federal regulations there are guidelines that Food Service is required to follow when offering an Adult Meal Account. Please understand that these are out of our control and we are only following guidelines that will be checked by our auditors.

- There will be a **\$30 charge limit** on all adult accounts. Once this limit has been met, the system will no longer allow the cashier to charge the account until a deposit is made to the account.
- Adults will not be allowed to purchase items using their child's food service account, we are happy to transfer money from your child's account to your adult account if needed.
- No student will be allowed to charge to their food service account, including staff's children.

We are able to accept cash or check at the cash register, and if you would like you use your debit card, then it can be used by creating an account at myschoolbucks.com.

My school bucks has many features that will allow you to set a low balance notification, auto pay, and more. If you decide you would like to create an account and have trouble, please give Kalie Taylor a call, if the information is not entered the same as in our system then it will not locate your name.

Adult Breakfast Meal: \$2.75

Adult Lunch Meal: \$4.60

Ala Carte Pricing is the same as listed for students.

*Account balance reminders are sent out twice a month to your email if there is a balance owed on the account.

If you have any other questions please feel free to contact Paula Dickerson at paula.dickerson@trigg.kyschools.us or call her at phone ext. 2725.
