PROJECT DESCRIPTION AND SCOPE OF WORK:

The Alum Rock Union Elementary School District is a suburban school district serving 8,000 students from Transitional Kindergarten through grade eight. The District has thirteen (13) elementary schools, seven (7) middle schools, and three (3) K-8 schools.

The District is seeking interested firms for a Facilities Master Plan for Alum Rock Unified School District. The District will be selecting one firm to supply the above referenced services based on the needs of the District, the firms' areas of expertise, experience, responses to the Scope of Services section of this RFP, and the interview process.

1) MEET WITH THE FACILITIES MASTER PLANNING COMMITTEE

Meet with team members on the ARUSD Master Planning committee to gather critical information on the existing facilities and conduct condition assessments all of the District facilities. The ARUSD Master Planning Committee may consist of members from the following groups:

- District Staff (Superintendent, Assistant Superintendent, Maintenance and Operations Director, Administrative Staff, Management, Facility, and Classified Staff).
- Board of Trustees
- Parent Advisory Committees
- Students
- Community Members

2) COMMUNITY OUTREACH

Hold community forums, to provide community members with information on the Facilities Master Planning process and to solicit community feedback on facility needs. The firm shall propose additional methods (e.g., website, interview, community forums, focus groups, and surveys) to gather information.

3) DEVELOP CONDITIONS/NEEDS ASSESSMENTS

3.1 Evaluation of Current School District Facilities

Perform and complete a physical evaluation of the District's existing sites and their condition to understand the basis for modernization/new construction and/or replacement based upon the curriculum needs as defined by the ARUSD Committee and Community Outreach process. The firm shall prepare a digital database of all existing District properties including the age of each of the buildings on site, land areas, and site improvement. The District will provide the Firm with all current facilities information on file for review. The assessment shall include:

- Analyze the condition of the building systems, including electrical/low voltage, mechanical/plumbing, roofing/waterproofing, building finishes, classrooms, site elements, and accessibility components.
- Coordinate with ARUSD Maintenance and Operations Department to integrate existing structural reports into the overall needs assessment.
- Update the Facilities Condition Index with reference to the remaining useful life of systems and estimated costs to repair or replace systems.

Evaluate each site to determine areas for possible growth/expansion/consolidation, the context of

the schools, the visual definition of the campus, and how the indoor and outdoor spaces function independently and together. Once this overall diagrammatic evaluation of the existing facilities has been completed, develop a conceptual level Facilities Master Plan, by utilizing statistical data that has been gathered to form a basis for the determination of the needs of each campus and opportunities that include New School Construction and Modernization.

This may not be limited to architectural elements of the site and may include structural, mechanical, electrical, plumbing, civil, and landscape considerations.

3.2 Develop Future Facilities Needs and Alternatives

Assist with prioritizing short-term (3 to 5 years) and long-term (7-10 years) needs of the school district, exploring community and joint use needs, providing recommendations for energy savings, incorporating deferred maintenance, facilitating, and documenting the ARUSD Master Planning Committee's input and assembling all material for presentation to the committee and the Board of Education.

The analysis should explore two new facilities within the District properties:

- Work-force housing

- Central Services Building including Gymnasium and Soccer Fields

The Facilities Master Plan should be sensitive to construction costs relative to available funding while strategizing for future funding opportunities.

4) CAPACITY AND UTILIZATION STUDY. DETERMINATION OF ELIGIBILITY FOR STATE FUNDING AND OTHER FUNDING SOURCES

Perform a school site capacity study, including a full facilities inventory, along with established State and local loading standards in combination with District provide enrollment projections and the implications of phasing in universal transitional kindergarten as an additional grade level. Provide recommendations regarding maximum site sizes.

Prepare Office of Public-School Construction (OPSC) eligibility determination for growth and modernization programs and assist the District with determining eligibility for State facilities funding along with the California Department of Education (CDE).

Advise the District on all funding sources currently available for facilities financing, including, but not limited to, State School Bond funding, All Day Kinder and Transitional Kinder facilities funding, Career Technical Education (CTE), AB841, Federal COVID relief funding, grants, and/or other energy incentives.

5) FACILITIES EQUITY STUDY

Analyze and compare teaching and support spaces between the school sites. These findings will be compared with the Educational Specifications to determine the need for changes or additions in facilities and spaces necessary to accommodate the instructional programs.

6) EDUCATIONAL SPECIFICATIONS AND STANDARDS

Utilize the District's approved Educational Specifications and provide recommendations to update the current Educational Specifications and Standards to be consistent with the District's

Educational Facilities Program and with consideration of the input received from the ARUSD Master Planning Committee and Community.

7) ESTIMATE OF PROBABLE CONSTRUCTION COST AND SCHEDULE

Identify and project all costs associated with the recommended facility additions, improvements, and/or consolidations. This includes factors for contingency and escalation based upon projected timeframes for project implementation. Consultant shall prepare a schedule for project implementation given industry typical assumptions for design, agency approval, and construction to align with the beginning of each school year or as necessary to facilitate construction and occupancy.

8) PREPARATION OF A FINAL FACILITIES MASTER PLAN

- Present the final Facilities Master Plan to the ARUSD Board of Education.
- Provide the Facilities Master Plan in a digital format that can be uploaded to the District's website and can be easily accessed by the District's constituents.

9) PRELIMINARY/MILESTONE SCHEDULE

Provide a detailed Milestone schedule for the following based on an authorization to proceed date of **September 9, 2022**:

- Discovery & Analysis including stakeholder meetings
- Concept Exploration
- Develop and/update Educational Specifications
- Vision Images Complete
- Present Draft Facilities Master Plan to the Board
- Facilities Master Plan Complete

GENERAL TERMS AND CONDITIONS

ALTERATION OR VARIATION OF TERMS

It is mutually understood and agreed that no alteration or variation of the terms of this proposal shall be valid unless made or confirmed in writing and signed by the parties hereto, and that no oral understanding or agreements not incorporated herein, and no alterations or variations of the terms hereof unless made or confirmed in writing between the parties hereto shall be binding on any of the parties hereto.

ASSIGNABILITY

The successful Proposer shall not assign or subcontract the work, or any part thereof, without the previous written consent of the District, nor shall the successful Proposer assign, by power of attorney or otherwise, any of the money payable under this contract unless written consent of the District has been obtained. No right under this contract, nor claim for any money due or to become due hereunder, shall be asserted against the District, or persons acting for the District, by reason of any so-called assignment of this contract or any part thereof, unless such assignment has been authorized by the written consent of the District.

PROPOSER AGREEMENT

In compliance with this request for proposals, the selected Proposer will propose and agree to furnish all labor, materials, transportation, and services for the work described and specifications and for the items listed herein.

COMPLIANCE WITH STATUTE

The Proposer warrants that all applicable Federal and State statutes and regulations and/or local ordinances will be complied with in connection with the delivery of the services offered.

CONTRACT

The successful Proposer(s) will be required to sign the District's standard contract for architectural services.

CONTRACT TERM

This contract term will be for Facilities Master Plan for the District.

DISPOSITION OF PROPOSALS

All materials submitted in response to this RFP will become the property of the District and will be returned only at the District's option and at the Proposer's expense. With the exception of confidential financial data, the original response shall be retained for official files and will become a public record after the date and time for final quote submission as specified.

ERASURES

The proposal submitted must not contain any erasures, interlineations, or other corrections.

ERRORS AND OMISSIONS

If a Proposer discovers any ambiguity, conflict, discrepancy, omissions, or other error in the RFP, the Proposer shall immediately notify the District of such error in writing and request clarification or modification of the document. Modifications will be made by addenda. Such clarification shall be given by written notice to all parties who have been furnished an RFP for quoting purposes, without divulging the source of the request for same. Insofar as practicable, the District will give such notices to other interested parties, but the District shall not be responsible therefor.

If a Proposer fails to notify the District, prior to the date fixed for submission of quotes, of an known error in the RFP, or an error that reasonably should have been known, the Proposer shall quote at his own risk; and if awarded the contract, the Proposer shall not be entitled to additional compensation or time by reason of the error or its later correction.

The Proposer should carefully examine the entire RFP and any addenda thereto and all related materials and data referenced in the RFP or otherwise available and should become fully aware of the nature and location of the work, the quantities of the work, and the conditions to be encountered in performing the work.

FINANCIAL STABILITY

Proposer certifies that it is a financially stable, going concern. Proposer agrees that if awarded a contract, it will provide immediate written notice to District in the event a petition in bankruptcy is filed by or against Proposer, or if Proposer is adjudged insolvent by any court, or if a trustee or receiver or liquidator of any property of Proposer is appointed in any suit or proceeding, or if Proposer makes an assignment for the benefit of creditors or takes the benefit of any bankruptcy or insolvency act, or liquidates its business for any cause whatsoever, or if anything similar happens to Proposer in any jurisdiction.

FINGERPRINTING REQUIREMENTS

The District anticipates that the Proposer will not have contact with any students of the District. However, if the Proposer determines that a visit to a school campus is necessary, the Proposer shall arrange with the District to be accompanied by a District employee at all times or comply with Education Code 45125.1.

INDEPENDENT CONTRACTOR

While performing services for Alum Rock Union Elementary School District, the selected Proposer shall be an independent contractor and not an officer, agent, or employee of the District.
