

**CHAIN OF COMMUNICATION
PROPER PROCEDURES
2022-2023**

What should parents and community members do when they have questions or concerns about the Gaylord Community Schools? We will strive to maintain clear channels of communication. We want to address your concerns quickly and accurately. To that end, we ask you to follow the proper chain of communication when contacting the schools or confirming information. Thank you in advance for your cooperation.

If your questions/concerns have not been satisfied after contacting the teacher and the building principal, contact the representative of the appropriate department for additional information.
For general information call 705-3080.
