**2017-2018 School Year**

**Acceptable Use Policy**

Dear Parents and Students:

Students are allowed to have cell phones at school, but are not allowed to have them out in view during the school day, nor are they allowed to use them. They are, however, allowed to use them after school hours. Phones are to be turned into their homeroom teachers. They will be returned to students during the last class of the day. If a student is caught with his/her phone out during the regular school day, the phone will be confiscated and brought to the office.

Digital cameras, Video Games, iPods, etc. are not allowed at school unless otherwise authorized by the principal or assistant principal. If a student is caught with one of these items in their possession, the items will be confiscated and brought to the office.

Consequences for the above violations:

1<sup>st</sup> Offense: Loss of item for 5 days

2<sup>nd</sup> Offense: Loss of item for 15 days and Parents are Notified

3<sup>rd</sup> Offense: 2 Days suspension and loss of all above mentioned privileges

Sincerely,

Garland Yates, Principal
