

RELEASE FROM SPECIAL EDUCATION SERVICES

Student name: _____

Date of dismissal: _____

School: _____

Reason for dismissal from Special Education services:

_____ The student has not met specific eligibility criteria at this time in any disability category to establish the need for special education services.

_____ The parent requests release and/or revokes consent for services.

_____ Specially Designed Instruction (SDI) no longer results in measurable benefits, despite documented use of a variety of appropriate approaches and/or strategies.

_____ Student has developed compensatory/functional skills that allow him/her to access the general curriculum and to participate within his/her educational program.

_____ Student's deficit areas can be managed through classroom accommodations and/or modifications.

_____ Student's deficit areas can be managed by another service provider (SP. ED. is no longer needed as a Service).

_____ The student no longer needs special education services as a primary service in order to access and/or participate in the general curriculum.

The ARC must document all discussion, data and evidence used to reach the decision to release a student from services. (It is suggested that the *ARC Conference Summary* form be used for this purpose.)
